Team Statistics - Under 10 Red

Coach: Kurt Dreyer		Manager: Peter De La Mare	
<p>Congratulations to our team successful season! With all the players contributing at some stage, it's no wonder we went undefeated premiers. Their skill and dedication undoubtedly contributed to the team's success, leading to many dominate victories throughout the season. Keep up the hard work and I'm looking forward to seeing you all continue to develop.</p>

TEAM AWARDS

Batting Award:	Ray James
Bowling Award:	Lincoln De La Mare
All Rounder Award:	Zac Turner
Coaches Encouragement Award:	Archie Hodson

Player Profile - Under 10 Red	
Isaac Dreyer	Isaac is very passionate about his cricket; he loves hitting the ball hard and bowls great outswing shape and will take plenty of wickets once LBWs come into play. He is one of the leaders in our team and I can see he will be for many years to come. I'm proud of you buddy keep on working hard.
Lincoln De La Mare	Lincoln was one of lead wicket takers this season, bowling his inswingers and taking pole out of the ground regularly. Also, his very handy with the bat playing the on the ground and not giving his wicket up to the opposition. Another leader in our team he had the honours leading the boys in our GF.
Archie Hodson	Archie was one of our new players this season, he was a valuable player in our team even taking on wicket keeping duties. His development throughout this season was the best. He took a bag full of wickets with his bowling and loves hitting boundaries when his batting.
Ray James	Ray was a coach's dream, nothing was too hard, he loved the pressure and would do anything for his teammates. A great leader. An aggressive batsman who hit plenty of runs for us this season. Ray would not hesitate to put the keeping gloves on and can also turn the ball with his bowling.
Jack Miller	Jack, the player of the match in our GF and well deserved. Jack is our youngest team member and a new player this season. He works hard at every game and at training sessions. He can turn the ball with his bowling, he can also play some great cricket shots when his batting and an asset in the field.
Will Sawyer	Will was another new player for our team this season. Will loves playing cricket and has so much potential. He works hard at every training session and at game days had some great results. He loves hitting the ball hard when batting, and when bowling surprises, the opposition batsmen with his pace.
Zac Turner	Zac would put fear into the opposition batsmen with his pace, taking a bag full of wickets this season. He is one of our leaders and led by example for his teammates. He would punish the opposition bowlers if they didn't bowl tight. His a great allrounder and was a pleasure to coach.
Vedank siva Yelamanchili	Verdank is valuable player, and it was a shame he missed so many games throughout the season. He is a great left arm bowler who made it very hard for the opposition batsmen to score runs off. His batting was solid and he didn't give his wicket away easily to the opposition bowlers.

Team Statistics - Under 10 Green – Red

Coach: Chris Ferry		Manager: Rachel Shimmin	
<p>With most of the team new to cricket, there was a large spread of ability and mixed levels of interest at the start. We hovered at the bottom of the table early after some narrow losses to most of the teams in the competition. As our batting improved well throughout the season and we landed more bowling on the pitch, the extras gradually shrank and the boys started to bag some wins. We had a couple of good wins late in the season and eventually had the minor and eventual premiers genuinely worried leading into the semi where they narrowly beat us. We grew into a good team and I liked the way the boys celebrated together, including the amusing post wicket celebrations, as well as the way they helped and encouraged each other through some of the tougher spots too. It was really rewarding to see the confidence and ability improvements and I hope they all enjoyed it and are keen to go again next season.</p>

TEAM AWARDS

Batting Award:	Zechariah Hyam
Bowling Award:	Lee Helmrich
Fielding Award:	Hayden Torok – 7 run outs, 3 catches
Coaches Encouragement Award:	Cooper Shimmin

Player Profile - Under 10 Green - Red	
Owen Ferry	Owen has really enjoyed his first season. He is a constant competitor and team player, leading the positive chat and encouragement in the field or with the bat, for our team and our opponents. Another one leading the push for 'just one more ball' at practice and surprised himself with some early leg spin ability to build on. Passionate about keeping wickets or relentless in the field, chasing everything and throwing the stumps down well. Consistent with the bat and flashes of great bowling, will likely take lots more wickets with some more consistency and a leather ball.
Joshua Harding	This little pocket rocket kept up well with the older kids in his first season, charging in with the ball and was always solid and confident with the bat. He loves the game and developed so many of his skills over the season, doing a great job in the field and improving out of site running between wickets. He was always one of the first to put his hand up to keep and impressed with the gloves too. Joshy will no doubt be a standout in u10's next year.
Lee Helmrich	Lee is very driven and constantly working on improving his game. He was the first to training and always the ringleader for those who wanted to keep going when dinner was ready. He puts so much work in and this showed with the team's best bowling figures (including 2 x 5 wicket hauls), and the best batting agg. and avg. His sharp, accurate bowling and natural inswing had most in the comp looking back at their toppled stumps. His running between wickets put plenty of pressure on the field plus his batting partners, securing lots of additional runs and byes while keeping the parent's heart rates up too.
Zechariah Hyam	Early on Zech was a bit casual and didn't really seem that keen, struggling with attention span at training. It was great to see him engaged more throughout the season and enjoying his cricket and spending time playing and practising with his Mates. He plays the game with plenty of focus and has lots of natural ability, executing some great bowling as well as often putting on big scores with the bat. Zech led the amusing post wicket celebrations and put away seaweed snacks like no one else. I hope Zech continues to enjoy the game and develop his skills further.
Himank Nilakanti	Himank is really quiet and reserved but always shows up with the biggest smile. He loves the game, listens well to any advice and has plenty of encouragement for his teammates. The smiling assassin gets some good flight and turn, which caught alot of batters out and will have him take a lot more wickets when LBW and stumpings play a part. Such a polite and respectful cricketer, he never loses his cool and his lofted cover drives are pretty to watch.
Cooper Shimmin	It was great to see Cooper improve through the season and his attitude remain positive even when struggling to develop some of his new skills. He is always quick with a funny observation or random comment and always kept the games light. He showed great development with bowling and he overcame his initial fear of the ball and started moving towards it with the bat later in the season. This was highlighted in the semi-final after he confidently defended some sharp bowling and told me 'It doesn't hurt if the ball hits me, it only hurts when the ball hits the stumps'
Hayden Torok	Hayden is a great talker and always has plenty of advice, for everyone, including the opposition, umpires and coaches. He used this communication effectively while stealing singles and coaching his batting partners as well as encouragement for the team in the field. A consistent performer with the bat and surprised himself with the ball taking some great wickets on occasions too. Hayden took some good run outs and developed from running them down to throwing them down later in the season.

Team Statistics - Under 10 Blue

Coaches: Liam Richardson & Matthew Saunders			
It was a privilege to coach this team throughout, what was for many of them their first, season of cricket. Whilst the numbers reflect only a single win, far more 'wins' and milestones were achieved, and the enthusiasm and infectious excitement of the kids made it feel a very successful season. There are things more important than winning games of cricket, and this team was a great reflection and reminder of that – first catches, runs, wickets, boundaries and the smiles these moments put on their faces are of far more value. Each weekend this team arrived intent on enjoying themselves, and that they absolutely did. They improved, both on and off the field, and often out of sight, challenging the other teams more consistently as they made their way through the season. Thank you to the families and all those who supported the team throughout the year, but particularly to Paul Marano who dedicated his time to faultlessly scoring each game. We are already super excited about next season!

TEAM AWARDS

Batting Award:	Edward Knapp
Bowling Award:	Georgia Grubisa
All Rounder Award:	Ash Bradley
Coaches Encouragement Award:	Harvey Stead

Player Profile - Under 10 Blue	
Ash Bradley	Ash enjoyed an absolutely outstanding season finishing with an excellent all-round performance. Leading the side each week with bat, ball or his rocket arm in the field, Ash was a reliable performer. Bowled scary pace, taking a hat-trick early in the season! He was always in the game, never afraid to ask questions, and throughout the season introduced a lot of maturity and control to his batting. Keep your eye on this kid!
Braith Clark	One of the most competitive young players we have seen, Braith held very high standards of his own performances. With such a mindset he improved consistently throughout the year, and always wanted the ball or bat in his hand. He valued his wicket highly, and with more patience will continue to expand his run-scoring. Great to see such a passionate cricketer!
Byron Clark	Byron unfortunately missed much of the season with two broken arms, but when he was on the cricket field he was as competitive as his brother. Able to make it back for the final game of the year, Byron did not look out of place at all, demonstrating great patience in his batting, and great determination with ball in hand. A weapon in the field, and another inquisitive young man, Byron was a valuable player. Looking forward to what he can show us next year!
Noah Farrar-Roberts	The sometimes-quiet achiever, Noah brought a fantastic consistency to his performances this year. Never afraid to shy away from a song or a dance celebration, or even sometimes meditation, Noah's defence made him a valuable batter in our side. When he wasn't spending his time crafting his wicket-keeping, Noah was continually improving with ball in hand. Noah selflessly allowed others to borrow his keeping gloves throughout the year, demonstrating what a fantastic teammate and young man he is. We would have him in our side any day!
Georgina Grubisa	Wow! Georgia's talents seemed to reach no end this season, producing a new surprise each week, along with a cheeky dad-joke or two. An excellent listener, mature and patient, Georgia was a pleasure to coach, capable of swinging the ball both ways. A big thank you as well to her parents who provided a table and shade each week for the scorers! With greater confidence we have no doubt Georgia is going to become a very impressive cricketer!
Edward Knapp	With nuclear-like sources of energy and excitement, when Ed was focused, he was unstoppable, providing some consistent and entertaining performances with either bat or ball in hand. When he wasn't trying to hit the ball into next week Ed was capable of changing the game in an instant with his swashbuckling hitting and brave running. As the year progressed Ed came into his own with the ball too, racking up some great stats and spells. Always a cheeky grin on his face, we had great fun coaching Ed this year!
Bryson Marano	In his first year of cricket Bryson brought great enthusiasm, an endless list of questions and great determination. He always gave 110% to anything he was doing and was even willing to take up wicket-keeping late in the season – which he loved! It was always exciting to watch what superstition or magic trick Bryson might bring to his game each week. He found his voice and confidence throughout the season, and his bravery with bat or ball in hand reflected this. His dad is a legend and a fantastic scorer too!
Harvey Stead	Harvey, fresh to the game, brought a calmness to a team that needed it. Each week he gave his all, asked plenty of questions, was a fantastic listener, and was always fully committed to what he was doing. Harvey's hard work off the field paid dividends, transforming his bowling into more consistent spells, and with bat greater confidence in his ability to play shots and score runs. A fantastic young human being, Harvey was a pleasure to coach this year!

