Semi Final – Runner Up

Coach: Daniel Smith		Manager: David Price	
What a season this team has had! After a slow start with just one win from nine, they flipped the script in style, knocking over the top three teams to storm into the semis. The improvement week to week was fantastic, but even better was the way the boys backed each other every game. Lots of smiles, lots of teamwork and proof that form slumps are only temporary, but great team spirit is permanent!

Taj Guild	Reliable behind the stumps with solid keeping and strong defensive skills. Always vocal in the field, helping organise and encourage teammates. Continued to grow into a dependable all round contributor this season.
Ethan Kelleher	Excellent wicketkeeper and a real threat with the ball. Picked up a fantastic three-wicket haul, just missing out on a hat-trick. Continued to develop into a game changer for the team.
Darcy Lawrence	A solid all-rounder who contributed strongly to every aspect of the game. Particularly impressive with his work off the pads. Kept building momentum and confidence right through to season's end.
Muhammad Ali Moazzam	The team's go to statistician, always keeping things in check off the field. Consistent contributions with both bat and ball throughout the season. A steady and reliable presence who kept building his game each week.
William Pople	Huge improvement from start to finish, especially with the bat in hand. Outstanding in the field, taking several excellent catches. Finished the season as one of the team's most consistent performers.
Jackson Price	Full of energy in the field and a key part of some great opening partnerships with the bat. Brought enthusiasm to every game and lifted those around him. His all round game stepped up noticeably as the season went on.
Mohana Krishnan Ramesh	A quiet achiever who let his performances do the talking. Very handy with the ball and always delivered when called upon. Showed great growth and confidence as the season unfolded.
Mason Smith	Set the benchmark for the team this season with his skill and consistency. Delivered strong performances week in, week out and led by example in every game. Whether it was with bat, ball or in the field, he was always right in the action. A standout season and a huge driver behind the teams' success.

Minor Premier & Grand Final Winners

Coach: Peter De La Mare		Manager: Ryan Miller	
8 young cricketers came together with the same approach. To grow their skills throughout their season. All boys trained hard, took improvement opportunities onboard and executed their growing skills on Saturday morning. This seen the boys dominate all competition that came in front of them. Playing the season unchallenged and undefeated. A team of 8 cricketers that all made valuable contributions through the season. Bring on next season.

Nate Bullock	Nate joined our team with a commitment to contribute week in and week out. Showed pure speed between the wickets. Giving his coach a few too many nervous runs. A complete cricketer across all disciplines. With the same application, Nate will continue to grow his skills quickly next season.
Lachlan Colyer	Lachlan knew there was one way to make a grand final. Hit big and hit hard. Topping the district with 284 runs. Lachlan displayed great growth in all aspects of cricket. His willingness to listen seen a strong improvement throughout the year. Big things to come.
Ollie Croke	In his second year of hard ball cricket, Ollie used this season to concrete his cricket skills. Taking 25 valuable wicket with his bowling, and a fantastic batting technique seen Ollie take the district overall players award at seasons end. Mr dependable week in week out.
Callum De La Mare	With a 3 peat premiership status up for grabs, Callum started the season with a great attitude to lead with his actions. This seen him selected for his first representative side, Presidents Cup. He brought his representative learnings back to the team. Allowing all players to grow with him. Season highlight was his first hat trick. Caught and bowled for the second and third wickets.
Xavier Gordon	Playing his first season of cricket, Xavier's left arm quicks brought a great dimension to our team. Ran in hard at both training and match day. Batters struggling regularly to manage his bowling lines. Xavier was always happy to be bowling in the cool of a Saturday morning.
Aaron Jijo	With a 3 peat premiership status up for grabs, Aaron knew what was needed to lead a new team. Aaron demonstrated this with his on field actions. Aaron showed great enthusiasm to wicket keep on all available opportunities. Aaron continued to show an all-round love of cricket in all that he did.
Charlie Miller	Playing his first season of cricket, Charlie had big ambitions. Started the season bowling off the back fence. Finished it bowling very handy spin. All season he hit the ball far harder than his size indicated he would. Enjoyed a great season of skills growth. He'll wear his premiership with pride next season.
Lachlan Murphy	Lachlan's commitment to grow seen the season gift Lachlan with a premiership cap. Avenging the result of last season. Attended training with passion, took everything in and showed a great understanding of a team first approach. 17 wickets, that nearly all would have been bowled. Shattered stumps at every opportunity.

