Grand Final Runners Up

Coach: Stephen Bullock		Managers: Michael Bullock	
The side had a very successful season, winning 12 of 15 round games (only being beaten by a very good Ingleburn team). Each player improved their skills across the season significantly and were willing to listen to feedback and put it into practice the following week. The boys were always supportive of each other and had great camaraderie. They were a pleasure to coach, and I wish our younger boys staying in 10's the best next year. Special thanks to Aaron Consunji for scoring for us for the season.

PLAYER PROFILES

Lucas Baker	Lucas improved his confidence and skills immensely over the season. His bowling became more accurate, and he developed a good defensive technique whilst batting. He was willing to listen and learn, and I wish him well next season.
Anthony Beh	There was not much Anthony didn't achieve on the field this year. He was either taking catches or wickets, scoring good runs, throwing the stumps down, or doing all of those things in the same game. A pleasure to coach, always bringing the energy and looking for ways to be in the game. Great season, Anthony!
Nate Bullock	Nate sets himself high standards and is always wanting to improve his cricket skills. He is an accurate bowler, and a dangerous batsman with a high strike rate, in the field he was always backing up, and did a great job with the gloves as wicket keeper. Nate always has high energy and is encouraging of his teammates, well done on a great first season, Nate.
Noah Bullock	Always excited for training and game day, Noah is a student of the game, enjoying reading books by the likes of Pat Cummins and Mitch Starc. He had a terrific first year of cricket, assigning himself to opening the batting often, and working on his bowling skills. He did a fine job with the gloves behind the stumps and should be proud of his efforts this season.
Gus Consunji	Every team needs a Gus. He provided ample laughs at training, always encouraged his teammates, and always brought the fun. His bowling improved significantly over the season, and his batting confidence also grew. Gus was always happy to be involved anywhere in the game, and always listened to feedback. Well done on your season, Gus.
Vishnu Devineni	Vishnu worked hard on his bowling action this year which developed into a far more efficient technique than he started the season with! He listened to constructive feedback and was very easy to coach. Vishnu had an accurate throw in the field, and the boys loved having him in the team this year.
Lachlan Murphy	Our most accurate bowler, and with an excellent average, Lachlan was a handful for opposition batsman. He is always on his feet in the field and contributed to a number of run-outs this year. His batting improved every game, and his defensive technique was excellent. Well done on a wonderful first season, Lachlan.
Oliver Ryan	Oliver had a wonderful first season of cricket, especially with ball in hand where he really excelled. Averaging under 6 and taking a wicket every 16 balls, he was accurate and made run scoring very hard for opposition teams. He improved his batting throughout the season, and was a great fielder, taking catches and being involved in several run-outs. Terrific season, Oliver!

Minor Premiers and Grand Final Winners

Coach: Peter De La Mare		Manager: Justin Turner	
Five players stepped up to hard ball cricket and three first timers made for a team of 8 strong cricketers. The kids discipline to train hard seen continual skills development in all areas. This allowed their skills to be ahead of any team we played. 4 batters & 5 bowlers in the district top 10 players. 1 representative player. We found a way to win a tight round match and dug deep into our discipline to get the grand final win. A very well deserved, undefeated premiership.

PLAYER PROFILES

Ollie Croke	Mr Discipline. First year of cricket. Knew the importance of team contribution in all he did. Loved the sweep shot. Trained hard every season and his season results reflect that effort. Big 2025/26 season awaits.
Callum De La Mare	Mr Brick Wall. Loved being the last batter to ensure the team result. Blocking out the final 4 balls of the GF to ensure our premiership. Developed a love for wicket keeping. Energetic in the field and took some classic catches
Suvani Gupta	Miss Cricket. First year of cricket. A beautiful cricketer in all that she done. A poetic bowling action. Batting developed throughout the year. Player of the Match in our GF. Rewarded with representative selection.
Aaron Jijo	Mr Pop up. Oh, there's Aaron. Always brings a smile to the session. Loved being around the group. Continuous development in batting, bowling and wicket keeping. Contributing every week with one of the disciplines.
Nicholas Macri	Mr Shot Selector. Trained hard and developed a swag of shots for the kit. Developed a strong understanding of shot selection and nailed a glorious straight drive 6 in the GF. Bowled the tough overs when needed.
Auston Markovic	Mr Big Hitter. Only ever hit the ball hard. Plenty of boundaries in a season aggregate of 328 runs. Bowling action that had the batters continually guessing. Made an impact in all that he did.
Braxton Russell	Mr Consistent. First year of cricket. Picked up the skills like he'd been playing for years. A great listener and always did as the team needed. Winning a tight match with a classic cover drive 4 in the final over.
Ashton Turner	Mr Bowling Machine. Consistently hitting the spot. Bowled quick, and accurate all season. Nailed a hat trick with season best figures of 6/4. 24 wickets for the season. Majority being bowled.

Grand Final Winners

Coaches: Clint Bradley & Clint Harding		
Back to back Premiers baby! What a pleasure this season has been, culminating in a Grand Final win that the boys will remember for a long time. It was the perfect display of everything the boys have learnt and practised throughout the year, putting on a clinic to put away a very confident opposition. The boys should be extremely proud of their efforts this season, the coaches and parents certainly are. Looking forward to next season with a great group of families.

TEAM AWARDS

Batting Award: Reuben Tucker

Bowling Award: Joshua Harding

All Rounder Award: Ash Bradley

Coaches Encouragement Award: Leo Lonergan

PLAYER PROFILES

Ash Bradley	Ash had an excellent all-round season. He matured with the bat, placing a higher value on his wicket and learning to accumulate runs, with the highest average per dismissal. His fielding was a standout, leading the catches and runouts. Ash bowled some great overs and was rewarded with rattled timber when he did. Hopefully he doesn't get sick of that sound!
Jacob Fischer	Jacob found his feet this season with both batting and bowling. Striking at nearly 100 and bowling the least wides of everyone. His strong arm and trusty pair of hands were much appreciated in the field. His bowling accuracy meant he was always in consideration for an extra over, earning the right to do so in the semi-final. His highest score of 29 without losing his wicket bodes well for a successful season next year.
Joshua Harding	For a wicketkeeper Josh certainly did well with the ball, picking up 10 wickets at under 8 apiece. Not bad a bad effort while missing 3 games along the way! Josh settled into his batting role into the finals, giving the team solid starts. All the throw downs from his coach paying off for both Josh and the team. He even managed 3 direct hit runouts with that mighty arm!
Harry Houghton	Harry was one of two new faces to the team this year, but it took him no time at all to make himself at home and he quickly became one of the chief ratbags of the team. Small in stature but big of heart, Harry puts everything into his work (sometimes too much...leading the no-ball count!) and reaped the rewards with a very healthy batting aggregate and highest strike rate. A great season and his first of many Camden premierships caps!
Nuhad Kamal	The enigma of the team is Nuhad! A tenacious little fella that wears his heart on his sleeve. It was so good at the start of the season to see how much work he had done in the off season, turning up to the nets bowling hooping inswingers and troubling everyone. Nuhad has shown a newfound confidence with the bat, evidenced by his lack of concern where his thigh pad sits!
Kobe Lewis	Kobe is a coach's dream, polite and attentive! His bowling figures this year don't tell the story of how well he bowled. Often when a good batsman was in, Kobe was the one given the responsibility of handling them, knowing that his line and length would be impeccable. It doesn't result in too many freebie wickets, but Kobe can be proud of himself in being trusted with the task. His fielding was also A+.
Leo Lonergan	This legend is always leading the way on the field, encouraging the troops and keeping them on their toes for the whole game. Leo would give Virat Kohli a run for best cover drive around, not to mention his chirp in the field! Leo found his place at the top of the batting order later in the season and did his job admirably. Special mention for bowling the least total extras all season!
Ethan Ryan	Where has this Ethan come from! A fortuitous bee sting at training seemed to impart superpowers, with smoking cover drives and sixes raining ever since! Ethan's bowling also developed throughout the season and finished as a bowler that could always be relied on to bowl a great over. His overall game finished strongly, and we can look forward to capitalising on that next season.
Reuben Tucker	The other new face this year and a very handy addition. Reuben led from the front with his batting, topping the aggregate, doing so with a strike rate of 120. One of his coaches is a sucker for a good left arm quick and Reuben is just that. Reuben bowled some beautiful spells this season and the signs are there for many more wickets in his future....as long as his slips can catch!

Grand Final – Runners Up

Coach: Christian Frederiksen		Manager: Mark Jacobs	
A fantastic year for the U/11 division 2 team, finishing second on the ladder and missing out on the premiership by a mere 5 runs in the Grand Final. Certainly, there were some star performers and some star performances, but it was the working together as a team that we should be most proud of. Despite having only 6 players we were undoubtedly the best fielding team in the comp, snaring multiple run-outs most games and taking a high percentage of catches. Running between the wickets was another stand-out strength, with our batters always supporting each other with backing up and good calling. It was very rewarding to see each player work hard to improve their game and, more importantly, play with positive spirit, encouragement and enjoyment. Confident we can go one better next season to take home the trophy!