Team Statistics - Under 11 Division 1

Coach: Barry Turkington		Manager: Matt Wilson	
The Camden Under 11 division 1 team this year showed a great depth of talent by winning multiple games this season with as few as 5 players. There were standouts each week but never the same players. Their never say die attitude carried them home for multiple wins where they came from behind and won in the last few overs. It was with this enthusiasm and dedication and a willingness to play for each other that saw them finish the season as deserving undefeated premier

TEAM AWARDS

Batting Award:	Aidan Wilson
Bowling Award:	Lachlan Nicholas
All Rounder Award:	Samuel Turkington
Coaches Encouragement Award:	Lucien Sault

Player Profile - Under 11 Division 1	
Lewis Eddie	Lewis was one of our key batters this season playing some powerful innings. Lewis also has great ability in the field with good hands and a great arm.
Lachlan Nicholas	Lachlan has been one of the most consistent players in the team. Lachlan shows a great commitment to cricket and continually works hard to improve his game. Bowling has always been a strong point but has showed great improvement in his batting this season.
Dante Picken	Dante is a liked and valued member of the team. Dante's bowling is accurate and reliable and shows signs of becoming a good pace bowler. Although Dante didn't score a lot of runs for the season, he showed good awareness at the crease with his running skills. More runs will come as confidence grows.
Jordan Pulikottil	It was unfortunate that Jordan missed half of the season with a foot injury as he was showing good form with the bat. The season started strong with some powerful batting including a highest score of 23 off 18 balls including 3 4's. Was good to see Jordan back to be part of the finals.
Lucien Sault	Lucien was Mr reliable this season not missing a single game or training session. Lucien was one of our wicket keepers and showed great skill and improvement in this area. Lucien also improved his bowling throughout the season and became an important part of our bowling attack.
Samuel Turkington	Sammy enjoyed a solid season, having success with all aspects of the game in different weeks. Sammy showed maturity and an ability to "step up" in high pressure moments.
Aidan Wilson	Aidan showed all the signs of being a great all round cricket player this season. Aidan was our secret weapon for the season showing great pace with his bowling and the ability to score runs quickly with the bat.

Team Statistics - Under 11 Division 2

Coach: Anthony George		Manager: Nathan Tucker	
<p>This was the first year together for these boys and the first year of cricket for a couple of them. They faced some challenging opposition, but always tried their best and displayed great sportsmanship. The team regularly encouraged each other and celebrated the improvements & successes of their teammates. Training sessions were well attended with the boys listening to feedback and trying to get better each week. I am proud of the development shown by the whole team with everyone improving on their cricket skills from the start of the season. I hope they all enjoyed the season and are looking forward to the next one!</p>

TEAM AWARDS

Batting Award:	Muhammad Rayan Sarwar
Bowling Award:	Kaelan Tucker
Fielding Award:	Affan Qadeer
Coaches Encouragement Award:	Lincoln Tulich

Player Profile - Under 10 Division 2	
Lucas George	Lucas in his first ever season got his first run, wicket & catch & continued to improve every game. He was determined to always do his best. Lucas finished the season with some great batting performances and always charged in when bowling.
Affan Qadeer	Affan was our quiet achiever. Nothing was ever a problem for him and he always contributed with the bat, ball or in the field. Affan was considerate of others and always tried his best both at training and during the game.
Muhammas Rayan Sarwan	Muhammad loved to hit the ball as far as he could. He hit the team's only 6 and his ability to strike the ball cleanly has won him the team batting award. Muhammad had a great little outswinger that got a lot of batters in trouble.
Luke Strong	Luke is developing a great technique with both the bat & ball. His bowling accuracy continued to improve allowing him to finish the season with a flurry of wickets. The last game also saw him achieve his highest runs in an innings.
Kaelan Tucker	Kaelan was the team's allrounder and picked up the team bowling award with 17 wickets. He absolutely loves cricket and it showed every week. Kaelan was always keen to help out and I would often have to let him wicket keep so he would stop scaring the opposition batters with his strong bowling!
Lincoln Tulich	Lincoln played his first season & continued to give it his all every week. He stuck to the basics & continued to improve throughout the season. Lincoln always had a smile on his face and continued to build team spirit in the field each game.
Adam White	Adam was always doing extra practice and this showed with the development of his techniques with the bat and ball over the season. He was one of our most accurate bowlers and able to hit the ball to all parts of the ground.
Joseph Wilson	Joseph was the teams leg spinner, getting better with his control as the season went on. Always thinking about the game, his cheers for his teammates could be heard both on and off the field, encouraging the boys to do their best.

Team Statistics - Under 12 Division 1

Coaches: Nathan Tucker & Scott Metcalfe		Manager: Chris Cordina	
1 new to cricket player rego. Players from 3 different teams including 6 players from last year's div 2 side combined to make a mixed under 12 div 1 team. Everyone came together to make a team any club could be proud of. We had a successful season with a ton of fun. The kids trained hard and played even harder. We always played in great spirit and showed excellent sportsmanship. To lose a very tight semi-final in the last over of the match to the eventual premiers is testament to the character of the team. Look forward to seeing this team together for a long time. Great bunch of kids.

All Rounder Award:	Oscar Colliss 79 runs 8 wickets 6 catches
Coaches Encouragement Award:	Anthony Macri

Player Profile - Under 12 Division 1	
Oscar Collis	100% all in all the time, He is a very passionate, Respectful, & committed team player. His improvement throughout the season is a tribute to how well he listens to & implements advice from his coaches. His fielding off his own bowling & in the field had to be seen to be believed & it set the standard for the whole team. He batted wherever he was asked & often holding an innings together with his gritty determination. His leg spin opening the bowling became an absolute force towards the back half of the season.
Taylah Cordina	Didn't miss a game or a training session this year & her commitment to the team was unquestionable. Her pace bowling with the new ball I'm sure gave opening batters nightmares every Friday night. She bowled most of her overs when the team needed to break up a partnership & more often than not, she would change a game. She found her groove with bat late in the season with some outstanding selfless partnership batting & always brought plenty of energy with her running between wickets.
Charlie Farias	Brought the whole team together with his charm & confidence. He was the glue that held the team together in those pressure moments, either through a funny ice breaking comment completely irrelevant to what was happening on the field or breaking the shackles with a trademark pull shot to deliver his team a much-needed boundary. He would often be best mates with the opposition by the end of a game. His wicket keeping & bowling was very valuable during the season. Every team needs a Charlie.
Anthony Macri	First year of cricket & was an absolute super star by the end of the season. He started the year shy & nervous but found his confidence in the field. He made Ricky Ponting look average. With his 6 catches including one of the best c&b I've ever witnessed & involved in 4 runouts. His 43 against Ingleburn was something truly special to keep us in the game. He is a very talented cricketer & an even better person, if only we could clone him.
Lacey Metcalfe	Super talented young lady who brings a great attitude every week. Her off spin bamboozled & more often than not was way too good for batters. Her figures for the season don't represent what a special talent she is. It wasn't until the back end of the season lacey found her true calling with the bat as an opener. Her technique & comradery with Alina at the top was inspiring & often got us away to good starts & set the tone for the innings.
Hannah Metcalfe	Out swing, out swing, out swing!! Not only bowls the perfect out swinger but FAST! Like Taylah she also gave batters nightmares & was a big factor in changing games & also rolling teams. Much like her sister, more often than not she bowled too well. Her batting contributed at crucial times during the season with some very handy partnerships & runs. Having a top shelf fast bowler with a top score of 24* is very useful indeed. She also liked to keep me on my toes always moving my gear & belongings to mess with me. Metcalfe girls =coach being pranked constantly, every team needs a prankster, we were lucky enough to have 2
Elijah Pirie	Energy is the first word that comes to mind for this very talented young man. Bat, Ball, Field, you name he can do it. Just look at his stats. Always willing to listen & learn & very much loved by all his teammates. Amazing boundary fielding often set the standard for the team which contributed to 3 run outs, He also took 4 catches & along with oscar was one of our best fielders. His bowling was fast & nipped around a lot when he got it right. Not only did he score 138 runs he also took 9 wickets.
Sophie Stevens	Broke her hand in the first game of rep season & only played 9 games consequently. She is an amazing young lady with loads of talent. Her leg spin this year was unplayable & left batters scratching their heads at the best of times. She was solid in the field with 4 catches & 2 runouts & was a crucial part of our team. She quietly goes about her cricket & is a pleasure to work with & coach
Lawson Sutton	Captain material. This young man lives & breathes cricket & is a real brain of the game. He led by example & was a strong voice of the team, He loves to steer the team around. I enjoyed having 1v1 constructive conversation/ disagreements which sometimes I would learn from. He is an immense talent in all aspects of the game & I really enjoyed watching him go about his cricket. He is well liked & respected by all his teammates & a champion young man.
Alina Tucker	She really did the hard yards this year opening the batting each week trying to find an opening partner. She always worked hard often making retirement & seeing off the new ball bowlers. She is a great partnership batter & is lighting between the wickets, often pinching singles to get her partner of the mark & off strike when they were in trouble. She was the master of running 2's & only cared about making runs for the team. She struggled with her bowling action during the off season until we figured out she was a very useful leg spinner. She finished the season in the top 3 batters, best bowler & second in all-rounder points. She made dad proud this year.