Semi Final – Runner Up

Coach: Andrew Zovi		Manager: Larissa Markovic	
Congratulations to the team on a successful season. This was the first year together for these boys and girls, most of them 2025/2026 was their first year of cricket. The improvements from every player with the skills they showed, and good cricket attitudes led us to a lot of wins with a place in the semifinal, although the win did not happen the experience will be invaluable next season. Special thanks to Liz Zovi for scoring for us for the season.

Saavi Johal	This was Saavi's first season playing cricket. She improved greatly through the season developing in confidence and in her understanding of the game. Looking forward to seeing her game continue to improve!
Madeleine Ledner	Maddie loves her cricket. Whether it is batting, bowling, or even wicketkeeping, she loves to do it all. Most pleasing was her constant voice of encouragement in the field and developing confidence in the team environment. A little pocket rocket, we wish her all the best for next season.
Maverick Markovic	Maverick enjoyed an outstanding first season of cricket, finishing with an excellent all-round performance. Leading the side each week with bat, ball or his rocket arm in the field, Mav was a reliable performer. Looking forward to what he can show us next year!
Cameron Matthews	One of the most competitive young players we have seen. Cameron held very high standards of his own performances. With such a mindset he improved consistently throughout the year and always wanted the ball or bat in his hand. A fantastic young human being, Cameron was a pleasure to coach this year!
Ryker Sault	In his first year, Ryker established himself as one to watch in the future. He discovered the art of stealing singles and twos to build a score late in the season which produced great excitement for teammates and supporters alike.
Gemma Wilson	Gemma had a brilliant season, showing particularly good all-round ability. This season her batting proved crucial, making important partnerships and getting key runs when needed. Gemma was also a key leader in the team, and kept the team focused and motivated on the field.
Bianca Zovi	Bianca worked hard on her bowling action this year which developed into a far more efficient technique than she started the season with. The team benefited from her sustained hard work, always putting 100% to whatever she was doing and however the team was going. All the best with next season Bianca.
Fred Zovi	For his first year of cricket, Fred has come leaps and bounds since the start of the season. His batting has developed well, often proving to be 'a wall' against some good opening bowling. Keep up the magnificent work, Fred.

Under 10 White-Red Grand Final - Runner Up

Coach: Ben Margin		Manager: Daniel Bye	
An outstanding first season of cricket for these young boys, making it all the way to the Grand Final and falling just a couple of runs short. We couldn't be prouder of how they improved week after week, always supporting and encouraging one another. We hope they're all eager and excited to go one better next season.

Noah Gebhardt	Noah had a wonderful season, showing noticeable improvement with bat and especially with the ball. Each week he stepped onto the field with even more enthusiasm, growing more confident and determined as the season progressed.
Teddy Nightingale	Teddy's development over the season was fantastic, particularly with the bat. His growing confidence was clear every time he walked out to the crease, and his achievement of hitting the team's first boundary of the season was a standout highlight.
Finn Dwyer	Our opening batter has been a rock at the top of the order all year. Every game, he walked out with composure and defended his wicket setting the tone for the rest of the team. And not only did he shine with the bat — he also stepped up brilliantly as wicketkeeper, taking our first catch behind the stumps.
Leo Tindle	Leo has shown massive improvement this season with both bat and ball. His hard work and growing confidence really stood out and seeing him take his very first wicket was a brilliant milestone — one he absolutely earned. It was a great moment for him and for the whole team to celebrate.
Lincoln Bye	Linc delivered an outstanding all round season. He contributed brilliantly with both bat and ball, but where he truly shone was behind the stumps as our number one keeper. Not only did he play every single game this season, but he also produced crucial run outs and stumpings at key moments that changed matches.
Oliver Margin	Ollie put together a fantastic all round season, taking 10 wickets and finishing as the team's second highest run scorer. His improvement was clear every single week, growing in confidence and impact as the season went on. One of the things we love most about Ollie is the way he celebrates every wicket with his teammates.
Owen Bryan	Owens had an excellent season, performing consistently week in and week out with bat, ball, and in the field. His effort and skill showed in the crucial run outs he created and saving his very best for the biggest stage — the grand final — he was awarded Player of the Match even in a losing side, which says everything about just how well he played.
Spencer Hawkins	Spencer had a fantastic season, especially with the ball becoming our spearhead fast bowler, finishing the season with an impressive 14 wickets. Not only that — he also topped our run scoring, proving just how valuable he is as a true all-rounder. His outstanding performances across the board saw him finish inside the top three players in the entire competition.
Noah Gebhardt	Noah had a wonderful season, showing noticeable improvement with bat and especially with the ball. Each week he stepped onto the field with even more enthusiasm, growing more confident and determined as the season progressed.
Teddy Nightingale	Teddy's development over the season was fantastic, particularly with the bat. His growing confidence was clear every time he walked out to the crease, and his achievement of hitting the team's first boundary of the season was a standout highlight.