PLAYER PROFILES

Oliver Frederiksen	Another excellent year for Oliver with the ball, he loved nothing more than seeing stumps flying. A thoughtful bowler, Ollie introduced some spin variations into his technique to deceive opposition batters. Running between the wickets became a bit of a superpower for him through the year, and with confidence and speed he turned 1s into 2s and stole byes he had no right to take!
Devan Ghai	Enthusiastic and positive, Devan is a great team mate who always brings energy to both training and matches. Showed strong improvement in his game over the course of the season, in particular after working on his bowling run up he increased his pace and developed a knack for taking wickets just when we needed them. Had some great knocks with the bat too. Well done Dev!
Chase Graham	A new player for Camden this season, Chase gave his all and made meaningful contributions to the team's success. A sweet timer of the ball, when Chase hit them they stayed hit, including one memorable 6 at Belgenny. His crafty round-the-wicket bowling deceived opposition batters and he always tried hard in the field. Look forward to seeing his game continue to improve!
Amelia Ingram	A stellar year for Amelia, whose discipline, determination and love of cricket makes her a joy to coach. Oppositions underestimated her at their peril, her excellent timing and shot placement regularly sent fielders chasing to all parts of the ground. As a fielder her match-awareness is second to none and led to many run-outs. Brilliant wicket-keeping and running between the wickets rounded out a fantastic all-round year.
Oliver Jacobs	OJ had a superb season with bat, ball and in the field to secure a well-deserved All-Rounder award. His Glenn McGrath-like consistency in line & length meant he took regular wickets all season, and his strong arm and safe pair of hands were a huge asset in the field. His strong batting technique and natural timing will ensure plenty of future runs. Congrats on a fantastic season.
Thomas McGrath	What a year it was for Tom! The competition's leading run-scorer, Tom struck fear into the hearts of opposition bowlers. Dispatching poor and not-so-poor deliveries to the boundary with ease, Tom scored over 300 runs at a strike rate of nearly 140. His pace bowling and excellent fielding & catching rounded out a very impressive performance. Well done Tom!

Semi Final – Runners Up

Coach: Conor Dowling		Manager: Dannii Whitbread	
From very humble beginnings through to a late season winning streak, as a group of first-time cricketers this team has improved immensely throughout the season. They are a fantastic bunch of kids who turn up every week and put their heart and souls into the game. They finished the season with a semi-finals birth which topped off a cracking first year of cricket.

TEAM AWARDS

Batting Award: Jack Whitbread

Bowling Award: Michael Angilley

Fielding Award: Logan Kennedy

Coaches Encouragement Award: Gaurishaa Arora

PLAYER PROFILES

Kathryn Angilley	<p>Kathryn is our most consistent opening bowler who has a knack for taking crucial wickets. Her bowling style looks effortless, and she is often told by the opposition that she has the nicest bowling action in the competition. Elegant with the bat, she scores steadily every week and defends her wicket well.</p> <p>Known for: running between wickets in ridiculously large batting pads.</p>
Michael Angilley	<p>Michael decided early on that he loved being a wicketkeeper and he has stuck at it throughout the season with noticeable improvement. Despite his unorthodox bowling action, he yielded many wickets with the ball and is beginning to play some shots with the bat.</p> <p>Known for: not sharing his regulation sized batting pads with his sister.</p>
Gaurishaa Arora	<p>Gaurishaa just loves cricket and always has the biggest smile on match day. She is the most stylish and technically skilled batsperson in the team. As she grows in strength, she'll be scoring runs all over the park. Her bowling has improved considerably, and she chipped in 3 wickets during the big semi-final.</p> <p>Known for: looking sharp in a pink sparkly skirt at the Sydney test match.</p>
Logan Kennedy	<p>Logan is developing into a good all-round cricketer. He bowls accurate medium pace deliveries and plays solid shots through the covers. He has good natural hand eye coordination and can catch anything that comes his way.</p> <p>Known for: being chased by a bee on the field (and everyone thinking he was busting out some weird dance moves).</p>
Harrison Nightingale	<p>Harrison has come leaps and bounds since the start of the season and is bowling with increased speed and accuracy. He is looking dangerous with the bat and scored some good runs in the back end of the season with some nice shots on the offside.</p> <p>Known for: smashing his dad around the park during the parents/kids match.</p>
Jack Whitbread	<p>Jack is an excellent batsman and is the leading run scorer in the competition. He is also developing into a handy leg spin bowler. He is dynamic in the field, taking numerous catches and throwing down the stumps regularly. No-one plays with more passion and determination than Jack.</p> <p>Known for: being offered \$2 million to play for Magpies next season.</p>

Minor Premiers and Grand Final Winners

Coach: Kurt Dreyer		Managers: Ryan Miller and Greg James	
Our boys had a great season in 2024/2025, a big part of that was down to our commitment in training. We always said we will play, like we train. Kurt always had a plan every week (twice a week for the last few months) and we had great dedication from the boys to put in, resulting in improvement with every player in the squad. Our 3rd premiership in a row was the result, but we are prouder of how the group developed as young men and bonded together as a team. We won't forget this season - thanks to all the parents, supporters and grandparents that showed up every week to cheer us on.

TEAM AWARDS

Batting Award:- **Ray James**

Bowling Award: **Jack Miller**

All Rounder Award: **Isaac Dreyer**

Coaches Encouragement Award: **Owen Ferry**

PLAYER PROFILES

De La Mare, Lincoln	Our Mr Reliable. Lincoln played many roles in the side throughout the season and can do it all. Linc's keeping got exponentially better as the season went on - finishing with 5 catches and a stumping. He always held his own with the bat too and bowled tighter lines that anyone when called upon with the ball.
Dreyer, Isaac	Isaac has been a key player for us with bat and ball this season. With the teams highest score of 81 off 48 balls, showcasing his hardwork and raw talent. His ability to hit boundaries always sparked our innings - Sydney Thunder should keep a close eye on this kid. It wasn't just batting (3rd highest in the district), Isaac took 12 wickets (5th in the district), with a best of 2-2 and led the team in catches. His all-round contributions have been immense.
Ferry, Owen	What a pleasure this young man has been to coach this season. He was always the loudest in the field and set the standard for our performance. His ability to motivate the team in tough situations has been invaluable. He stood up when we really needed him by playing a pivotal role in the grand final with the bat, finishing with 11* and allowing a couple of our retired players to return, & finish the innings off. What a legend.
Hodson, Archie	Archie has been a key part of our team for 3 seasons. His batting continues to improve and he finished the season with a high score of 14 and a batting average of 9.17, but it was his bowling that proved critical. Archie decided to bowl an over of leg-spin towards the end of the season and we had wondered why he hadn't been doing it since day one. What a revelation! He then helped us secure a key wicket in the GF with his spin and finished the season with 7 wickets & a best of 2-7. We hope to see him again next season
Hyam, Zechariah	Zechariah probably saw the biggest improvement in the squad this season, with a high score of 32 and a batting average of 16.71. His ability to score quickly, with a strike rate of 85.4, has been a game-changer. Zechariah was also effective with the ball, taking 4 wickets with a best of 2-0. His contribution in the GF was also significant with 19*, getting us back into the game
James, Ray	Ray had an outstanding season, showcasing his batting prowess with a high score of 59. His explosiveness at the crease, with 25 fours, has been crucial for the team. Ray again helped guide the team to another premiership in the GF (something he also did last season) with a mature 55*. He finished the season averaging 70 (incl finals) which was comfortably the highest in the district.
Miller, Jack	Jacko had an impressive batting average of 33 this season - imagine what it could have been if he didn't have so many 'short' runs. His ability to anchor the innings and build partnerships has been crucial. Jack has also shone with his leggies, with a best of 3-0 off 3 overs & finished the season with the 3rd most wickets in the district.
Nilakanti, Himank	Short but sweet after leaving half-way through the season. Himank bowled good spin and was solid with the bat. We wish him all the best back in India (we assume at the Rajasthan Royals)
Torok, Hayden	Hayden has shown great resilience this season, with a high score of 28 and a batting average of 11.89. Hayden often set the standard in the field , with 2 run-outs. He has also contributed with the ball, taking 3 wickets with a best of 2-13. Hayden's batting and bowling shows big potential and we are looking forward to seeing where he can take his game to next season.
Turner, Zachary	Zacho, what a talent. We wish we had 8 of him. He had a high score of 33 and an average of 24 with the bat. With the ball, he was our opener and had the opposition batsmen shaking in their boots with his pace. Zac finished the season as the 6th ranked batter and bowler in the district. Key man of our side.
Yelamanchili, Vedank siva	Vedank's batting has shown potential with a high score of 10. With a bit more focus, Vedank is sure to contribute more and more to the team. His left arm bowling has been his highlight though, with many batters struggling with his swing. He finished with an amazing average of 6.75 and the biggest two wickets of his life in the GF to lock in the threepeat.