Coaches: Shane Gray, John Murray, Patrick Ward		Manager: Greg James	
<p>“What an amazing season it was for the team, and we couldn’t be prouder. The way they developed and meshed as a team over the season was great to see and everyone played their part. The team didn’t win a game until halfway through the season but proved to be the dark horse and just got better and better as the season went on, trusting in one another’s ability and more and more that they were good enough to win. If someone was having an off game, others would step up and no matter what the team kept encouraging each other. To see the team go all the way to the final and then to win it was fantastic! To be U12/2s Premiers is so well deserved and the team should be so proud of what they accomplished.”</p>

TEAM AWARDS

Batting Award:	Maddison Southern
Bowling Award:	Eliza Tannous
All Rounder Award:	Sriyansh Aitipamula
Coaches Encouragement Award:	Oliver Sporl

Player Profile Under 12 Division 2	
Sriyansh Aitipamula	After missing the first few games, Sri came back with great form getting 5 for 4 in his first game. He provided a great deal of experience to the team, maintaining great batting and bowling form along the way. He was a key player in the team and always gave an all-round performance with the bat and ball.
Kaeden Grey	Another first-year player, Kaeden greatly improved throughout the season. Having a good eye, Kaeden worked on his batting and later in the season grew into the wicket keeping role taking some key wickets. His improvement throughout the season was amazing.
Liam Grey	A first-year player, Liam improved massively throughout the season. By the end of the season, he had become a dependable batter to retire and had improved his fielding to have some key runouts to win games including one in the final. Liam loved being part of the team.
Max James	One of the more experienced players on the team, Max continued to improve throughout the year especially with his bowling and fielding. Max provided some key game changing moments in several games. A great team player, he was always calm and always had a smile.
Evie Murray	This was Evie's first season playing cricket. She improved greatly through the season developing in confidence and in her understanding of the game. Evie was a great encourager for all in the team during games, keeping people's chin up especially when the momentum was against us.
Mikayla Murray	Mikayla had another season of clear and continued improvement. Her batting in particular has developed well often proving to be 'a wall' against some very good bowling. The team benefited from her sustained hard work, always putting in 100% in whatever she was doing and however the team was going.
Kayden Radovac	New to the club but having played before, Kayden was a great asset to the team. He worked hard on his bowling and loved to hit the ball hard. Great at catching, Kayden also had a key runout in the final to help us win the game.
Maddison Southern	Maddison had a fantastic season, especially with the bat. She was calm as ever and had some crucial and decisive innings and made a lot of runs. She was also instrumental in helping some of our less experienced players with batting, and the team as a whole benefited from her experience and ability in all facets of the game.
Oliver Spori	After having a year off last year, Oliver came back with a vengeance. A quiet achiever, Oliver worked hard at all aspects of the game and always did his best while still maintaining his calm chillaxed attitude. He scored runs, wickets and runouts when we needed them.
Eliza Tannous	Eliza had a brilliant season, showing very good all-round ability. This season her bowling in particular proved crucial, getting key wickets when they were needed, and she was very solid when wicket-keeping. Eliza was also a key leader in the team, and kept the team focused and motivated on the field.

Team Statistics - Under 13 Division 1

Coaches: Lachlan & Tim Saunders			
A season full of important lessons for players and coaches alike. We had a mixed season when rain or byes didn't prevent us from playing, but showed glimpses of why we were the team to beat, twice thrashing the much-touted Oran Park side, and losing three games we should have won, once by repeatedly running ourselves out, and twice in last over finishes defending under par scores. With undoubtedly the best bowling attack in the competition, and a very deep batting line-up, we only had ourselves to blame for our loss in the final to an Ingleburn side we had twice bowled out for less than 50 during the regular season. However, we all learnt the importance of focusing on the things we can control, patience, and putting ego aside. Those lessons should hold us in good stead for the next season, where we'll hopefully go one better!

TEAM AWARDS

Batting Award:	Flynn Salter
Bowling Award:	Archie Dobbs
All Rounder Award:	Joshua Nicholas
Coaches Encouragement Award:	Tex Thornton

Player Profile Under 13 Division 1	
William Barrett	More than held his own against much bigger and older kids, learning the value of bowling accurately and mixing up his pace to play with the egos of batters. Learnt to rotate strike and play his own game with the bat and was able to play an anchoring role on several occasions. An absolute pleasure to coach.
Milla Bruce	A season bookended by state selections! Bowled accurately as always and showed her growing ability to drop and run and an improved defence, highlighted by a very solid not out innings in the final. Will improve as she loses her fear of getting out and learns to play with a clear mind.
Ronan Congrove	The most improved as the season progressed, growing in confidence and playing increasingly solid innings. Will only get better as he learns to trust his defence and stay patient. Produced some good spells of accurate seam bowling, and also picked up several wickets with his handy offies.
Archie Dobbs	Excellent with the new ball, often roughing up oppositions with his pace and bounce. Impressed with how quickly he got rid of his skip at training, and as his runup gets smoother his bowling will only get scarier! Showed glimpses of his best with the bat and will improve as he develops the confidence to play more positively.
Joshua Nicholas	A fine all-round season. Our most reliable batter, averaging over 75, and a genuine wicket taker, repeatedly showed his ability to hit the stump. Also kept decently when needed. Will continue to grow as he learns to navigate difficult game situations.
Flynn Salter	Excellent at the top of the order, and at his best when he played without fear, highlighted by a damaging maiden 50 against Oran Park. Demonstrated a team-first mentality, happy not to bowl in conditions that didn't suit his typically rapid bowling but bowled excellently at the death in the final. Unquestionably the safest hands in the team, with 7 catches.
Lily Salter	Not afraid to speak her mind, and once again showed why she is so respected as a leader. Among the best in the comp with the ball when on song, most memorably in a spell of 3-2 against the Crows. Always keen for a quick single, her judgement improved after a few run outs early in the season. Finished the season with a deserved state selection
Austin Smith	New to the club, but fit right in with his positivity, politeness, and heart. Very unlucky to miss the middle portion of the innings through injury. Possibly the best fielder in the side, and solid with both bat and ball. Strong off his pads and will improve as his footwork develops. Showed glimpses of his economical best with the ball.
Lucas Spragg	Thinks about the game more than most, and proved his value with bat, ball, and in the field. Dragged us over the line in our first game, and almost did the same in the final. Bowled excellent leggies and was clinical behind the stumps when he wanted to be.
Tex Thornton	Hugely impressive with both bat and ball. Unrivalled in his ability to hit sixes over cover and mid-off, playing several counterattacking innings, and never afraid to continue to toss the ball up and give it a rip. His all-round game will continue to progress as his fielding and game sense improve.