Minor Premiers & Grand Final Winners

Coach: Stephen Bullock		Manager: Merrilee Russell	
A terrific season by the Under 11 Div 1 side, who remained undefeated throughout the 15 round games, and continued the run finishing as Premiers. Each boy made excellent contributions throughout the season, and whilst it was a newly assembled team, they quickly formed great friendships and were a pleasure to coach this season. Many thanks to Merrilee for your help this season, Gary for the amazing photos each week, and the parents who assisted all season.

Name	
Anthony Beh	Stepping up to Division 1 this year, Anthony immediately settled into the team with some outstanding performances with bat and ball and was terrific with the wicket keeper gloves throughout the season. He is a ball of energy, and has terrific hand-eye coordination, tallying up runs every week and always contributing with the ball or in the field. Outstanding season, Anthony!
Ashton Turner	When we were under pressure, Ashton would always step up to bowl against the competition's best batsmen, and week after week perform brilliantly. His line and length are superb, and he was a key reason for our Grand Final victory. In the field he took some fantastic catches, and his batting improved all season, scoring at a run a ball and contributing to all facets of the game. Thanks for a great season, Ashton!
Austin Markovic	Austin was dismissed just three times all season, with an average over 130 and a strike rate at almost 200. He was often the anchor of the innings, facing the best bowlers each week and making run scoring look easy. He also contributed with the ball in hand, taking the equal most wickets in the side (even after a bowling action change halfway through the season!). Well done, Austin!
Braxton Russell	Mr Reliable. Braxton was so consistent with bat or ball in hand and did an outstanding job with the wicket keeper gloves all season. He scored runs quickly, kept runs to a minimum with the ball, and rarely let a ball past him with the gloves on behind the stumps. Whilst a broken bone robbed him of playing in the Grand Final, Brax was a key reason we were there in the first place. Awesome season, Braxton!
Jesse Everson	New to the club, Jesse got off to a great start and picked up an early man of the match v Ingleburn. He is willing to listen and learn, and he improved a part of his game each week. He is deceptively quick with the ball in hand and keeps the scoreboard ticking with the bat. We hope you enjoyed your first season with the Rams, Jesse!
Nicholas Macri	The rock at the top. Nic opened the batting in most games and took apart opposition bowling attacks. His batting is elegant and he has all the shots already. After some encouragement Nic developed his spin bowling this year and had some outstanding performances with the ball, including his 3-5 in the Grand Final! Congratulations on a fantastic season, Nic!
Noah Bullock	Another who stepped up to Div 1 this season, and he was off to a great start with a high score with the bat in Round 1. He was consistent with the bat and valued his wicket, being dismissed just six times all season, and whilst the wickets didn't come with the ball too often, his economy rate was outstanding and he put batsman under pressure to score. Well done, Noah!
Oliver Ryan	Also stepping up from the 10 Green last season, Oliver improved every game this year and the wickets began to come very consistently in the second half of the season. His bowling was accurate and reliable. Oliver worked very hard on his batting and was always doing his best to contribute each week. We hope you enjoyed the season, Oli!
Alexander Russell	You wouldn't know it, but this was Xander's first season of cricket. He was simply outstanding with the ball, bowling exceptional line and lengths and making run scoring impossible for batsmen. He scored at better than a run a ball with the bat, and was rarely dismissed, and in the field he took the most catches and the most run outs in the district. What a season!

Under 11 Division 2

Semi Final – Runner Up

Coach: Conor Dowling		Manager: Ganesh Jagannathan	
Camden U11/2 have had a great season, and it's been awesome to see how much everyone has improved. The kids have really backed each other, celebrated the small wins, and kept going even in the tight games. There's been some fantastic batting, brave bowling, and heaps of effort in the field. Most importantly, they've had fun, shown great sportsmanship, and played as a proper team all year.