Semi Final Runners Up

Coach: Matthew Saunders		Manager: Paul Marano	
It is always a great privilege to coach a team of fine young cricketers, and it makes it more worth it when they are tirelessly supported by an amazing group of parents, family members, and friends. It took a little while for the team to find their feet and win a game this season, but once they did, they never really looked back. Feared by opposition teams for their ruthless fielding skills, this team will take away many personal and collective lessons that will better their cricket in the future. They are a credit to themselves, and we are all looking forward to what they can do next year.

PLAYER PROFILES

Adon Atreja	A quiet and unassuming member of the team, Adon found his confidence after Christmas with the bat in hand, playing some fantastic defensive and attacking shots. Adon was at his most threatening with ball in hand; not many U12 players know yet how to play outswing, and when Adon bowled it on the stumps it was all but unplayable. Exciting things ahead for Adon!
Lachlan Faint	When he wasn't frustrating himself or questioning which line was the crease, Lachy was always contributing something to the game. Lachy is a handy top-order batter who should also back himself more with his aggressive stroke play, and an excellent medium-pace bowler when he finds his line and length. Lachy's arm in the field was feared by many a batter in the comp.
Noah Farrar-Roberts	Noah showed a lot of promise this season and his glimpses of brilliance were best summarised by the classy cover drives he pulled out in the semi-final. When everything 'clicks' for Noah, it is a pleasure to watch, whether it is with bat or ball in hand, or with the wicket-keeping gloves on. With more trust in his technique and focus, Noah will be one to watch!
Edward Knapp	Ed was up to his usual tricks for much of the year, however the renewed maturity and intent he brought to the crease this season led to some very impressive and match-winning performances. It turns out the incentive of taking the final wicket or hitting the winning runs can be far more empowering than Pokémon card packs. An energetic young man with a bright future.
Bryson Marano	It would not take you long while watching Bryson play to understand that he loves a lot about the game of cricket. What was most impressive about his development this year was his selfless and determined leadership as the captain in the final few games. Keep ripping those leggies too mate!
Benji Niranjan	Following a season of playing up an age-group with the bigger boys, Benji began the season with a level of patience, maturity and skill that not many others had. His pace and skill with the ball will become very scary once he targets the stumps more, and his level-headed approach to batting will see him score many more runs. But geez this kid can catch (and celebrate)!
Arya Peekka	Arya wasn't always available but when he was he always had his head in the game (sometimes literally too much!). Arya's enthusiasm and quiet determination to give his very best every time he set foot on the field was a great example to his teammates and competitors.
Manvik Ramesh	Manvik is a very fine young cricketer, with a very solid technical base to his game. With a bit more 'oomph' in his batting and choice of shots, and a lot more 'oomph' with his delivery of the ball when bowling, Manvik will find his strength and skill is no match for the opposition. A polite and ambitious young man, Manvik was a pleasure to coach this season.
Ruben Samcam	It can be daunting to step into a brand-new sport, but Ruben did it with ease and a consistent calm approach. His dedication and willingness to learn new skills saw him improve with leaps and bounds each week. By the end of the season, Ruben had developed the ability to land the ball 'within the box' consistently and protect his stumps with perfect front-foot defensive shots.
Oliver Sampson	Ollie has continued to develop into a fantastic all-rounder, who when he puts his mind to it, will easily carve a good length ball over cover, or knock the middle stump out of the ground with an inswinger (having only just learnt the skill a moment before). Quick to apologise for things he shouldn't, Ollie is an enthusiastic student of the game who has an exciting future ahead.
Harvey Stead	Harvey is a fine young man, who is selfless, honest and a natural leader. On the cricket field he continues to exemplify these values, and whilst he did not have much luck with the bat this season, the dignified manner in which he carried himself is something that many a batter in the competition could learn from. His hard work in the off season with the ball paid dividends too.

Grand Final Runners Up

Coach: Nathan Colliss		Manager: Matthew Wilson	
The Under 13, Division 1 competition comprised of eight teams with any one of 5 capable of winning on the day. This highly competitive setting had the team placed in 5th position at the halfway point and needing consecutive wins against many capable teams leading into the finals. At the end of the competition rounds, the team was placed 3rd.The team thrived on the pressure of the run into the finals and carried this effort and attitude through a final over semi-final win and then into a tied Grand Final result.

PLAYER PROFILES

Oscar Colliss	Oscar continued to develop the difficult art of leg spin throughout the season creating many chances through both his ability to flight and turn the ball. Yet again Oscar displayed a safe set of hands in the field and contributed to several crucial run outs. His willingness to throw himself on the ground, stop runs and dive for catches was a common facet of his game and set a high standard in the field for others to follow. Oscar saved his best batting performance for the grand final with a run a ball 20 at a crucial point in the match to achieve a tied result.
Lucas George	Yet another versatile contributor with bat, ball and even the wicket keeping gloves on occasions. Lucas' willingness to do whatever the team needed from him was exemplary and provided many memorable moments, none more than in a nail-biting semifinal where he recorded his highest score at a run a ball. In the field, Lucas spent as much time on the ground diving and stopping runs as he did on his feet. Most pleasing was the confidence Lucas developed within the team environment, providing a positive voice in the field.
Ryan Hine	Ryan made significant contributions with his bowling throughout the season, with consistent wicket taking ability. Most pleasing was his constant voice of encouragement in the field and developing confidence in the team environment. Ryan showed good improvement in the finals with his batting, making positive movements towards the ball. Great to have around the group, Ryan will continue to make significant contributions to the team as his self-belief grows. Ryan achieved a season equalling top score in the semifinal, proving a valuable contribution to the result.
Lachlan Nicholas	Lachlan's versatility proved to be the team's greatest asset throughout the season. Whether batting, bowling, Keeping or Fielding, Lachlan performed strongly with a positive and inspiring attitude to match. Exemplary in many ways, Lachlan finished the season with the most catches complemented by his faultless ground fielding and strong arm from the outfield making him a standout as fielder of the year. Lachlan posted his highest score for the season with a much needed 31 (off 22 balls) to achieve a tied grand final result.
Affan Qadeer	Affan showed great wicket taking ability with limited opportunity throughout the season. Another team player that adapted his batting to suit circumstances, Affan saved his best performance for the Grand Final with an outstanding 27 not out off 20 balls, contributing significantly to the tied result. Whilst he was the quietest member of the group, his constant smile and positivity was always welcomed and appreciated.
Samson Quagliotto	In his first year, Samson established himself as one to watch in the future. His ability to hit a big ball late in the season produced great excitement for teammates and supporters alike. His left arm medium paces also earnt regular wickets and brought energy to the team late in the innings. A popular member of the team, with experience and confidence Samson will develop into a valuable all-rounder in the coming years. Samsons 14 off 20 not out in the semi-final win was instrumental in the positive outcome achieved on the day.
Lawson Sutton	Lawson continued to make big runs throughout the season with both placement and power hitting. Establishing himself as an opener for the entire season, Lawson often laid a positive platform for the team to build upon. As Wicket Keeper, Lawson led the way with encouragement and an ability to keep spirits high in the field. Wickets were always on offer with his limited bowling opportunities. Lawson's opening stand in the grand final as well as his eventual 42 runs (off 40 balls) was pivotal in the tied result.
Kaelan Tucker	Kaelan suffered a serious hand injury whilst wicket keeping in the early rounds but showed great courage and commitment to return after a short lay off. Kaelan's pace with ball in hand worried opposition batsmen and resulted in regular wickets. Kaelan posted his highest post injury score in the semifinal, last over win, reaffirming his ability to compete under pressure.
Sammy Turkington	Sammy's natural leadership qualities and positive attitude were instrumental in building strong team moral and inclusiveness for all within. Often called on to open with economical

	<p>spells against the oppositions most capable batsmen, Sammy thrived on the opportunity and pressure that these moments presented. His ability to consistently spin and land the ball made many batsmen nervous and resulted in slow run rates and wickets for himself and fellow bowlers. Like many of his teammates, Sammy best performance with bat was in the finals with a better than run a ball 46 in the tied grand final.</p>
Adam White	<p>Adam's enthusiasm for the game and willingness to commit to extra training resulted in significant improvement with bat and ball throughout the season. As opening batsmen for most of the year, Adam's contributions at the top of the order provided great opportunities for the middle order to take advantage of tiring bowlers and fielders. Potentially the fastest bowler in the competition, Adams continual commitment to his training will result in great outcomes in the foreseeable future. In a game where wickets were hard to come by, Adam led the way in the semi final outcome with 2 on the day.</p>
Aidan Wilson	<p>Aidan's numbers with both bat and ball reflect his strong skill set in both facets, resulting in the award for All Rounder of the Year. In addition to his technical ability, Aidan possesses a tactical understanding of the game beyond his years. This allowed him to lead the team strongly throughout the year as captain and inspire many positive outcomes. Aidan's ability to perform under pressure was yet again on display in many critical moments throughout the season, none more than his 47 (off 35 balls) in a final over semifinal win.</p>