Team Statistics - Under 13 Division 2

Coach: Geoff Charlton		Manager: Charmaine Charlton	
<p>Congratulations to the team on a very successful season. The improvements from every player with the skills they showed and good cricket attitudes led us to a lot of wins with a place in the grand final, although the win didn't happen the experience will be invaluable next season. The bonding of the team was very pleasing to see and led to many great team efforts during the season and made me a very proud coach. Our team definitely won the most parents' attendance at each game, meaning we had endless support which is great for all involved. Thanks for a great season everyone.</p>

TEAM AWARDS

Batting Award:	Luke Prior
Bowling Award:	Rocco Daniels
All Rounder Award:	Ryan Charlton
Coaches Encouragement Award:	Cooper Hoogenboom

Player Profile Under 13 Division 2	
Ryan Charlton	Great season Ryan, started on fire with 54 n/o in first match and 43 n/o in the 2 nd match, he bowled well through the season, topping both bowling and batting. Ryan was very vocal in the field and at training, his passion for cricket is great to watch, thanks for the effort gas bag.
Rocco Daniels	First season of cricket for Rocco but played like he was born with a bat and ball in his hands. Rocco just wanted to be involved in all aspects of cricket even sharing wicket keeper duties. Hope to see you next season, Thanks Mr Cricket for an enjoyable season.
Cooper Hoogenboom	Cooper is one very aggressive batter, bowler and fielder. Cooper was always involved in the game, our opposition teams were always worried when Cooper had the ball in his hands. Winning the Man of the Match in our grand final loss speaks volumes of your talent, thanks mate for all your efforts this season, see you in the next one.
Dylan Madden	Dylan may be small in stature, but this did not stop him making his presence obvious in the game, he was consistent and quick in his bowling making him my choice for opening and closing. If Dylan couldn't stop a ball with his hands, his body or head would do the job just as well, with a bit more work with the bat, he will make a great cricket all-rounder. Thanks Dylan
Ryan Parry	The improvement from Ryan in his 2 nd Season has been very impressive, as a bowler he is very fast and intimidating, with a bit more consistency the wickets will flow, as a batsman no one can hit the ball as hard and as a fielder he has an awesome arm and has saved many runs this season. Keep up the good work Paz.
Luke Prior	I have been watching Luke grow as a cricketer for 4 seasons now and love the effort he brings, he is a great batter, bowler, fielder, and keeper, very much an asset to the team and an awesome young man to have around. Well done on your best season so far, just remember we can't win every grand final, but more will come.
Farzan Qadeer	A very solid opening batsman, with a great defence and confidence, as a spin bowler he has a great technique that keeps the batsman guessing every ball as well as the keeper, he is also a valuable fielder, his improvement in his 2 nd season has been very impressive as well as being a strong positive team mate to all, thanks for the great season Farzan.
Christian Rogers	Another 1 st season player, always asking questions and trying to improve his game. It was great to see Christian take his 1 st wicket and 1 st catch, such a great improvement from the start of the season, keep learning and putting in the effort Christian, well done.
Edwin Shiju	The 3 rd of our new cricketers, Edwin kept improving with bat and ball, he had the biggest smile of all when he took his 1st wicket. Edwin is the quiet achiever of the team, learning all he could from the other players. The 1st season under your belt and playing in the grand final, it's been a big learning curve but you have done well. See you next season Edwin thanks for all your efforts.
Neev Upadahyau	Playing in your 2 nd season and showing great improvement was a pleasure to see. The hard work that Neev has put in this season with his batting and taking wickets is a great reward as a coach you're a great young man Neev always with a smile, thank you so much for the season, see you in the next one.

TEAM AWARDS

Batting Award:	Ryan Burfitt
Bowling Award:	Issac Searle
Fielding Award:	Anthony Smith
Coaches Encouragement Award:	Bella Stevens

Player Profile Under 14 Division 1	
Ryan Burfitt	Another storming season with the bat. Piled on the runs. Well done Ryno!
Giles Cunsunji	Good season with the bat and gloves.
Kieran Cosgrove	Bowled with real heat this season – flame thrower! Bowled during the tough overs in games and was the teams resident DJ in the field.
Madison Eddie	Dead eye accurate and most consistent bowler in the team. Unplayable at times, Madison's stats don't reflect how well she bowled during the season. Madison's time will come and when it does you won't forget about it!
Matthew Higham	Given out LBW in the chest – enough said! Hahaha. bowled out of skin after Christmas and was really unlucky. It was a good learning season for Matt and will be better for it.
Riley Jacobs	Young Steve Smith with hooping inswingers! Really good season again from Riley and broke into the seniors as well. One of the kids for future. It wouldn't surprise me if Riley ended up playing 1 st /2 nd grade cricket for Camden in the years to come.
Max Langdon	His offies came on leaps and bounds leading to a call up CDCA U14 Moore Shield side at the end of season. Great season Max, keep going and back yourself!
Issac Searle	Our leading wicket taker and spearheaded our attack a year young! Brilliant young cricketer, could be anything!
Lachlan Selby	Turned left arm orthodox this season was one of our best. Watch out for Lachie in the coming seasons.
Anthony Smith	A magnet in the field, if a ball went in the air, 99% of the time it went to Anthony. Bowled well with limited opportunities and has the potential to really turn his bowling into a key strength.
Bella Stevens	Bomb thrower, partnership breaker, wicket taker, middle order blaster. Thank you for an excellent season.
Luke Vella	The little engine that could. His inning with Max against IRSL was an absolute highlight sharing at 115 unbeaten run partnership that won us the game.

Team Statistics - Under 14 Division 2

Coaches: Thomas and James Reid		Manager: Les Reid	
From the first training session James and I both saw that we had a strong chance to win the grand final this season due to the amount of skill available through our new and experienced players. Every game the boys played their hearts out, always backing each other up and always playing as a team. Unfortunately, the opposition out played us in the grand final but nevertheless James and I are extremely proud of all the boys for the effort they continued to put in every game.

TEAM AWARDS

Batting Award:	Thomas Bluchura
Bowling Award:	Matthew Prior
All Rounder Award:	Thomas Geale
Coaches Encouragement Award:	Riley Petterson

Player Profile - Under 14 Division 2	
Thomas Bluchura	Thomas has always been outstanding with the bat and ball for James and I in past seasons. This year he stepped up and took over the role of wicket keeping against our tall quicks with ease taking sharp catches behind the stumps and keeping pressure on the batsmen.
Deon Bradley	Deon was one of our new players but quickly became a key part of the team with his attacking batting style and hooping out swinging bowling. Deon improved out of sight from the start of the season till the grand final. Hopefully James and I will see him next season.
Ryan Singh Dhanju	This season was Ryan's first year of cricket and he was keen to learn everything James and I knew. He would always give 100% when improving his batting, bowling and fielding. Can't wait to see how much Ryans cricketing skills will improve when he hopefully returns for next season.
Thomas Geale	This season James and I gave Thomas the responsibility of captaining the team on the field. Every week Thomas's skills of changing bowlers and setting fields depending on the game situation would improve. Not to mention his ruthless bowling, batting and fielding. James and I can't wait for next season to hopefully see Thomas captain the team to a premiership.
Connor Harrison	This was Conners first season with James and I but was very highly recommended as a very skilful cricketer with bat, ball and in the field. Every week Conner would contribute by taking important catches, making handy runs and keeping the bowling nice and tight. I have no doubt Conner's cricket skills will take him very far.
Md Huda	MD was another new face in the team that was known for his unusual bowling action and skills with the bat. MD was always a handful for the opposition bowlers punishing everything they could throw at him with ease. MD's eagerness to learn and his cricket ability will take him very far.
Thomas Hyam	Thomas has been playing in our team for the last 3 seasons and continues to improve. This season he played a huge part in making sure the new boys felt part of the team and would always put in on game day and at training. I have no doubts Thomas will return next year so he can continue to improve.
Meet Patel	Meet is another player who decided to start his cricket career with James and I. Meet was always keen to learn new skills and would always stay back after training to help improve even more. Every game Meet would continue to improve and always give it his all. Hopefully Meet comes back next season so we can continue to build up his cricket skills.
Riley Petterson	Riley is one of the most passionate cricketers James and I know who is always putting his all into everything he does. No matter what the situation you would always hear Riley in the field keeping the talk up putting pressure onto the batsman. His fielding was another element that had improved out of sight from last season.
Matthew Prior	Matthew has always been a shy kid but this year he came out of his shell and improved out of sight. Gaining extra speed with his bowling and improving his fielding to back up the team in tight game situations. Matthew was also a huge help when it came to teaching the new players the skills James and I have taught him.
Lucas Ryan	Lucas has always been a very skilful cricketer but this year he stepped it up scoring some quick runs and smashing some huge sixes. He was by far our best fielder and was always backing up the bowlers giving the batsman no free runs. I hope to see Lucas next year to see how far his skills will take him.
Jake Sawyer	Jake decided to join Camden Cricket Club this year and showed James and I what he has learnt throughout his earlier cricket career. Every week he would contribute with his quick out swinging bowling and technically correct batting. Jake has a very bright cricket future ahead of him.
Dan Shields	Dan was another new teammate who joined our team and was instantly a well-liked person amongst the team. Every week he would put in 100% and always put the other teammates before himself. He improved out of sight and turned into a very handy all-rounder. James and I would both like to see Dan next year so we can continue to coach him.