Minor Premiers & Grand Final Winners

Coach: Clint Bradley		Manager: Clint Harding	
3 in a row! We were clear minor premiers, but the guys had to dig deep to pull out the wins in both finals. In the semi-final they had to do it with the ball to defend 46 (winning by 20!) and had to work hard to get the runs in the GF against an Oran Park that were up for the fight. Of course there were great individual performance throughout the season, but it truly was a team effort with everyone's contributions vital when it mattered. Great kids and parents make the success even more memorable.

Ash Bradley	Ash set himself up well this year transitioning from Stage 1 cricket into Stage 2, realising that his opposition can catch now so he doesn't want to smack everything in the air! Hopefully, he noticed how the opposition set their task to limit his runs or wickets, and how happy they were when they achieved it.
Jacob Fischer	One of the best fielders in the team and one of the hardest hitters. When his confidence is on point hits the ball as well as anyone. Jacob's bowling this season was excellent, like a few other it isn't represented in the results, but when we needed to slow the opposition down his name was one at the top of the list of go-to options.
Suvani Gupta	Never without a smile or a cheeky eye roll at the coach! Sav is disappointed with her batting returns but should realise that she played her part in the team. She has a forever memory when she danced down the pitch and launched a massive six into the opposition crowd! Best moment of the year for the coaches and many others watching. Bowled far better than the stats suggest.
Joshua Harding	Josh spent less time with the keeping gloves on this year and had a run out in the field...with surprising results! Taking catches and creating runouts with his shoulder rocket. I can't believe one coach says he has a custard arm... Regularly opened the batting and set the team up for a good innings, and his loopy offies put the brakes on at critical times.
Harry Houghton	You don't really start a season better than Harry did, pasting Magpies to all parts of Belgenny to score his maiden century. It was an entertaining watch! He backed it up a couple of games later with a 5fa to show he can get the job done with ball also.
Amelia Ingram	Besides being too noisy.... what a bloody delight it is to have Amelia in the side! Improved very noticeably throughout the season, particularly with the bat, so much so that she worked her way into the opening position going into the finals. Spent plenty of time behind the stumps and really handled it with commitment, rising to the challenge when a couple of the boys were letting them go!
Kobe Lewis	Another delight to have in the team. Kobe was quite possible the most accurate bowler in the whole division and is hard to play when he has the ball moving around. These attributes regularly had him with the new ball, which is something he should be proud of with some handy bowlers in the side. Played a couple of great innings with the bat and has the skills to do it more often.
Leo Lonergan	"Buckle up boys...this kid can't drive!" Classic Leo! One of his best but doesn't need to apply that one to himself with some very elegant strokes through the offside coming from Leo's bat. Found a home facing the new ball and did an excellent job turning over the strike and getting maximum dew all over the ball to help his teammates to follow.
Thomas McGrath	Referred to himself as a Div 2 player but fits right into Div 1, shown through being near the pointy end in the stats. Has as much potential as anyone in the side and we were treated to views of that on more than one occasion. Has the most unplayable ball in the team, regularly cutting up his teammates at training with big inswingers. Looking forward to the development next year.
Ethan Ryan	The bomber! When Ethan hits it they stay hit. He gained confidence throughout the season which pleased his coaches and supporters. We knew he could do it. His bowling was also more than handy, with huge improvements coming every game – so much so that he ended up with the best bowling average amongst a decent lot of bowlers.
Jack Whitbread	Another new addition this season and very happy he's on board. Hits the ball hard and we can expect plenty of runs from him over the years. A safe pair of hands in the field, taking out the most catches. It's his bowling that stands out and bowled the best spells of the year at various times – his tricky quickish leggies having the opposition scratching their heads regularly.

Under 12 Division 2 Blue

Coach: Christian Frederiksen		Manager: Mark Jacobs	
U/12 Division 2 Blue had a strong and enjoyable season, highlighted by some very impressive team performances and some convincing wins. It was a great privilege to coach the team and particularly enjoyable to see the players develop their skills, confidence, and teamwork as the season progressed. While the second half of the season brought a few tougher matches and results that meant we narrowly missed the semi-finals, the effort and improvement from everyone remained excellent. Overall, the team should be proud of the way they played, supported each other, and represented the club throughout the season.