Anthony Macri	Anthony who led this team in the 2024/25 season always had positive encouragement for his teammates. What stood out for Anthony this season was the certainty of a wicket when the ball hit his glue-like hands in slips.
Archie Dobbs	Archie was a formidable opening bowler all season proving hard work, not only at club training, is the key to success in becoming the leading wicket taker. Archie's confidence in his batting abilities grew as the season progressed.
Benedict John Sibi	Ben being new to the team made his presence known not only at the crease but with safe hands in the field and ball in hand, all whilst making new friends along the way.
Charlie Farias	Charlie is the optimal team player who throws his arms around a teammate to share a joke and lift spirits. Having batsmen in all sorts of trouble at the start of the season was Charlie's secret weapon. The silly socks were always an anticipated highlight.
Elijah Pirie	Elijah will be known for taking some screamer catches this season in a parallel air-borne manoeuvre, putting his body on the line in the field. Elijah is commended for always turning up, working hard and striving to improve his skill set.
Flynn Salter	Flynn worked his way into the season, finishing with a bang. His speed on release of the ball in hand whether that be in the field or steaming in like a train had opponents fearful.
Lily Salter	Lily who is known as the teams smiling assassin delivered with the ball in hand and never took a backwards step.
Lucas Spragg	Lucas displayed how commitment to developing his skills brings results. He is a player who has a wise head on young shoulders and shared his love of country music with the team.
Owen Sweeney	Owen in his first season with the club was a quiet achiever who proved to fit like a glove into the team from the very first game. Throughout the season, Owen proved to be quite the versatile player.
Ronan Cosgrove	Ronan was a team player who was always prepared to take on the task thrown at him with poise and composure. Sporting some savvy sunnies and a bucket hat all year was his signature look.
Sri Aitipamula	Sri was capable with the ball in hand to take critical wickets at different stages of the game which turned the trajectory of matches.
William Barrett	William who despite being small in stature displayed he has a big heart for his teammates with constant encouragement and talking on the field. William has the patience and confidence to steady a batting order and is well known for putting his body on the line in crucial moments.

PLAYER PROFILES

Alina Tucker	Solid & reliable opening batter (best in the comp) gets better every year & a wicket keeper with massive potential when noticed. Alina made her debut in NSW Premier Cricket for Campbelltown Ghosts this year and is bound for great things.
Lacey Metcalfe	Break out season at multiple levels of cricket, especially NSW Premier Cricket for Bankstown & NSW CIS team, with Cricket NSW trials to come. Lacey is an off spinner like no other with a massive future in front of her, with her batting not far behind. She is an amazing young talent & an even better young lady, Captain material.
Hannah Metcalfe	Outstanding year for Hannah with personal best bowling figures as a result of years of hard work & dedication. Led our pace attack with fast & fiery outswingers every week & brings energy & voice that has to be seen to be believed. She also made the NSW Premier Cricket debut for Bankstown
Isabella Fazio	Amazing talent with both bat & ball & and a very important part of the side. Sheer pace with the ball & power with the bat, she struggled with injury this year & her stats don't represent the raw talent that she is. She also made the NSW Premier Cricket debut for Bankstown
Amelia Stucki	This girl has it all, energy that beggar's belief & talent across the board with massive potential. Steams in with the ball and has the motor of a Formula 1 car. The best fielder I have seen & her running between the wickets is next level. Amelia is the centre of the team & sets the standard every week. She is absolutely infectious & all the girls love her
Liviah O'brien	Tough, gritty & gives her all at everything she does. She opened the batting a handful of times at club when asked without hesitation & also opened at rep level & has great technique. A handy bowler that has a knack of picking up wickets when thrown the ball, she is always willing to do whatever the team needs & we are lucky to have her.
Olivia Fitzjohn	New to the team, Fitzy fit straight into our setup & craziness. She is a talented young fast bowler/fielder/batter. She also made the NSW Premier Cricket debut for Bankstown & we are proud to call her one of ours. She is a go to bowler when the team needs a wicket & a pleasure to coach.
Georgia Grubisa	Legend of a young lady who stepped out of her comfort zone to play 2 age groups up this year. Her hard work, dedication & willingness to learn is amazing. She contributed with a great pull shot & an impossible to play in swinger. An absolute cracker of a young lady to coach and was popular with the girls
Charlotte Warner	Destructive with the bat & infectious with her personality. Char is a crowd favourite & an amazing cricketer/young lady. She always set the standard with the bat, catching and talk in the field. She not only won games off the blade of her bat but many friends & admirers through the season, Including more often than not, the opposition. The heart & soul of our team, we would be lost without her. Any team would be lucky to have her, also made her debut in NSW Premier Cricket for Campbelltown Ghosts this year.
Eliza Tannous	This young lady is the most resilient & hard working in the team. She just shows up & digs deep every week. We are so proud of her this year, achieving personal best bowling figures & taking some amazing catches. She works hard at training & doesn't want to leave when working on her batting in the nets. She is a pleasure to

	coach & has a great attitude which rubs off on not only the girls but everyone she interacts with.
Abbey Bloomfield	Energy plus!! Abbey is an all-round talent who will do anything that is asked of her. Throw her the ball & she will bowl very handy medium pace all day & pick up regular wickets. A gun in the field & running between the wickets, Abbey doesn't drop catches & never gets runout. She is a must in any team for her all round ability & attitude towards the game & her teammates, also made her debut in NSW Premier Cricket for Campbelltown Ghosts this year
Sophie Stevens	Hands down a team favourite with her bubbly personality & ripping leg spin. She is safe as houses under & catch & hits a hard ball with the bat. Sophie is a coach's dream to work with & easily the most popular, a real team player.

Jessica Farrar-Roberts	Jessica brought energy and positivity to every match, always ready to give her best for the team. Her determination to improve, especially evident with her bowling, and willingness to support her teammates made her a fantastic team player. A deserved recipient of the coaches encouragement award this year.
Riya Ghai	The team's leading wicket-taker with 8 wickets at an impressive 8.25 average, Riya was a consistent bowling threat. Her ability to break partnerships made her a crucial asset to the team. Riya also brought a friendly and positive attitude with good determination to the team.
Moira Hallet	Being new to cricket Moira made the most of her opportunities and improved throughout the season, especially with her batting and fielding. Moira consistently supported her teammates and played with great energy.
Max James	Max contributed to the team with both bat (79 runs) and ball (6 wickets) while playing a key role in the team's highest 75-run partnership with Oliver. His calm demeanour under pressure and steady improvement throughout the season made him a valuable asset to the team.
Zac Niranjan	Zac played with determination and heart, always striving to better his game. His spin bowling and batting continued to improve throughout the season. Whether in the field or supporting his teammates, he was a reliable presence who could always be counted on to give his all.
Ryan Prakash	Ryan was always working hard to refine his game and improve in every match. His dedication and commitment to the team showed through his consistent performances with the bat, ball and wicket keeping. He never shied away from stepping up when needed.
Oviya Praveen Kumar	A representative player for U13 Dive Shield, Oviya brought a high level of skill and experience to the team. Oviya's batting was good and her left arm pace bowling was impressive. Her competitive spirit and disciplined approach made her an influential player within in the team
Jordan Pulikottil	The team's top all-rounder with 124 runs, 5 catches, and key contributions in bowling (5 wickets), Jordan's ability to turn games around with both bat and ball made him one of the team's most valuable players. Jordan brought a lot of energy to the matches which complimented the team.
Lucien Sault	Lucien stood strong behind the stumps, taking four catches and proving to be a reliable and agile wicketkeeper. His bowling continues to improve and he would often get crucial wickets when called upon. His energy and desire to do his best provides a good competitive edge to his game and to the team as a whole.
Nikita Singh	A determined and enthusiastic player, Nikita's willingness to learn and improve was evident throughout the season, with her best batting performance coming in the last game. Her spin bowling often caused issues for the opposition and her fielding was very good.

Oliver Spurl	Oliver was the rock of the batting lineup, scoring an impressive 143 runs and showing great patience and skill. His ability to build partnerships and stay composed under pressure made him the team's leading run-scorer and a key player in the squad.
Emily Taylor	Emily made a comeback to cricket this year and showed a lot of enthusiasm and determination to improve her game. Emily's batting was solid and she picked up 5 wickets with her bowling which improved throughout the year. Emily brought a positive attitude to each match.