TEAM AWARDS

Batting Award:	Thomas Robertson
Bowling Award:	Mitchell Corby
All Rounder Award:	Jake Murray
Coaches Encouragement Award:	Nate Baxter

Player Profile Under 15 Division 1	
Nate Baxter	Nate came into our team late, after we lost a couple of players to long term injuries, and given the fact he had only ever played social cricket he fitted right in. Nate had a solid batting technique but it was his bowling that stood out. He tied third for aggregate wickets taken with 5. Nate also had a great attitude and respect for the game, his team and the coaching staff.
Matthew Buda	Matt added so much value to the team and everyone would agree, evident with him playing in the premier rep team for U15s. It wasn't just his skill at the game of cricket, which he has in abundance, and evident when he scored his fantastic century (103 and scored in a 30 over match) in the last round match of the season, but also how good a team man he is. He loves his cricket, gives everything into every game and training session and is a great talker, keeping the vibe of the team up. Matt is unlucky to not receive any awards this season but should be extremely happy with his performances.
Max Corben	Max is a good cricket player and was also representing CCC at rep level, being selected in the Presidents Cup team. He was unlucky with the bat this season but tied 3 rd on aggregate wickets taken. Max loved to soften the batsman up with a short ball or three. Well done Max.
Mitchell Corby	Mitch loves his cricket and his team and always has something to say, a big personality in the team. He opened the batting many times when others preferred not to, showing great character. He enjoyed some really good results from working very hard with both his bowling and batting techniques, where he was very proactive in trying to improve all the time and tied first with aggregate wickets taken of 6 for the season, but a lower average made him our premier bowler for the season. Really well-done Mitch!
Kynan Eagles	A great all-round cricketer and adds a lot of value to any cricket team, also evident with him making the premier rep team for U15s as well. Kynan was unlucky with injury this season and only enjoyed playing 4 out of the 7 round games we played. He was still third on both the batting and bowling statistics, which was an obvious great achievement given the number of games played.
Joel Fehrenbach	Joel was extremely unlucky to only play one game for the whole regular season, because of a back injury he picked up before the season started. It was fantastic to see him make the last round game and be a part of making the semi-final match with his team.
Caleb Cascoigne	Another really good team man and cricketer, Caleb would be slightly disappointed with his numbers from this season, but his attitude to every game and training session made up for that...also stepping in as Captain a couple of times. He was unlucky with the ball and could have picked up more wickets than he did. His batting was very good and occupied the crease for quite a while, with his highlight being a 28 in Round 5.
Lily Hreszczuk	Lily was given the responsibility of captaining the team, which she welcomed with open arms. Lily would always be smiling which always adds something good to the team vibe but was very good at "keeping the boys honest". Lily was also playing in women's rep teams, either 1 st or 2 nd Grade for Ghosts and her experience added a lot of value to our team. It would have been very satisfying to get a win in her first game as Captain, where she contributed with a solid 22 not out.
Khai Hughes	Khai loves his cricket a lot and is well respected amongst his team. He is a great all-round performer as well, and a great addition to any team. He always worked hard at training which was there for everyone to see. Khai enjoyed some good results this season and accumulated a good amount of all-rounder points. Well done, Khai.
Zach Moroney	Zach's relaxed attitude to his game had its benefits, but he took his game very serious. He is a great team man and fantastic all-round performer, accumulating a good number of all-rounder points. He could be deadly with the ball, taking the equal highest number of wickets for the season. Zach also had some handy batting performances which helped the team get over the line.
Jake Murray	Jake was the all-rounder for the season. He opened the batting without question and took the shine off the new ball well and was fourth on runs aggregate. He tied third on wickets taken but had the lowest average. He also had 9 catches in field proving he had great hands even without the gloves on. Speaking of gloves, he was our number one wicket keeper and the screams of "HIT ME" to his fielders could be heard every game many times and was very safe behind the stumps.
Thomas Robertson	Thomas was our premier batsman this season with 197 runs for the season, including a fantastic 80 against Collies in Round 5, in only our second game of the season. Another great cricketer who was an asset to our team. He covered a lot of ground fast in the field as well, saving numerous runs for his team. Thomas's bowling was really tight and he was also unlucky to not have taken more wickets.
Jack Writer	Jack was another unlucky one this season, only being able to play one game, before a hand injury ruled him out for the remainder of the season. Jack was devastated and showed his support in true team man style by still attending as many games as he could to support his team.

Team Statistics - Under 16 Division 1

Coach: Paul Brewster		Manager: Greg Franklin	
<p>Thank you to the players, Greg and the all the parents for another wonderful season. It was a great to make the Grand Final of both the normal competition and the West T20 Cup again. The boys enjoyed the challenge of playing on turf and the team thanks Kenny for his hard work in preparing the pitch.</p> <p>I am proud to have coached a great group who have developed into fine young men. I wish them all well in their future endeavours and hope to see them continue their cricket careers.</p>

TEAM AWARDS

Batting Award:	James Tidy
Bowling Award:	Oliver Franklin
All Rounder Award:	Joshua Ryan
Coaches Encouragement Award:	Jeremy White

Player Profile Under 16 Division 1	
Flynn Bradshaw	Has developed into a great all round cricketer. Has embraced the challenge of opening the batting, bowls consistently and is a trusted wicket keeper. I have enjoyed coaching him throughout his junior career.
Matthew Brewster	It couldn't be easy being coached by your father for your entire junior career. However, Matt has handled that situation very maturely. He has always given hundred percent and has always put the needs of the team first. He has developed into one of the best fielders in the district.
Lachlan Cosgrove	Lachlan loves playing cricket and always gives his best no matter what the situation. Bowls a great line from left arm over which means the batsmen must be careful. Also, great to see him playing senior cricket as well.
Jaiden Dilchert	Due to injury, Jaiden did not make it onto the field this season. A talented player who has served the Club well since joining.
Oliver Franklin	Oliver had a great season with the ball. He is a dangerous fast bowler who loved opening the bowling and bowled well in tandem with Joshua. His willingness to play seniors was very much appreciated.
Oliver Kendall	Oliver is an enthusiastic cricketer who has always given his best. Had an inconsistent year with the bat, often finding a way to get out. Still the biggest straight drive hitter I have coached.
Joseph Limbrey	Another consistent season from Joe. His inswing bowling improves by the over and he was unlucky not to have more wickets. Invaluable in the field with the safest pair of hands.
Lucas Metcalfe	Lucas is an enthusiastic player who was happy to contribute in any way possible. Often volunteered to bat up the order and his bowling improved as the season progressed.
Joshua Ryan	Had a slow start to the year recovering from injury. Formed a good bowling partnership with Oliver. Held the innings together on many occasions with his patient yet attacking batting.
William Stokes	Had a disjointed season due to illness. Not being able to train meant that he was not able to perform at his potential. Produced his best at the T20 Cup.
James Tidy	Led the team beautifully throughout the season and always put a lot of thought into his decisions and tactics. Formed a great partnership with Flynn at the top of the order and always looked to score at a good pace.
Jeremy White	This was Jeremy's first season of cricket. He accepted the challenges and gave his best at all times. When he got it right, his bowling troubled many batsmen. He enjoyed batting, often volunteering to bat up the order.
Ryan White	For various reasons, Ryan didn't play as many games as he would have liked, which meant he struggled to find consistency. Always enthusiastic about the game and his vocal nature on the field was an asset to the team.

Senior Team Statistics - 1st Grade

Captain: Simon Neich			
This year saw a number of new players welcomed to the team, who all brought great energy, talent and perspective to a year of mixed success. Challenged early on in the season, the team found form after a few weeks with some gritty performances, and soon began dominating games and playing their best hard, fair cricket. We unfortunately saved our worst performance till last, however the many memorable moments, laughs, personal highlights and great spirit the team played were great reminders of why we choose to play the game. Many thanks to all the families, friends and club members who supported the team throughout the year, but importantly to Jim and Noel for their wise words, and to Mark Richardson for his outstanding scoring and dropped catches tallies.

TEAM AWARDS

Batting Award:	Simon Neich
Bowling Award:	Myles Aston
Fielding Award:	Dane Dreyer
Players Player:	Myles Aston

Player Profile – First Grade	
Myles Aston	Started the year in impressive form with the bat, scoring his maiden 1 st Grade half-century. A broken finger halted the leading wicket taker and “best” fielder but returned stronger than ever.
Matthew Campbell	Makes the best of batters look silly with the new ball, Matty took his game to a new level with some impressive second (!) spells. Undervalued with bat in hand.
Dane Dreyer	‘Stoin’ was welcomed with open arms to Camden, and thoroughly enjoyed his time, showcasing some powerful hitting and screamers in the gully, especially when he used his feet.
Luke Eagles	Good for a BBQ run out or great life advice, even better for reliable spells of rhythmic bowling. Will always hit the ball further than you can.
Russell Gascoigne	Gas was a reliable source of wisdom, cricket-related and not. Came into form with the bat late in the season and made for an excellent fundraising fines master.
Daniel Gordon	Mr Asics can fill any role in the team, demonstrating his all-round ability consistently. Takes the best screamers in the slips.
Adam Harvey	A welcome return to a Camden junior. Adam finished second leading run scorer and surprised with the ball in hand too. Nice to see him back enjoying his cricket!
Lachlan Kyling	A mixed year with the bat, ‘Daddy’ is a safe pair of hands on and off the field, always good for a warmup in work boots. A great leader within the team.
Luke Morgan	The ultimate competitor, “Fox sports” brought great enthusiasm and enjoyment to every game he was a part of. In a season of mixed success with the bat, Morgo was at his dangerous best with the ball late in the season. A pleasure to play with.
Simon Neich	Led with the bat and gloves consistently throughout the season, finishing as our leading run scorer. It’s tough work captaining any team, and Simon’s great efforts did not go unnoticed.
Liam Richardson	Liam unfortunately fell victim to a season-ending injury in the midst of some fantastic early season form, but he still managed to bowl the best bouncer of the season. Bigger things ahead!
Tristen Ross	Trisso was just too good for the opposition batsmen with the ball this year. “Always ready” with the bat too. Always a great source of laughs in the team.
Wayne Robertson	Hendo pulled off a number of surprises this year, but his spell of 4/11 against Cobbitty was a particular highlight. Wherever the party goes, Wayne is there. An awesome clubman!
Lachlan Saunders	Lachy made his debut this season in great leg spin form. Returned to 2 nd Grade to help them win a well-deserved premiership, this time with bat in hand.
Matthew Saunders	Enjoyed the season thoroughly, looking forward to seeing this team continue to evolve next season.
Luke Swain	A well-deserved debut this year for Swainy saw a fantastic spell of swing bowling and just raw athleticism.
Special Thanks	Special thanks to Matthew Buda, Paul Brewster and Lewis Hudson who filled throughout the season. They brought great enthusiasm and perspective and are a great tribute to this club!