Katrina Arora	One of the quiet achievers in the side Katrina secured the batting award after notching up nearly 130 runs at an average of over 25. Was not-out in more than half her innings. While at times she underestimated herself her performances showed just how capable she is. A beautiful timer of the ball, she played off drives that the Australian team would be proud of. There's no doubt Katrina will go from strength to strength!
Oliver Frederiksen	Ollie made important contributions to the team early in the season, capturing crucial wickets with the ball. He was also beginning to find good form with the bat before his season was unfortunately cut short by injury. As always, he showed his trademark awareness & skill as a strategic & crafty runner between the wickets. We look forward to seeing him back out there next season and building on the promising form he was starting to show!
Devan Ghai	Big Dev had a very solid season & was a reliable member of the team in every match. He contributed with both bat & ball & was always willing to put in the hard yards in the field or behind the stumps. Devan is a terrific team mate & his positive and encouraging attitude never failed to lift spirits. Always a pleasure to coach; look forward to seeing you back next year.
Brianna Gillen	Bree had a fantastic season and lifted the whole team with her positive attitude and courage to push herself. Improved out of sight with both bat and ball as the season progressed. We loved nothing more than seeing Bree hit her first four of the year or send the bails flying with a straight yorker. Took some cracking catches too. A super season!
Chase Graham	Chase had another really positive season and was a dependable member of the team each week. He contributed in all areas of the game and could always be relied on to give his best effort. His deceptive round-the-wicket bowling snared us key wickets and whether batting, keeping, or chasing down a ball in the field, Chase gave his best all season.
Oliver Jacobs	Our leading wicket taker with 10 scalps, OJ spearheaded the attack with relentless accuracy and was a deserved winner of the bowling award. Regular contributions with the bat and in the field led to another great all-round season. Well done Ollie.
Nuhad Kamal	Nuhad brought plenty of enthusiasm and energy to the team this season and showed exciting potential with the bat and ball. At his best he was almost impossible to face, sending down rockets and taking crucial wickets. As he continues to work on consistency and line and length he will be a force to be reckoned with. With his positive attitude and tenacity, the future of his cricket looks very bright.
Ammar Khan	This was Ammar's first season of cricket and he showed great courage in jumping straight in and giving everything a go. While the game was new and sometimes challenging, his effort and willingness to learn never faded. Week by week his confidence grew and it was great to see him celebrating the small wins along the way. With that attitude, there is plenty of improvement and enjoyment ahead.
Sameeksha Pagolu	Sameeksha had an outstanding season. She dominated with the bat and consistently took wickets and catches. Our leading run-scorer and a sublime striker of the ball, Sameeksha sent opposition fielders chasing to all parts of the ground. Equally effective with ball in hand, she took key wickets throughout the season with her pace and accuracy. A fantastic all-round performance.
Jack Pudo	Jack was a fantastic team player all season and always brought a great attitude to games and training. He contributed in a range of ways and his bowling in particular improved out of sight as the year went on, ending up with 6 prized wickets. Well done Jack-o on a big season.
Patrick Waters	A super first year of competitive cricket for Patty. His variation with the ball – be it spin or medium pace – racked up plenty of wickets including a memorable 4 for 3 against Cobbitty-Narellan. His strong batting technique and ability to pierce the offside field were great to watch, and the way he was able to build partnerships at the crease was fantastic. Patty showed huge potential this year and I'm confident his love of cricket will continue to grow along with his runs & wickets!

Coaches: Cameron Reed & Dom Cannon		Manager: Nick Sinclair	
The team had a fantastic 2025–26 season, showing great improvement across all areas of the game. Throughout the year the players developed their batting, bowling and fielding while continuing to support each other and play with great team spirit. Several players produced standout performances, but most importantly the group worked together as a team and represented Camden Cricket Club with enthusiasm and pride.