This season was a big learning curve for the boys, everyone took the challenge and never failed to give 100%, we had 3 new players join the team who fitted in well. Although the finals didn't come for us, the whole team should be proud of what they achieved as individuals and as a team.

PLAYER PROFILES

Ryan Charlton	Being the Captain, he lead from the front, bowling his heart out every innings and solid with the bat and fielding. Great effort Ryan.
Rocco Daniels	Great season Rocco, with the fantastic ability to read the game, your wicket keeping and batting was a solid effort. Keep up the great work Rocco.
Daniel Hine	Second season with the team, we got to see this season how you have been building on your training this year. Keep at it Daniel.
Cooper Hoogenboom	Found his place opening with the bat with same great inning scores, reaching his highest of 65, also great bowling and fielding. Thanks for the season Cooper
Dylan Madden	Great season in the field with his fantastic hands, in at close slips & square leg. It was unfortunate to be carrying an injury through the end of the season which impacted his bowling and batting, but he never let the team down. Great to have you in the team mate.
Andrew Mooney	Great effort for his 1 st season of cricket, his improvement in all aspects of the game was very satisfying to watch, with always improving and willing to learn from all 3 coaches. A pleasure to have in the team.
Joshua Nicholas	New to the team but an old hand in the game. Joshua brought a load of knowledge to the team and topping the batting & bowling showed in the results with the impact he had on the team. Thanks for the great effort Joshua.
Ryan Parry	Best season yet with the bat, new highest score and greatly improved in the bowling as well as those safe hands in the field, with that great arm getting the ball back to the pitch. Massive improvement Paz, keep it up.
Luke Prior	Provides energy to the team in the field with support with something to say to the opposing batsman. Luke is the go to when a wicket is needed with his sneaky slow ball, also very solid in the field with great hands and a sharp throw to the stumps. Love having you in the team mate.
Farzan Qadeer	Great season with ball & bat, our only spinner challenging the opposing batsman in every game, another very vocal player in the field being a pest to the opposition and great support to his team. Keep up the great work Farzan.
Jack Ruddick	Another new player who is new to the game, very willing to learn and always working on improving. A big task playing Div 1 for your first year, but you should be very proud of yourself. See you next season Jack.
Austin Smith	Full of energy every time he stepped on the field. Sold with bat & ball as well as being sharp in the field, always being able to say something to the opposition. Great season Austin
Michael Woolley	Second season in and a great improvement for you in all aspects of your game, highly involved in the field and would bowl at everyone if he could. Great effort mate.

Although the boys only managed 2 wins for the season, they were in every single game they played. If a few key moments in tight games went our way the boys would have managed a few more wins. The boys improved week in week out and were a great bunch to be around. All the parents were supporting of the team and happy to help out when needed, which as a coach I am extremely grateful for.

PLAYER PROFILES

Consunji, Giles	Giles was our rock at the top of the order. His 147 was a standout. A chanceless innings and even walked after the umpire gave him not out. Finishing with 3 50s and a 100 and a total of 413 runs, he easily took out the best batting award. His knowledge about cricket helped the boys throughout the year which I know they were all appreciative of.
Langdon, Max	Max had a decent year, with some stand out moments including a 62 run innings. Max is always happy to assist the less experienced boys in the team, which they all appreciated. A very keen all round cricket, with all the skills to come an excellent cricketer
Baxter, Nate	This is my second year of caching Nate, and his improvements during this time has been great to witness. Nate had the captaincy thrown at him at the start of the season, which he took onboard and embarrassed. Nate is a very handy allrounder and I can't wait to see him in seniors over the following years. He also achieved his 1 st 50, with a 63 in the year.
Huda, Md	A boy of many talents. Some good performance throughout the year. MD is at a stage where he just needs to fine tune his skills and understand the tactics of cricket. MD remember "you don't need to get a wicket every ball 😊"
Charlton, Ryan	A terrific young man, who played the whole season at the age of 15. Ryan performed well all year in all aspects. He now needs to focus on the little things to help his skills. A smart cricketer who was always willing to listen.
Burfitt, Ryan	Ryan only played a handful of games due to rep cricket. A very skilful all-round player. Ryan finished with the best team bowling figures of 5/22 and an excellent 87 with the bat – both in the same game 😊
Smith, Anthony	Anthony is a quiet achiever but has a lot of skills and ability that he can work with. He has the ability to become a very handy/dangerous leg spin bowler. The skills are there, and with some refinement in senior cricket he will shine. Anthony was also one of the best talkers on the field which is a fantastic attribute to have at this age.
Hoogenboom, Cooper	Another quiet achiever, but a handy all-round cricketer. A very well made and patient 50 during the year was a stand out. With some extra work on his bowling and action, he will become a very handy all round cricketers.
Bradley, Deon	Took out the award of best bowler. His bowling throughout the year went from strength to strength. His ability to just bowl a decent line and length is something that most young bowlers take years to perfect. A handy batter on his day but needs to focus on his defence to build longer innings.
Prior, Matthew	A great young man to have in the team. A great talker on the field and always willing to listen and take advise. With work his keeping will continue to improve. But Matt is also a very capable bowler. Decisions, decisions 😊
Querci, Braiden	An absolute pleasure to coach Braiden in his first year of circle. His fielding was an absolute standout throughout the year and was the most willing in the team from ball 1. His bowling and batting improvements were very impressive and far out seeded my expectations. He had the honour of taking the new ball in our final game and was outstanding. He finished the year with an amazing catch which just confirms his dedication and improvement.

First Grade

Captain: Kieren Ross			
First Grade underwent some personnel changes this season, with a handful of young players and multiple debutants making significant contributions throughout. Our game was anchored in a strong team culture, and although we felt capable of beating any side in the competition, we unfortunately lost games we should have won and were dealt the short straw with some washouts, costing us a place in the finals. While we had some exceptional individual performances, we need to focus on performing collectively and more consistently if we want to win a premiership. I am confident that this side will continue to grow and achieve success in the near future.

PLAYER PROFILES

Myles Aston	Myles had another strong season with bat & ball. His ability to adapt his batting to different situations and consistently take wickets was vital for the team. On favourable pitches, his bowling was nearly untouchable, and his positive approach to batting is something that should be continued moving forward.
Luke Eagles	Luke might say he didn't have a great season, but he still made significant contributions in most games and holds some of the best stats in the team. His passion for winning and accountability standards, combined with his calm presence on the field, had a strong impact on the team.
Mathew Halpin	Halpin wasn't available for most of the first half of the season, which limited his chance to find his niche as he did in previous years. Despite this, he showcased his versatility by bowling at different stages. His energy and positive mindset were infectious, making him a pleasure to have on the team. Decent average with the bat as well.
Adam Harvey	Adam had an outstanding season, emerging as our top run-scorer. He displayed a perfect blend of elegance, patience, and aggression with the bat, expertly summing up situations. He didn't look like getting out most innings this season and made for enjoyable viewing against the best bowlers in the competition. Adam has set a new benchmark for himself; he is only going to get better.
Thomas Hodge	Hodgy had another superb season, opening both batting and bowling he had the ability to set the tone of the game through his aggression and class. He refined his stroke play, batting straight and for long periods, and found a balance in his bowling, switching between aggressive bowling and partnership bowling with line and length deliveries. He was also our best fielder this season – all rival clubs fear playing him.
Khai Hughes	In his debut grade season, Khai made a strong impression on the team early on. He consistently demonstrated a willingness to compete hard, contributing with both bat and ball even in challenging situations. A reliable fielder with a great mindset, Khai's potential is evident. With more exposure to senior cricket, he'll be one of the players to watch.
Kieren Ross	I'm grateful for the support I've received this season. Although it was tough not making the finals, the experience of leading a young side has been rewarding. Watching our players grow and perform well by the season's end was a positive sign. It's been a challenging journey, but I'm optimistic about the future of the side.
Joshua Ryan	Josh faced some challenges at the start of the season, but he worked hard on his game and turned things around brilliantly, ending with an impressive 20-wicket maiden season in first grade. As his confidence grew, he found the right areas to bowl, both to take wickets and to bowl in partnerships. With more experience, Josh is set to become a formidable force on turf wickets.
Lachlan Saunders	Although Lachlan didn't get many opportunities to bowl this season, he made the most of his chances by delivering in really good channels. With the bat, Lachlan had a strong season, often coming in under significant pressure. He showcased his versatility by playing some very defensive innings and some intelligently aggressive ones, proving his adaptability and skill.