Senior Team Statistics - 2nd Grade

Captain: Kieren Ross			
At the Christmas break, Camden 2nd Grade had won just one game in our first six, leading many to assume another disappointing season for the side. Amidst the losses - comradery and a team-first mentality began to culminate within the group. Weekly fines sessions re-kindled the youthful enjoyment of the game and the boys started to genuinely look forward to playing together. Come the new year, we started to bowl and field with a lot more aggression and began to see the rewards of gritty, determined batting. We went on to win six out of our last seven games, and shocked sides with our clinical performances. Although unlikely we will all play together again, the memories of the 2022/23 season will undoubtedly last a lifetime for all involved – I look forward to reminiscing well into the future.

TEAM AWARDS

Batting Award:	Haiden Connor
Bowling Award:	Mathew Halpin
Fielding Award:	Thomas Hodge
Players Player:	Mathew Halpin

Player Profile – 2nd Grade	
Kishan Armstrong	The “Godfather” of the second-grade side showed his true talent in the latter end of the season, hitting multiple 40s in the middle order. Kishan’s versatility with bat & ball greatly influenced our team’s success, but perhaps even more vital was his composure in pressure situations and his ability to consult with players when in need of help. Kishan has been my mentor for many years at the club and it’s been a huge help leveraging his wisdom and decision-making ability throughout the season. Well-done on a fantastic career Prince, you are a legend of the club & will be sorely missed.
Michael Buda	Michael is the epitome of a team-player and clubman. His positive character was infectious through the team and often reminded us what playing cricket is truly about. Michael cooked a BBQ most weeks through the season and even brought his son Matthew along to fill in and field when we were short. We saw glimpses of Mick’s stroke play throughout the season but I’m sure he is looking forward to more runs next season. Michael’s fielding was exemplary, and I’ve never seen a better proponent of the crocodile catch in my life. Thank you for all your contributions.
Haiden Connor	After a hiatus from the game, Haiden returned a more patient and focused cricketer. His talent can be summarised by his straight drive for four in the first over he faced this season. Match this talent with a nonchalant confidence and the ability to out-wait his competition, it’s no surprise that Haiden ended the season being the highest run-scorer for the side. Haiden was at the forefront of the culture shift within the team and was consistently the loudest bloke in the field – Even when times were tough, Haiden made sure to support the bowlers as much as his vocal cords would allow. He also showed his class behind the stumps, taking some fantastic catches as keeper – not to mention taking one of the wickets of the season with a ridiculous wrong-un. Haiden should be proud of all he has done for the team on & off the field.
Luke Doria	Luke is a raw talent and will no doubt become a great cricketer for the Camden cricket club in future years. When he gets his trajectory correct, Luke can be extremely hard to face as he is a naturally elusive left-arm fast bowler. Luke didn’t quite hit his straps this season, but there is so much potential in his game that I implore Luke to keep working hard on building consistency with bat & ball. Once he starts stringing maiden overs together, he will be a dangerman in the top grades.
Taine Gilheany	Taine is the sort of bloke you want in your side – a natural competitor and the sort of person that can clear your mind of distractions and ensure you’re focused on the task at hand. Taine has a powerful batting game but showed his ability to adapt and absorb pressure in the middle order. He played a couple of match-winning innings throughout the season and is one of my favourite bloskes to bat with. He took upon a leadership role this season and was constantly assessing tactics, bringing ideas forward to the playing group. His catch (mark) at Raby was one of the most impressive I’ve seen in recent memory.
Matthew Halpin	Every captain needs a bowler that wants to steam in all-day (even in 36-degree heat) and consistently hit the spot. Halps was incredible this season, consistently taking wickets - ending up with a huge tally by the end of the year. Mat seemed to have a limitless amount of energy and was more than happy to put his body on the line for the sake of the team. He had a knack of working batsman out, either by waiting for an edge outside off or attacking the stumps. Halps was also our fines master and did a great job keeping everyone accountable, albeit some of my fines being an absolute farce! Well done on your season mate, you deserve every accolade you’ve received.
Thomas Hodge	Tom oozes pure talent, he always gets involved in the contest and has shown his skillset with bat, ball, gloves and in the field throughout the season. Hodgey is extremely threatening with the new ball, he bowls fast and consistently threatens to take your off-stump out of the ground. Hodgey also opened the batting for us and is a natural striker of the ball, he learnt over the season the value of waiting for the right ball (to put over mid-wicket). Hodgey took catch of the season in our grand final and his fielding all year has been immaculate, he truly set the standard for the team. Keep working hard at your game mate, I’m excited to see what’s to come.

Ashar Khan	Boony, Boony, Boony! What a character Ashar turned out to be. His first year at the club, Ashar started the season as an effective swing bowler – used in short bursts to snag wickets. Mid-season, Ashar was given a shot at opening the batting and took the opportunity with both hands, smacking Matty Campbell through the goal posts at Kirkham! Ashar kept the opening spot for the remainder of the regular season and set a base for the rest of the side with his aggressive batting. Ashar was a great asset to the team, on and off the field and his carry-on during fines will go down in the history books.
Jim Maroulis	Unfortunately, Jimmy didn't get to play 9 th Grade as he originally intended... Our team snagged him up real quick and gladly so, as he proved to be an asset to the side with his batting, glovework and general knowledge and experience of the game. I often spoke to Jimmy in the field and his insight proved super helpful with important decisions. His partnership batting in the middle order was critical come the latter end of the season and it was great to watch his stroke play, particularly through cover and point. Jim was also a great asset to the side off the field, his features in our fines sessions were some of the funniest parts of the season.
Ryan O'Hare	This was Ryan's first season at Camden and I'm genuinely surprised at how well he has fit in. Not only is he a highly respected player at the club, his genuine interest in cricket and his selfless nature have made him everyone's favourite bloke to have a chat to. It feels as though Ryan has been at the club all his life & we're grateful he made the move here. Ryan structures his game around the teachings of Steve Waugh and ranks tenacity as the most important asset of a top order batsman. He showed in our semi-final how hard he will work to get the side into a good position, as well as the arsenal of strokes he can play. Ryan caught some absolute screamers this season and is a constant voice in the field. Well done on a great season mate – ton's are on their way!
Kieren Ross	It was my first year captaining the side and I'm grateful for all the support I received from the 2 nd Grade group. Some tough decisions had to be made throughout the season and it was great to know that the team always had my back - I think this showed in the hive mind mentality we brought into the finals. I had a bit of a disappointing year with the bat, but it was great to play a part in some important partnerships through the season. I couldn't be prouder of the group getting the job done when it mattered most.
Lachlan Saunders	Lachy showcased his all-round potential, starting the season predominantly as an aggressive leg-spin bowler who we brought on specifically to take wickets – sometimes quite early in the innings. After taking a heap of wickets, Lachy earned himself a stint in 1 st Grade, before returning to our side for the run home. As we moved towards the longer format of the game, Lachlan received a promotion to the top order with the simple instruction to grind bowlers down with his rigid defence. Lachlan took this challenge front on and showcased some superb defensive batting – matched with a snapping pool shot, he played some fantastic innings in our finals series and really set our team up from the top. Lachy will be a top tier cricketer at the club for years to come.
Yuvraj Singh	"The Destroyer" consistently displayed some of the best line and length bowling I've seen. His ability to hit the same spot over and over was such an important part of our bowling success and Yuvi seemed to always pick-up a wicket when we needed it most. Yuvi was versatile in the sense that he didn't always bowl in the same stage of the innings, sometimes he would bowl first change, sometimes fifth change - but we could always rely on him to do what was required for the team; no complaints, just genuine ability. Yuvraj was consistently late to our games and was fined accordingly, but I wouldn't change a thing – you're a unique player Yuvraj and the whole team enjoyed your company.
Luke Swain	The resident athlete of the group had an innate ability to fire the team up when we really needed it. Swainy would pick the most opportune time to get the boys together and spark a flame, he would speak about energy and how best to use it within a contest. Swainy was probably the hardest bloke to take the ball off this season and his competitiveness made for some clutch moments. He went through a little bit of a lull with the ball in the middle of the season but used this time to contribute with the bat. He got his channel back at the business end of the year and bowled fantastic in the semi & final – I've never seen a bloke sweat as much as him, but what a weapon to have bowling first change. It's great to have you around the side mate!