Cody Riley	Cody was a consistent member of the side this season and a very reliable presence at the crease. He was often our constant wicket, rarely giving it away and showing great patience with the bat, becoming a real “king of the block” when digging in for the team. Cody also brought great energy in the field and always supported his teammates.
Harrison Nightingale	Harrison had a strong season and was a key member of the team throughout the year. His great attitude and willingness to give his best every week made him a valuable contributor, and he also led the way with the ball, finishing with 6 wickets.
Ishaan Potharaju	Ishaan was a key player in many matches this season. He produced one of the team’s standout batting performances with a top score of 32 and regularly contributed when the team needed it most.
Jacob Prior	Jacob worked hard on his bowling action throughout the season and made huge improvements as the year went on. His dedication at training and in games really paid off as he continued to develop his skills with both ball and bat.
Lakyn Gilbert-Reed	Lakyn had an excellent all-round season, leading by example with both bat and ball. He finished as one of the team’s leading wicket takers with 9 wickets and was always encouraging his teammates with positive talk in the field.
Logan Kennedy	Logan contributed week in and week out for the team. He showed great versatility with the ball, able to switch from medium pace to spin when needed and also supported the team behind the stumps as wicketkeeper.
Noah Sinclair	Noah continued to improve across the season and worked hard with the ball, taking important wickets when called upon. His fielding was outstanding and often better than the statistics showed, saving runs and putting pressure on the opposition.
Sebastian Ponsonby	Sebastian had a fantastic all-round season, leading the team with the bat and also taking important wickets with the ball. He was also a massive personality in the side and helped bring the team together, building a strong team spirit throughout the year.
Thomas Hazelton	Thomas was a key all-round contributor this season, delivering excellent performances with both bat and ball. Known for his trademark long run-up, he built great momentum into the crease and finished the season with 9 wickets.
Zayde Cannon	Zayde continued to grow in confidence throughout the season. When at the crease he produced some useful runs for the team and was always a loud and encouraging voice both in the field and while batting.

This season reflected growth, resilience, and a renewed commitment to improvement, and whilst progress may not have always been immediate, the development of this team into a group of fine young men was a pleasure to witness. It was satisfying to watch this team learn to be confident, intense and competitive on the field, and take pride in their efforts. Every player took meaningful steps forward in their own skills and performances, but the collective wins, memories and highlights that they all share are now firm foundations for next year’s season. Thank you Tim, Tex and Paul, you are all legends. Go get them boys, it’s been a pleasure.

Adon Atreja	Hampered by a wrist injury for a good chunk of the season, it was nice to see Adon shoulder more responsibility when he had bat or ball in hand. His steady front foot defence will serve him well in the future, and as he continues to work on pitching the ball up on the stumps, he will be one to watch!
Lachlan Faint	Lachy had a stellar season this year, and it was a privilege to watch. Lachy proved to himself that consistent effort, practice, and mastering the basics makes for a fantastic all-round cricketer. His first half century will be a very memorable one. It's been great to see Lachy back himself and trust his skills.
Noah Farrar-Roberts	Noah didn't get to play every game this season, but when he did, he showed us what we were missing out on. A handy all-round cricketer who will only get better with hard work and more practice. His calm, positive, and encouraging nature brought vibrancy and enthusiasm to the team. A pleasure to coach.
Edward Knapp	It hasn't quite clicked yet for Ed, but when it does, look out. Ed generates a lot of pace with the ball, despite his height, and when he pitches it on the stumps it's unplayable. Ed has a lot of talent with the bat too, which with a bit more patience and longer innings, will be great to watch. Stay out of trees Ed.
Michael Macri	Michael is a credit to himself and his family. In his first season of cricket, Michael showed that even the quiet, unassuming players can have a big impact on and off the field. Years of drills in the nets have begun to pay dividends for Michael, and I look forward to watching him score lots of runs.
Bryson Marano	Marnus! Knows more about me than cricket, and probably most of us. Good leg spin is rare, and this kid has it. Seeing Bryson's confidence this season was a highlight, and whilst it didn't always translate to success on the field, he made sure every effort gave his team the best chance of winning.
Benji Niranjana	When he isn't hampered by his backyard cricket techniques, Benji is a star on the field. A fantastic all-round cricketer, always focused on making an impact. Targeting the stumps consistently will make him a feared bowler, and more time at the crease will see Benji score many runs. What an arm too!
Ruben Samcam	Ruben's cricketing ability has grown at a rapid rate, considering last year was only his first season of cricket! A confident opening batter who values his wicket and punishes the bad ball, Ruben is also a very handy bowler (when he remembers how to bowl) and valuable, safe pair of hands in the field.
Oliver Sampson	Ollie had a slightly frustrating season, but his all-round skills and passion always kept him in the game. Unreal ability to hit the ball hard, bowl fast, and also a bit of spin. With the amount of time Ollie spends practicing, big things aren't far away! A young man who does a lot to support his mates.
Nash Schenpf	Once Nash had worked past the nerves of starting a new sport and facing some of the best bowlers in the competition, he was quick to make an impact on the game and on his teammates. His passion and competitiveness were refreshing and made him a pleasure to coach. Someone who will love cricket.
Harvey Stead	Harvey is a pleasure to have in this team and is someone who enjoyed some very well deserved on-field success this season. Sharing the top of the charts as equal leading wicket taker, Harvey was a reliable bowler who troubled many opposition batters. A privilege to coach. A bright future ahead.