Matthew Saunders	By his standards, Matt had a slightly disappointing season with the bat. Even still, he still managed to play some very attractive innings in the top order. Matt always finds a way to contribute to the team both on and off the field and helped me out a great deal throughout the season. He brought energy in the field and created opportunities out of half chances. Once Matt puts away the lofted drives early in his innings, he has the potential to be one of the best bats in the comp.
Yuvraj Singh	Yuvraj consistently has a good season and stands out as one of the most reliable players I've played with. He's a strong competitor with bat, ball, and in the field. Opposition teams often underestimate Yuvraj, and he always capitalises on this opportunity. His line and length bowling is superb, and his batting has helped us on more than one occasion this season. He's a pleasure to captain and is the sort of player every team needs.
Brad Terry	Brad opened the batting all season, often facing the toughest bowling of the innings. He showcased his class in some big innings throughout the season but ultimately lacked consistency with the bat. Brad has all the shots, and with a little luck, a 500-run season is on the cards. He also kept for us this season and did a superb job – putting his body on the line, taking some incredible catches, and creating opportunities with his ability to stand up to the stumps. Another great contributor to the team.

Grand Final Winners

Captain: Roger Cubitt			
After a slow start to the season where we were in 5 th place after 7 rounds, we started to click and only lost one more game in the second half of the season. We finished the season in 2 nd place and had some real momentum heading into the finals. Our semi-final win was a highlight of the season with some amazing individual and team performances. We followed that up with a gritty team performance to win the grand final in an amazing end to the season. Well done guys!!

Jacob Cubitt	Jacob had an excellent all round year scoring 174 runs at 24, taking 17 wickets at 16 and taking 9 catches. Made a brilliant 92 in the semi-final to get us over the line. Bowled some great spells throughout the season, probably none better than the Grand Final taking 2-18 off 15 overs straight. An excellent season!
Joel Cubitt	A very talented hard-hitting batsman who bowls with very good pace and is excellent in the field. Played some good innings throughout the season highlighted by a brilliant 68 in the semi-final in a partnership of 140 with Jacob, and another important partnership with AC in the Grand Final to get us over the line. Bowled well without much luck for much of the season. Leading the catches with 13.
Roger Cubitt	Had the pleasure of leading a great group of guys who really clicked into gear in the second half of the season. Had a handy year with the bat, a couple of catches and a wicket with some wily off spinners rounded out an enjoyable season personally. Some great cricket, some great times off the field and whenever our backs were against the wall there was always someone putting their hand up to dig us out of it.
Vineet Pulikottil	Just classy. Vin is a top order batsman who is always in command as soon as he walks to the crease. Made a brilliant 95 in round 12 and bowled really well when the team needed him. Very smart cricketer who reads the game really well. 257 runs, 8 wickets and 5 catches rounded out an excellent season.
Wayne Robertson	Robbo bowled beautifully all year with the new ball, taking 15 wickets at an average of 21 and taking 3 catches. Robbo is a far better batsman than the statistics would suggest, and for the second season in a row he hit the winning runs at a crucial time in the Grand Final to dig us out of a hole. Awesome team man and great all round cricketer.
Brodie Roth	Classy opening batsman who played some good innings to get our innings away. Got off to plenty of good starts, didn't quite nail that big score that looked like it was coming all season. Was a model of consistently scoring 264 runs at 26 and took 8 catches. Looked in complete control at the crease and was rarely troubled. No doubt those big scores will come next year.
Jacob Beggs	Beggys is the ultimate team man, happy to do whatever is needed for the benefit of the team. Bats, bowls, fields, scores and umpires when needed. Has plenty of talent and deserved more opportunity with the bat. Bowled exceptionally well, usually doing the grunt work with the ball and was incredibly unlucky to only take 12 wickets, deserving much more. Exceptional in the field.
Clint Harding	Chook found his home in the middle order and played some great cricket in the second half of the season. Played two important innings in the semi-final and Grand Final and bowled really well when the skipper gave him the opportunity! Very solid in the field and was very good as our back up keeper. Great all round year mate!
Andrew Cillero	AC is a genuine all-rounder - bats, bowls and is great in the field, always contributing to the team. Made an excellent 57 with the bat against Cobbitty

	and took 2 five fa's with the ball, taking 20 wickets at an average of 11.8. Part of an incredibly important 46 run partnership in the Grand Final with Joel which won the game for us. Well done AC, great season!
Conor Canty	Conor is a top order batsman and very accomplished keeper. He was great behind the stumps all season and was a much deserved Player of The Match in the Grand Final to cap off a great season. Confidence grew with the bat as the season went on and played some very important innings in the back half of the season. Plenty of runs will come next season for a quality player.
Trevor Curry	After a few years off, Trev hit the ground running from early in the season. Took the new ball for much of the season and bowled some beautiful spells. Trev was our leading wicket taker with 21 wickets at 16, with a brilliant spell of bowling in the Grand Final taking 2-8 from 11 overs in tough conditions. Needs more opportunity with the bat. Great team man!
Brett Chandler	Brett joined us just before Christmas after injury hampered his start to the season. Didn't get the runs that he is clearly capable of, but they will come next season. Just a great guy to be around and a key ingredient in our side coming together for the second half of the year. Runs aren't far away.
David Simpson	Like Brett, Simmo joined us just before Christmas and found his home opening the batting. Made an excellent 53 against Willowdale and got plenty of starts, including the semi-final and Grand Final. This was Simmo's first season back after a lengthy break so he will be much better for it next season. Great to have you back Simmo!
Declan Quigley	Dec also joined us before Christmas and played up until the semifinals. Showed his quality with the bat and ball in his first game back making 62 and taking 4-21 against Cobbitty. Quality all round player who bats and bowls well and is very good in the field. Hopefully he is back next year!

Captain: Lewis Hudson			
17.2! That is the average of this team, most are still in school. For some, it was only their 1 st or 2 nd season playing senior cricket. Having that youthful energy and confidence, mixed with plenty of talent, we really showed that we could beat anyone when we put our mind to it. There were contributions from everywhere as can tell by the total of everyone’s player’s player points. We had some good results throughout the season, holding 1 st for a while, winning 2 matches outright in the first 5 rounds really helped. Had a couple slip ups through the season, but what these boys did really well, was bounce back just as quick and as strong the next week. There was probably no expectation on the team being such a young side, but we showed the ability there is to offer by making it to the grand final against a strong 1 st place Tahmoor, narrowly losing but we took it to them the whole way, certainly had them worried. Certainly, a great season around, and will be bigger and better for it next time round, plenty of baggies to come for these guys to come.

PLAYER PROFILES

Oliver (OF) Franklin	Pretty good year from Oliver, probably didn't get to shine as much as he would have liked, but that's not him, more so the strength in some of the other players. Got a couple opportunities to open the bowling during the year, taking 4fa against Tahmoor. When he gets the ball full and moving, can be hard to face.
Caleb (the athlete) Gascoigne	Caleb always showed potential, playing a traditional role of opener, with some textbook looking shots. It's not an easy job, and he had some good innings throughout, including when he got his first ever 50 in round 5 and a super solid 50 from 160 in the semifinal to really tire the bowling and set up for a good chase. Work on his power hitting and he will be the total package.
Lewis (Skip) Hudson	Honour to captain, thoroughly enjoyed the season. Really hope to go again with these boys.
Zach (Cashew) Moroney	Zach had a slightly slow start to the season, coming back from a back injury. But when he got going, boy it was fun to watch. Some scary, fast bowling. Coming from a mere height of 6 foot 8, he got the ball doing wonders. Sending stumps everywhere. Really felt for the bloke from Ingleburn who turned his back to one, leaving it to hit on the back of the calf, LBW 1 st ball. With some fine tuning of bowling to a plan, he will be the ultimate opening bowler.
Jake (Beta) Murray	Jake had a stella season with the gloves, always just so clean and quick behind the stumps, probably just needs a little work judging skied balls. Jake also had the difficult task of opening the batting with Caleb, and again, looks the goods, had some starts, just couldn't hold onto go for a big one. Has good defence and can also flip the switch very well and play some nice attacking shots, maybe to going a bit early. I hope he keeps at it because I know he has it in him.
Joel (Drongo) Parish	Do not have a bad word to say about Joel, such a great positive guy to have around. He was another one who didn't get to shine as much as liked, again nothing on him. Joel was also severely struggling with back problems all season, but that did not stop him from putting his best foot forward, doing what he can for the team and for the club. Had a couple super solid innings late on the season with the bat, batting time doing his best to avoid an outright loss, did not go unnoticed. I really hope he recovers with his back and keeps in the game, because it will be to everyone's gain.
James (Jimmy) Reid	What a season for Mr 4fa. In the top 3 for both batting and bowling. A great influence in the team. With the bat, he would come in middle order and could either steady the ship or just blow away the attack with some clean hitting. Hit back-to-back 50's before the xmas break. Then with the ball, for most of the season he was nipping at his brothers' heels for leading wickets, but we could always count him to break a partnership or apply some pressure with a few maidens. Needs to give himself more credit than he does. Love how he wears his heart on his, with his never give up attitude.
Tom (Tommy gun) Reid	Apart from a very exciting 71* off 51 balls, probably wasn't Tom's best year with the bat to his standards, but WOW!!!! What a season with the ball! 39 wickets at an average of 8.9. taking 2x 5 wicket hauls including 10 wickets for the match against Willowdale round 12. Really leading the way from the front, puts pressure on any batter from the start and for long periods at a time. Seeing how Tommy has blossomed in the last couple years is really enjoyable to see, and to be apart of that, could not be more prouder and happier for him.
Tom (Savage) Robertson	Tom was his own worst critic, but that just goes to show the high standards he sets for himself. He was Mr Economical, bowling maidens for fun, lost count of how many times he beat the outside edge of narrowly missed the stumps. Despite not getting as many wickets as deserved, Tom was constantly applying so much pressure with the