Senior Team Statistics - 5th Grade

Captain: Paul Brewster			
We started the season fantastically, 1 st on the ladder by the Christmas break. However, our performances dropped after the break, with us scraping into 4 th place. Our semi-final is best forgotten with Ingleburn chasing our total none down. Thanks to everyone for an enjoyable year and I hope to see everyone back for another season.

Players Player	Roger Cubitt

Player Profile – 5th Grade	
Paul Brewster	Despite the disappointing end to the season, I enjoyed being Captain again. We had a good mix of young and old players with everyone contributing.
Ryan Carter	A great team player who was playing his first year in seniors. Us old blokes need more young fielders like Ryan. Started bowling some nice leggies, which I hope he works on through the off season.
Reg Corney	Answered the SOS call in January to come and play. Ever reliable in the field and still the best spinner in the grade.
Jacob Cubitt	Excelled with the bat and ball. Always held the innings together and had some great partnerships with his dad. Could always be relied upon to take important wickets with the ball.
Roger Cubitt	Along with Jacob, was the backbone of our batting line up. Consistently made scoring runs look easy. Hopefully he'll be back next year, if his knees will let him.
Sam Giltrow	Another player playing his first full year of seniors and will benefit from the experience. Times the ball sweetly, however, can always find a way to get out just as he looks settled. Took some great catches.
Lewis Hudson	Loves his cricket and his willingness to do anything for the team never goes unnoticed. Had a very good season with the gloves and did a great job filling in as Captain when I was absent.
Ian Maher	Had another excellent season with the ball. His ability to bowl long, accurate spells helped slow the opposition's top order. Still manages to move the old ball around like no other.
Denzel Prasad	Had a great season with the bat and ball. Bowled the fastest spells in the grade. His season finished early due to his commitments with the Defence Force. We wish him well.
Wayne Robertson	Reliable opening bowler with his inswing always causing problems for the opposition. Started the season great taking many wickets. Was rewarded with a couple of games in 1 st grade.
Pat Salecich	Earned his promotion to opener bowler, taking the most wickets in the team. He was also very accurate with the opposition finding it very hard to score off. Will only improve as he ages.
Tim Saunders	Unfortunately, due to injury, didn't play many games. His absence left a hole in the middle order. Fingers crossed he can have a full season next year.
Jonathon Vitale	Had another consistent year with the bat and ball. Can always be relied upon to take important wickets. Always entertaining with the bat and he can change the game with his hard hitting and attacking nature.
Patrick Ward	Another former junior playing his first full year of seniors. Started the season solidly, opening the batting and spending time at the crease. Unfortunately, couldn't maintain his form throughout the season.

TEAM AWARDS

Batting Award:	Jack Losurdo
Bowling Award:	Sukhwinder Sing
Fielding Award:	Ricardo Stefan Bell
Players Player:	Kevin Duke

Player Profile – 8th Grade	
Lee Barnsley	Good old Lee turned up for his usual hat trick of games again. Poor old man
Rick Bell	A couple of lovely innings this year from Riccardo, getting the teams highest score of 79. Rick left his great catches until the final game.
Dave Brennan	As steady as ever with the bat and the gloves, Dave as usual kept himself busy.
Hayden Duke	First year of cricket for Hayden. Tried hard and always up for a laugh.
Kevin Duke	Good year for the man with no knees. Got his highest score of 44as well as a couple of ducks (1st ones). Kev bowled well for the first couple of overs
Barry Ingram	Good old Baz tried hard as usual. Poor old Baz suffered a bit with a bit of sickness this year, but nothing stopped the man from Nowra competing.
Charles Ingram	Charles always put his hand up to open the batting and he took some top catches this year fielding at mid-on.
Jack Losurdo	Jack batted very well with a few 50's and on his day he bowled good pace and was hard to hit.
Rob Losurdo	A couple of good innings from the Dapto Dare Devil, as well as his good catching/fielding.
Ken McNeil	I run this team, give the orders, provide guidance, leadership, mentoring, and as such I like to regard myself as Captain Birdseye, not because I have a natural eye for the game of cricket, or even because I like fishy fingers, but because I've got one leg like a Pirate, ARRGGGHHHH..... I'm the glue that holds this bunch of misfits together, unfortunately though, at times, it feels like I'm also just their Primary Care Giver for 6 hours every Saturday afternoon, just to give their wives a breather.... Anyway, onto my achievements, which were many, I made some excellent "Captains Calls" during the season, such as getting Rob Losurdo to bowl in the dying overs when the game was on a knives edge, he gracefully obliged. Telling Rick who struggles to catch a beach ball, to put the gloves on behind the stumps, and placing all the fielders on the offside, then proceeded to bowl leg side. Never, EVER did the boys question my calls, EVER, such is the respect I demand..... I had a good year with the ball, as always, taking out second spot for most wickets, and if it wasn't for Rob (my runner) and Rick (batting partner), conspiring to get a single off the last ball of every over, for the sole purpose to keep me off strike, I'd probably have been up there with the top run scorers too, but they're just jealous A-holes..... I even put on an end of season home made pizza lunch for the team, I didn't really want to, but I needed some pavers moved.... Anyway, hopefully most of them will retire soon.....
Like Prakash	Abhay joined our team this year and was very competitive batting and bowling. He enjoys his cricket that's for sure.
Sukhwinder Singh	With deserved most wickets this year for Mr Singh. Singh bowled very well bringing the batsmen forward playing the wrong shots. On ya Mr Singh.
Serek Warwick	The man from England plodded along nicely, as usual with some constant innings and keen fielding.

Senior Team Statistics - 9th Grade

Captain: Tim Constantine			
What an incredible year it was for our 9th-grade team! Although we had a somewhat shaky start with the bat, our bowling consistently proved to be too good. The attacking mindset of our bowlers instilled confidence in us, allowing us to successfully defend any total without feeling pressured while batting. We remained undefeated throughout the regular season. The finals were an absolute masterclass, as we bowled out the westerners for only 44 runs in the semi-final and restricted IRSL to 49 runs in the grand final. Our success can be attributed to true teamwork and selflessness. Can't wait for next season!

TEAM AWARDS

Batting Award:	Peter Fehrenbach
Bowling Award:	Jack Robertson
Fielding Award:	Thomas Robertson
Players Player:	Ben Gunn

Player Profile – 9th Grade	
Jack Constantine	It was awesome to watch Jack develop his game further this year. So much more patience with the bat paid dividends in some crucial innings for us. His glove work behind the stumps got better and better with each game.
Tim Constantine	This was by far my favourite year playing cricket with this great club. It was a pleasure week in and week out playing with this team, I can't wait to get out there next year and try to go back-to-back!
Peter Fehrenbach	Outstanding season with the bat for Pete, being the leading run scorer for us and possible the district in 9 th grade. Fell painfully short of a century in round 13. His help in the field and tactical suggestion were, as always invaluable.
Ben Gunn	What a return season for Benny. Coming in full time late in the season help cover some injuries, he immediately had an impact with the ball taking 5/30 in his first game. 4 more 5 wickets hauls for the season including a demolition of Westerners in the semi-final with 7/19, proved his class.
James McFarlane	Jimmy was another player who came in to cover injuries and after a bit of reluctance, and a few 40 plus inning down the order, found his way to opening the batting for us. Seeing of the new ball more often than not was invaluable. His patient performance in the grand final under very hot conditions was key to us putting great score on the board which proved to be unobtainable for the opposition.
Lucas Metcalfe	This was Lucas' first year of senior cricket and if his talents continue to improve, I am sure his height and pace will be something to contend with in the future. Lucas picked up his first senior wicket and first senior runs this year. along with his first premiership! Something some of us waited decades for!
Scott Metcalfe	Scotty is a great bloke to play cricket with, always up and about. Very handy with the ball, and his self-commentary while bowling is something to behold! A swashbuckling no fear attitude with the bat can net useful runs anywhere in the batting order.
Greg Pinnington	Pinno is an absolute club legend, and this season proved he still has the skills with the blade. His bowling is always on the spot and doesn't let anything stop him from sharing his opinions! Also, a great bloke to have a beer with after the game.
Jack Robertson	Jack had an outstanding year with the ball, we had by far the best opening attack in the competition. Jack is an extremely passionate player who is at times a little too hard on himself. Jack really stuck to the bowling plan and the wickets just kept coming.
Thomas Robertson	Tom's first change bowling was relentless all year. You could see the oppositions head drop as their thought of relief from our opening bowlers disappeared with Toms first delivery. He also did the hard yards for us in the top order batting with some very impressive knocks
Peter Shortland	Unfortunately, Pete's season was cut short due to injury however not before some great performances with bat and ball, a 5-fa early on and some solid inning with the bat showed that it could have been a great year. Massive thanks to Pete for covering much of the umpiring duties while he was injured.
Darren Taylor	Was great to have Daz play alongside Wyatt this year, always there to fill-in as we required he was always willing to step in and open the batting when he got the call.
Wyatt Taylor	Wyatt bowling was improving game by game and picking up handy wickets along the way. Unfortunately, an injury late in the season caused him to miss the finals, but I can't wait to see him back on the field next year to pick up where he left off.
Glen Tipping	Luckily for us Tippo decided he would play cricket this year! He came out as the 3 rd highest run scorer, averaging close to 50, despite being out for half the season! Each inning seemed to be better than the last.