Oscar Colliss	Oscar continued to develop his leg spin this season, providing economical spells, taking wickets, and creating chances throughout . He batted with good consistency and patience, showing a strong ability to build a partnership.
Ryan Hine	Ryan continued to show great improvement throughout the year, opening the bowling on a couple of occasions. He also displayed growing confidence with the bat towards the back end of the year. Most impressive was Ryan's positive attitude within the group and engagement at training.
Iyad Khan	Iyad joined the team later in the season and seamlessly fitted into the group with good energy. He showed great variation with his bowling and made solid contributions to the team when called upon.
Lachlan Nicholas	Lachlan's season was interrupted with injury, however when available he continued to provide great versatility, bowling quality pace , occasional spin as well as displaying unrivalled standards and performance in the field.
Affan Qadeer	Affan continued his improvement throughout the season, regularly taking wickets and opening the batting on several occasions. His fielding was also of a solid standard, taking catches and displaying a strong and accurate arm in the outfield.
Samson Quagliotto	Samson provided a great point of difference within the team with his left arm medium pace and batting. With limited opportunities, he often took wickets and could hit a big ball when he connected.
Lucien Salt	Lucien grew in confidence throughout the year with solid performances and contributions behind the stumps. Lucien also brought good energy with his talk on the field, continually encouraging the bowlers.
Lawson Sutton	Lawson's season was interrupted with injury; however, he still posted a couple of good scores throughout to be the leading run scorer in the team. He also showed great ability in the field, taking many difficult catches.

Kaelan Tucker	Kaelan achieved his first 5 wicket haul this season and bowled many good spells throughout. He also registered his highest score with an unbeaten 35 runs.
Sammy Turkington	An injury interrupted start to the season for Sammy but added great leadership to the group on his return. Sammy impressed with the ball bowling many economical spells throughout the season. He also registered his first half century.
Adam White	Adam battled through injury for most of the season, but when available was still able to bowl with serious pace. Adam also posted his first half century with the bat and recorded a few other good starts.
Aidan Wilson	Aidan continued to deliver consistent numbers with both bat and ball resulting in the award for All Rounder of the Year. Aidan achieved two hat tricks and 5 wicket hauls in the season, whilst also delivering great economy.

Shreyas Adhikari	Only Played 3 games. Looked good in a small amount of game time
William Barrett	The lively spirit of the team. The longer the season went, the more confident and consistent his performances became, showing real development. Never one to shy away from tough opposition, he consistently put himself in the contest and embraced every challenge that came his way. Played an important role batting at 3.
Archie Dobbs	As an opening bowler, he set the tone for the team, troubling opposition top orders with sharp pace and steep bounce. He attacked with intent making him a genuine threat. With the bat, he displayed impressive composure throughout the season. Willing to dig in when required, he absorbed pressure and allowed more aggressive players to bat around him.
Charlie Farias	His effort has been the biggest improvement this year which has made a significant difference to his overall performance. His fielding has improved dramatically, both in the air and along the ground. He has developed into a very capable spinner, and on turning wickets in the 16s, he has all the tools to become a highly effective bowler. An absolute pleasure to coach.
Mohammad Ali Hashmi	A new addition to the team this season, he quickly found his role and contributed consistently. He bowled a steady line and length through the middle overs, helping control the run rate. With the bat, he filled in wherever required without complaint, always putting the team first. A quiet achiever with plenty of potential to develop into a very good player.
Cooper Hayes	Another new addition. The longer the season went, the more consistent and controlled his bowling became. He saved his two best performances for the finals, producing an outstanding 14 overs, conceding just 52 runs, taking 5 wickets and contributing in a crucial run out. He will be one of our most important players on turf next season.
Max James	He has developed into a very good, consistent fast bowler and became our go-to option when we needed control and composure. At times he tried to bowl too quickly, but when he stayed in his rhythm, he was outstanding. His effort in the field was the most pleasing aspect of his season, showing real commitment. A fantastic young player and an absolute pleasure to coach.
Anthony Macri	Team captain and opening batter. Earned his first representative selection and scored his maiden century. Without doubt the most improved player in our team. He also stepped up to play in the 16's competition. Combined stats were 23 innings, 875 runs, 8 half-centuries and 1 century at an average of 46.61. Finished hoisting the premierships trophy to cap it all off.
Zachariah Niranjan	Played with consistent effort every single week. Never complained, always receptive to feedback and extremely coachable. He improved with every game, which earned him the opportunity to open the bowling as a spinner in both finals. The opposition struggled to read him, and he played a major role in our premierships success