	new ball, when he comes off bowling restrictions and can bowl long spells, he will be lethal. His hard work finally paid off, getting a 5fa in the last round of the season, the joy and excitement everyone had for him really showed how much he deserved that and bowled so well over the season.
James (Spinfield/ spinny) Sinfield	James showed true class with the bat scoring a couple handy 50's throughout the year at the top of the order. Looks like he's not far away from going on to score the big 100 in the near future. He was also Mr reliable in the field and with ball in hand. He would really assist in squeezing the opposition, putting as much pressure as possible. He would bowl quick overs and bowl for long spells, get nice drift away, getting the batters reaching out in front, catching the edge a few times and drawing a couple stumpings too.
Tex (Texas ranger) Thornton	Never a dull moment with Tex in the side. He was the youngest in the side at 15 but fit like a glove. Very handy up and coming leg spinner. He could get unbelievable amounts of turn, and when he slowed things down slightly, he really caused havoc. His hard work paid off, being in the top 3 wicket takers for the team and taking his first ever 5fa against Cobbitty Narellan in round 7. He could also score some handy runs in the tail end. Future is bright for Tex, just need to keep tracking devices on his personal items.
James (Tiddles) Tidy	James was another strong contributor the team. With some handy innings in the middle order, just had this incredible ability to flick the ball to all parts of the ground, very Glenn Maxwell like. James had a couple opportunities to show case his skills in 4 th grade, scoring 44 against a strong westerners outfit. From all accounts, he was loved by all in the team and slot in nicely. James was also very strong in the field, could literally have him anywhere, even had his first taste of bat pad in the GF. Had safe hands and an absolute rocket of an arm, unlucky not to have more run outs, certainly no quick singles on his arm. Must be a trick to have 2lt of choccy milk every game day.
Cooper (The GOAT) Tomlin	My right-hand man. While Cooper took a while to get into the season with injury and work, he certainly made up for it with his leadership in the field, his calmness and experience in the game really had a positive impact on the boys, particularly young Tex being a fellow leg spinner. Then when a recovered from his shoulder injury, in his first involvement, took 5fa and a handy 25 coming in at n.o 3. Coops is sort of a hidden gem, only because he hasn't been able to have a full season in a while, I know what a serious player he is, and if he had a couple full seasons and could really work through the gears, there is no stopping him.

Jack Constantine	Jack's outstanding wicket-keeping skills were on full display again this season. His sharp glovework and quick reactions behind the stumps made him a reliable asset. With the bat, luck didn't always go his way, but his top score of 20 showed grit and promise.
Tim Constantine	Gentlemen, What a season! I can honestly say that playing alongside each of you this year has been one of the most rewarding experiences of my cricketing life. Week in and week out, I watched each of you bring everything you had to every game. I've always believed that cricket is more than just a game; it's about the memories, the banter, and the mateship we build out there in the middle. From the first ball of the season to the last, I've been proud to share that field with you. Looking forward to next season already.
Jonathon Davidson	Jono's patient approach at the top brought stability to Camden's starts. His best of 35 may not seem huge, but his class and intent set the tone. Though, if there was an award for hitting it straight to the fielder, Jono might have been a contender! With 9 catches to his name, he proved himself a reliable hand in the field as well. Some would say the best fielder in the club.
Jacob Evans	Two fifties and a high score of 55—Jacob's year was full of gutsy knocks. His impact wasn't just with the bat; he also claimed 12 wickets with a best of 4/15. A genuine all-rounder, his presence lifted the side in both departments.
Samuel Giltrow	You won't find many better fielders in the comp—11 catches says it all. Sam was a consistent performer with the bat opening pretty much all year, scoring 265 runs with a high score of 74. His sharp hands made him a reliable fielder when it mattered most.
Benjamin Harris	Benny continued his reputation as the team's go-to all-rounder. His skill with the ball unsettled top orders, finishing with 46 wickets—the best in the comp. His 6/5 bowling masterclass was a standout. His knock of 50 came just when the team needed it, showing his dual threat with bat and ball.
Hunter Nicholson	Hunter spun a web this season, picking up 9 wickets with precision and patience. His best of 4/11 was a standout spell, showing his ability to control the game in the middle overs. Dependable, focused, and quietly deadly.
Greg Pinnington	Greg brought control and cleverness to the bowling attack. His seven wickets were hard-earned, with a best of 3/19. A team-first cricketer, he chipped in with 129 runs often at crucial times and remains one of the best slip fielders in the team, if not the world.
Paul Sheehan	The engine room of the team, Paul brought relentless speed with the ball and hard-hitting aggression with the bat. He was the kind of player who was attacking regardless of the situation, always stepping up when the team needed a spark or a breakthrough. His average of 29 reflected his

	consistent contributions, with a top score of 55. Paul also chipped in with 6 wickets but unlucky not to get more.
Adam Shields	Adam didn't get many chances with the bat, but when he bowled, he made it count—claiming 7 wickets with a best of 3/5. His disciplined lines and sharp fielding kept Camden in many games. A genuine lover of the game whose passion is always evident to all within earshot.
Jayden Shields	Jayden had a season that mirrored his personality, confident, focused, and determined. With a top score of 94, he was just shy of a maiden ton for Camden but made sure to leave a mark on every innings. Regularly anchoring the top order, his forceful stroke-play and consistency saw him notch up 288 runs. Jayden's bat did most of the talking this year—and it spoke loudly.
Wyatt Taylor	The silent assassin with the ball—Wyatt took an incredible 25 wickets with a best of 5/36. His aggressive lines and sharp movement troubled the best of batsmen. A true strike bowler for the team.
Glen Tipping	The silent destroyer. Glen only played a handful of games, before injury ruled him out, he made those few games count—his 101 not out was a masterclass in patient aggression. Glen was the definition of efficiency, averaging 165 with the bat. All class!

Scott Fernando	Scott was great to have around the team, encouraging the young ones on and off the field whilst bamboozling the opposition with his spin bowling. Best moment of the season for Scott will be scoring the winning runs in a last wicket partnership with Harrison
Harry Feutrill	From the first game, it's been a cracking season all round for Harry with runs, stumpings, catches and run outs. If there was a spirit of cricket award, Harry will win it hands down, by correcting a couple of umpires decision of out when he flicked the bails with his gloves. Great testament to how Harry plays the game.
Rod Feutrill	A 6-fer in the first match and looked like he was starting from where he left off last season. Unfortunately, an injury set in early season, which prevented Rocket Rod from bowling and hampered his batting for most of the season. Still didn't stop him having a good season and sure he will be getting the big runs on the board again next season.
Mark Gibbs	Great knock in the first match of the season with his first ever 50. Reliable in the slips and loves the banter. Another player who loves encouraging the young players and unselfishly giving them a chance to play.
Hish Hamdan	Hogging the bowling and tying up one end with the reliable 'spin' bowling, taking over 20 wickets again. Frustrating season with the bat compared to previous year. A lot of lessons taken out being captain but loved having the young ones around and giving them the opportunity to shine with bat and ball.
Oliver Kendall	Dangerous batsman scoring plenty of runs and plenty of sixes. Bowled really well in some spells but needs a little bit more experience bowling at senior level and he will be a potent all-rounder. Another of the young ones that we are looking forward to seeing play in the upcoming seasons.
Joe Limbrey	Such a great player to have around the team who is passionate on and off the field and just loves playing the game. Didn't get too many opportunities with the ball but loves to bat and being out at the crease, with a few runs on the board. Panther led the rankings for most outfield catches.
James McFarlane	Jimmy has been reliable opening the bowling and once he gets into the swing of it, there is no looking back! Unlucky not to get more wickets but surprised us all on the field with a couple of his worldie diving catches in the outfield! Frustrated the opposition with his batting style with a great knock later in the season to get his 50.
Jason Page	Pagey was a ball magnet out on the field with the batters finding a way to smash the ball towards his direction. Maybe didn't get as much bowling as he would like, and unlucky with the bat at times, but he did hit a great 50 with a great partnership with Jimmy.