Senior Team Statistics - 10th Grade Blue

Captain: Steve Evans			
10th Grade Blue had a great regular season fighting hard all the way for a minor premiership but falling just a couple of points shy of the goal. In the semi-final the team was a tough game for the team and not the result that had been hoped for. Every single player in the team contributed to the team's success with 6 different players taking 5 wickets in an innings, many scoring 50's as well as Harry's magnificent 100. It was a great year, with lots of good cricket, many laughs and a great team spirit. Bring on 2023/24.

TEAM AWARDS

Batting Award:	Justin Hardy
Bowling Award:	Ben Harris
Fielding Award:	Justin Hardy
Players Player:	Ben Harris

Player Profile – 10th Grade Blue	
Steve Evans	It was great to captain another Camden Cricket Club team this year. I really enjoy my role in giving junior players their first games of senior cricket and watching them go onto bigger and better things.
Jacob Evans	Had a fantastic season, found his place at the top of the order and has started scoring runs on a consistent basis. So happy to see him loving his cricket again.
Rod Feutrill	Rocket could always be relied upon to give the team a lift and show energy and passion in all aspects of the game. Got a 5 for this year which was a fantastic moment for him and the team.
Harry Feutrill	Harry had a breakout innings early in the season with his maiden senior century. His average of nearly 50 for the season is testament to the talent he has.
Ben Harris	The all-rounder. Nothing more needs to be said, 30 wickets and over 300 runs for the season shows why we love having Ben in the team.
Hish Hamdan	Injury kept Hish out of the team for the start of the season, however as he regained some confidence in the second half, he was ever reliable with the bat and took a 5 for with the ball.
Justin Hardy	350+ runs for the season, a top score of 87 and all of them scored in no time at all. The team all stop and watch when Justin goes out to bat because they know it is show time. Reliable behind the stumps this year as well.
Sam Lawrence	Sam has grown incredibly as a cricketer this year with vast improvements in his batting and bowling. A great season for Sam with even better seasons to come.
Elliott Power	His first full season in senior cricket. Elliot is a bundle of energy in the field with his speed and willingness to put his body on the line to stop the ball.
James Reid	A great season for James with the bat and ball scoring over 170 runs and taking 19 wickets. He was so consistent with his bowling being so economical and able to bowl long consistent spells.
Tom Reid	Such a great bowler who never misses his line and length troubling batsmen all year. Averaging over 20 with the bat and 11 with the ball a great year for Tom.
Owen White	The bowlers workhorse for the team bowling over 100 overs and taking over 20 wickets at 13 he is the backbone of our attack. Not the year he wanted with the bat but his early season scores show that runs are around the corner again.
Ryan White	Ryan's first full year in Seniors this year. He has gained great experience this year that will lead him onto having better and better seasons in the future. He on a couple of occasions batted well at the death to help us to some vital wins.
Josh Ryan	In many ways Josh was too good for 10 th grade batters this year. His bowling was nothing short of exceptional and he beat the bat over and over and over again without getting the results. He has a great pair of hands in the field and hopefully will be a full-time part of our team next year.
James Tidy	A future star for our club. James fitted easily into the team, an exceptional fielder with outstanding hands and a growing confidence batting at this level James will be an outstanding addition to the clubs senior ranks next year.
Joe Limbrey & Lachlan Congrove	The boys played the one game with us which ended up being a very short game with a big win for the rams that day.

Senior Team Statistics - 10th Grade Red

Captain: Simon Huntly			
An interrupted start to our season again due to climatic conditions saw us eventually come out of the blocks and chase down 180 to start the season with a win. Unfortunately, we were unable to repeat this on a consistent basis, finishing the season with 3 wins and 9 losses from our 12 matches. Highlights were some new father and son combinations, the introduction of 6 juniors into the senior grades, some first time seniors and 5 wicket hauls to Richard Blachura and Sarah Howard. A thoroughly enjoyable season.			
Batting Statistics

TEAM AWARDS

Batting Award:	Simon Huntly
Bowling Award:	Tom Anthofer and Richard Blachura
Fielding Award:	Riley Jacobs
Players Player:	Richard Blachura

Player Profile – 10th Grade Red	
Tom Anthofer	A return to play after a break last season. 14 wickets at an average of 14.5 and a top score of 45 in his eight games. Provided valuable experience to our younger players and much needed leg speed when fielding in the outer.
Richard Blachura	An outstanding debut season in club cricket. Played all 12 games, scored 220 runs at 15.7, 8 catches and 14 wickets at 15.4, including 5 for Nine against IRSL Blue. Deserving recipient of Players Player award. All this, and he got to play a season with his son.
Tom Blachura	A promising junior who played 8 games with his dad. Highlights were a match-winning last over to clinch a nail biter against Cobbity/Narellan in Round 1 and his keeping skills towards the back end of the season.
Tom Cusack	A first time Senior player who juggled cricket with Rugby during the second half of the season. Played 10 games with a high score of 21 and best bowling figures of 3/0.
Kynan Eagles	Another of our talented juniors who filled in for 2 games. High score of 17 not out and took 2 wickets at an average of 6.5 off 14 overs.
Tom Geale	Again, another of our talented junior players who helped out during the season. Played 2 games took 2 wickets for 39 off 16 overs and top scored with 10 not out.
Bruce Hannaford	One of 6 players returning from the one-day team of the previous season. Kept wickets for the majority of the season until injury and good form with the bat wore him down. After a luckless start, ended with 167 runs at 16.7 and a high score of 53.
David Howard	A club stalwart who did an outstanding job as our resident first slip fielder. Snagged a catch and took 2 for 31 with his well flighted leggies.
Sarah Howard	Finished equal 3rd in bowling aggregate with 10 wickets at 12.3 off 37.4 overs. The highlight was no doubt a 12 over spell against Cobbity Narellan in Round 2 where she finished with 5 for 29. Top score of 11 with the bat and finished the season strongly.
Gibson Humphreys	Played 7 of the 12 games with a top score of 35 in Round One. Highlight was a 50 over outright defeat saving 20 runs against the eventual competition winners which made Chris Tavare look like Speedy Gonzales. Also filled in on the odd occasion behind the stumps and took 2 wickets with his stable of mystery balls.
Skipp Humphreys	Only got to play 4 games due to a season ending injury. Resolute middle order batter who top scored with 13 and took 1 for 25 in what was an abrupt end to the year.
Simon Huntly	Rocks and Diamonds with the bat, scoring a few lucky 50's, to finish with 292 runs at 24.4, but also managed to find novel ways of getting dismissed when runs were needed. Took 10 wickets at 19.8 with his battery of nude deliveries.
Mark Jacobs	Another of the new father/son combo's who top scored with 8 and showed great energy in the field and when bowling. A
Riley Jacobs	A junior who was having his first taste of senior cricket. A top score of 39, some big hitting at times and 10 wickets at 12.8 certainly demonstrate the potential that he possesses. Runner-up in Players Player voting.
Arron Lam	Another first time senior. Left arm medium bowler who showed an uncanny knack to make the ball swing every time he bowled and possessed a nice variation of pace. Unlucky not to take more than 4 wickets and was outstanding in the field, using his baseball fielding technique on numerous occasions.
Bob Merlino	One of our club stalwarts and life members who answered the call when we were short during January. Top scored with 9 and kept for an innings when he was most needed.
Bernard Riley	A one game fill-in who blasted a quickfire 21 not out when batting at number nine against Camden Blue. The captain still has his kit in the hope that he will register in 2023/24.
Lachlan Selby	Crafty Left arm orthodox spinner and another of our juniors who helped out when we were short. Had on bat for 5 runs and took 3 for 33 off 11 overs.
Oliver Tyshkovsky	First season of Senior cricket after graduating from the junior's last season. Played 10 games and demonstrated great courage when batting and discipline with his bowling. Had a season high score of 6 and took 4 wickets off 29 overs.

Woolworths Blast Programs

Camden Cricket Club was successful in running the Woolworths Blast Programs this year, with XX participants turning out across the 3 different programs, Junior Blast, Master Blast and a Pop-Up Blast. A big thank you to Lauchlan Saunders for facilitating the program, along with our helpers, Sarah Howard, Matt Brewster, Amelia Moroney and Flynn Bradshaw, and to all the parents who helped co-ordinate activities throughout the season. Your assistance is very much appreciated, and programs like these simply cannot be successful without volunteers like yourselves. We hope all the kids has a blast and will be back again next year.