Ninth Grade Blue

Captain: Simon Huntly

The core of the side had been ploughing away for the past couple of seasons and, despite not being reflected in the win loss columns of our ventures in 10th grade and the one-day comp over the past 2 seasons, this season was an appropriate reward for our efforts of the past 2 years with an undefeated premiership. The addition of a mix of “comeback” experience and new additions saw 9 Blue go through the season as undefeated premiers. A lesson in persistence and patience certainly paid off and the natural development of the players who started in seniors 3 seasons ago was a highlight throughout the year. Thanks to Richard and Mark who filled in as skippers at various times throughout the year and to all members for their camaraderie and great team spirit.

PLAYER PROFILES

Andrew Mooney	A promising Junior who assisted his big brother for 4 games plus 2 fielding duties. Looking forward to seeing his continued involvement in seniors over the coming years. 3 wickets, 1 run.
Bernard Riley	One of the experienced members backing up for a third season. Bernard's experience and sense of team provided great support and modelling for our younger brigade. 8 games, 152 runs, high score of 92. 1 wicket at 1.
Joel Fehrenbach	Joel's first full season of seniors saw him open the bowling in all games, highlighted by some lightning quick spells and the development of some fantastic outswing over the course of the season. Was unlucky not to take more wickets but showed great consistency throughout the season. 12 games. 50 runs at 12.5 with a high score of 31. 13 wickets at 17.92 with best figures of 2-11.
Josh Vella	Returning to cricket after a spell of a few years, Josh's contribution with the bat was outstanding. Over his 8 games played, he scored 502 runs at 125.5, including 2 centuries and high score of 175. He also took 8 Wickets at 18.13.
Keegan Jones	A newcomer to the team and the game, who had the fortune of playing his first season of cricket with his father-in-law. Cricket became just another string to Keegan's "Sportsman's Bow", with him playing 11 games, taking 8 wickets at 14.5, 14 runs with a high score of 12. His multi-sport skills and commitment to training saw him exceptional in the field, where he took a team high 9 catches.
Lachlan Selby	Another of our third year juniors, Lachlan was our second leading wicket taker with his left arm orthodox claiming 22 wickets at 6.64 in 11 matches. He also showed increasing confidence with the bat, scoring 225 runs at 37.5, with a high score of 79.
Luke Vella	A first season full timer, who obviously has taken some good tips from his older brother in the backyard. Luke played 9 games and scored a total of 138 runs at 19.71 with a high score of 51. His composed approach to batting was crucial in the Grand Final, where his 31no contributed significantly to us posting a challenging score for the opposition.
Mark Jacobs	One of the old timers, Mark's contribution with bat, ball and fielding provided important momentum for us at various times throughout the season. His willingness to fill in as captain and be his son's bunny in the nets were also key factors in our success this season. 11 games 103 runs at 14.71, 9 wickets at 14.44. High score of 41.
Oliver Tyshkovsky	Another of our 3rd year players, Oliver again demonstrated great improvement in all areas of his game. His disciplined bowling and focus on the flow of the game kept the skipper's on their toes and considered with his thoughtful suggestions. His "Dead Man" play against Westerners which led to a run out was one piece of magic in the field. 13 games, 9 wickets at 15.22 and 11 runs with a high score of 8.
Ray Zammit	A welcome addition to the team and the club after a 5 year spell. Ray's experience as a player and a tactician were valuable contributions to the team, not to mention the addition of a talented son-in-law and a scoring maestro daughter. Despite suffering an injury coming off the long run early in the season, Ray was a steadying influence with bat and ball throughout the season, taking 5 wickets at 18.2 and scoring 98 runs at 24.5 with a high score of 55 in his 8 games.

Richard Blachura	Coming off a serious knee injury, Richard eventually got to play 7 games, scoring 127 runs at 42.33 including a high score of 91 (not quite as many as his son). He also took 3 wickets at 13.33. Another of the more “senior” members of the squad, Richard’s leadership, enthusiasm and skill have been significant in the evolution of our squad over the past 3 years.
Riley Jacobs	Another of our 3rd year juniors, Riley certainly reaped the rewards of a continued commitment to improving his game. He was outstanding with both bat and ball. In 13 games, he scored 427 runs at 38.82, with a high score of 139. As one of our opening bowlers, he also took. 30 wickets at 6.7 (which does not include 2 5 wicket hauls in the semi and grand final).
Simon Huntly	The oldest member of the team was able to unlist himself from the bowling attack and have the best seat in the house in the slips as the young bowling attack went about their business and the batters put on some exceptional displays.Minor injuries, umpiring duties and player rotations kept him to 7 matches - scoring 183 runs at 36.6 with a high score of 68 no.
Thomas Blachura	Tom’s 3rd year saw him play 12 games, scoring 285 runs at 25.9. His season highlights included a high score of 98 against Oran Park in Round 2 and a man-of-the-match winning performance of 68no in the Grand Final. As our first choice wicket keeper he took 9 catches, made 2 stumpings and also showed his versatility by taking 3 wickets at 4.67 with some hard to pick bowling.
Thomas Mooney	After filling in for a range of teams in the previous season, Tom committed to full time with the eventual premiers. His 9 games saw him post 56 runs at 18.67 with a high score of 23. His right arm medium pace claimed 5 wickets at 19 and was extremely unlucky not to have taken the final premiership clinching wicket of the season after providing a number of chances. Has a promising future in the club.

We may have only snagged one win, but we played like champions in spirit every week. Despite the results, the team never dropped their heads — just the occasional (well actually frequent) catch! We stuck together, worked hard, and had a heap of laughs along the way. A great team who backed each other from first ball to last and made every game something to look forward to.

PLAYER PROFILES

Sarah Howard	Honoured (and slightly surprised) to be named captain this season. A huge thanks to the team for backing me. I managed to snag a few wickets (after accepting I needed a shorter run up) and, more importantly, figured out batting. Retiring the cross-bat shot made a big difference!
Lachlan Carter	Came back to the game after a break and made an immediate impact with big scores and steady performances. Always happy to help the team — even jumping in to wicket keep when needed. A quality spin bowler with great control and a positive attitude that lifts everyone around him.
Geoff Charlton	The team’s unofficial morale officer — always good for a laugh and a one-liner. Snuck in a few surprise batting heroics just when we needed them most (usually after announcing “I’ll probably get a duck”). Despite plenty of encouragement, he firmly avoided any bowling duties — entirely by choice!
Ryan Charlton	One of the team’s most reliable bowlers, sending down countless maidens and always building pressure — deserved way more wickets than the stats show! Also chipped in with the bat, showing solid technique and a few standout innings when the team needed runs. A quiet achiever who always gave it everything.
Conor Dowling	Easily the loudest player on the field — kept the energy (and commentary) going all game! A talented batter when he avoided the occasional duck, and an outstanding wicketkeeper who barely let a bye slip past. Couldn’t quite decide between pace or spin, but somehow made both work with plenty of success.
David Howard	Spent most of the season holding down the slips cordon — even if a few catches did sneak through! Brought a unique loopy bowling style that kept batters guessing and always helped lift the team’s spirits, no matter the scoreboard. A positive presence and great team player all season.
Thomas Hyam	A promising young player, new to the seniors, with a tricky spin bowling style that deserved way more wickets than he got. Over the season, his fielding skills improved noticeably, and his constant chatter and positivity kept the team’s energy high. A great attitude and plenty of potential for the future!
Lucas Metcalfe	A seriously fast bowler that had the team glad they weren’t facing him! Even the keeper was feeling the pressure when he was in action. Hit his highest score with the bat this season after putting in the hard work all year. Also showed solid skills in the field, proving he’s a threat in all areas of the game.
Michael Rigby	He might’ve started slow, but by the end of the season, he was hitting his stride, with a solid 35 in round 14. Square leg is his favourite fielding spot, and after his batting performance and solid fielding all season, he’s definitely earned it for next year. Can’t wait to see him back out there!

Trent Tucker	A solid batter who lost his stride a bit in the second half of the season but made up for it with the ball — finishing with the most maidens in the team. The definition of a players' player: reliable, hardworking, and always putting the team first. Can be his own toughest critic, but his talent and impact on the game speak for themselves.
Jeremy White	A consistent top-order batter who always gives the team a solid start. Sharp in the field with great hands and plenty of energy. Didn't have much luck with the ball this season, but always puts in 100% and looks to help the team wherever possible including picking up the keepers gloves for the first time.
Michael Woolley	Had some standout bowling innings throughout the year — when he was on, he was tough to face and made life hard for the batters. The bat didn't always cooperate, but he showed up every week, gave it everything, and was a reliable presence for the team all season.
FILL INS	Huge thank you to all our fill ins for the year; Rocco Daniels, Hannah Metcalfe, Lacey Metcalfe, Flynn Salter, Dylan Madden and Lawson Sutton.