Elijah Pirie	The pest of the team, always talking and keeping everyone connected. He brings energy that lifts the team both on and off the field. His presence is a key part of team morale and spirit. A reliable point and gully fielder, he was instrumental in five run outs this season. His batting has developed significantly, finishing with a career high score of 88 in the Grand Final.
Ryan Prakash	A fast bowler who became a real point of difference with his around-the-wicket style. His fielding also took a huge leap this year. He spent much of the season in the deep which he initially felt nervous about, but by the end of the season had become one of our most reliable deep fielders. His baseball-style slides were spectacular, saving at least 10 boundaries during the finals
Flynn Salter	What a season. Everyone knows the quality he brings to the team. Delivers with both bat and ball. His skill, composure, and cricketing intelligence make him a constant threat to the opposition, and he played a pivotal role with 2 centuries throughout the season. Beyond his performances, his leadership and presence on the field makes him a true role model for the team.
Oliver Sport	As a coach I believe in Oliver and I put him in several pressure situations, including opening the batting. Watching him grow in confidence and start to realise he is more than capable has been fantastic. His catching improved tremendously over the season, highlighted by one of the high deep catches of the year. I have no doubt he will take his game to the next level next year.
Owen Sweeney	A quiet kid who has more fight and determination in him then he lets on. This season he produced two crucial half-centuries which turned games in our favour for wins. Beyond his batting, his work behind the stumps has been excellent, sharp and reliable, contributing significantly to the team's overall performance. He's the type of player who lifts the group quietly but effectively.

Grand Final – Runner Up

Coach: Scott Metcalfe

A mixed season of performance for the 15/2 Reds, that saw the team perform extremely well with the ball but struggled to put on runs with the bat consistently. The team are a tight knit group on and off the field and play for each other with 100% effort every game. It was a pleasure to watch each player improve their cricket, putting together the most comprehensive semi-final team victory since this team formed. Unfortunate to finish the season as runners up in the Grand Final, but there will be more opportunities for them in the coming seasons.

Name	
Abbey Bloomfield	Abbey is a powerful cricketer, who is versatile in skill across all facets of the game. Abbey sets the standard to find runs when batting, and is a skilled bowler and fielder always putting in 100%
Jessica Farrar-Roberts	Jess always gave her best and was always keen to improve. Her positive approach to giving it her all made Jess a pleasure to coach. Watching her confidence and skill grow each week was just brilliant.
Olivia Fitzjohn	One thing about Fitzy, I would never die wondering what was on her mind! Her honesty and openness kept me on my toes each game, but she never let me down. Known as 'the finisher' with her bowling, Fitzy regularly closed down games when needed. Her batting improved out of sight this year, which was rewarding personally. Thanks Fitz!
Riya Ghai	Riya was a quiet achiever this year, with the ability to take critical wickets with her bowling. Riya always gave 100%, was a respectful team member and a kind young lady.
Georgia Grubisa	Georgia had more energy to burn than a coal fired power station! A terrific listener who was always keen for feedback to improve. Georgia was a coach's dream, a true team player that always gave her best. Georgia's bowling and batting improved every week and took a number of memorable catches this season at crucial moments. Thank you Georgia!
Amina Khan	Amina is a very talented bowler, who produced top notch wickets each bowling spell. She was quick, accurate and produced nice out swingers. Amina worked hard with her batting and fielding and was a great team member.
Surayya Khan	Surayya had the toughest of seasons through injury that kept her out of the game. Early on, Surayya showed her batting strength producing power strokes. Wishing a speedy recovery
Hannah Metcalfe	Hannah was a fearsome fast bowler, striking the top order each match to get the team off to a strong start. Hannah improved out of sight with her batting and fielding, taking great catches and scoring runs. Listening to the coach's advice was low priority for Hannah, and her catch cry 'I know dad' echoed in my ears. She just got on with the job at hand. It was a pleasure to watch her grow as a cricketer over the years, Thanks Han
Lacey Metcalfe	Lacey captained the team brilliantly this year and was a pleasure to watch her leadership and strategic mind grow each game. Lacey took the losses personally and worked hard to keep the team cohesive. She improved with the bat as the season progressed but was always impressive with the ball. Thanks LB for the work you put in.

Liviah O'Brien	Liviah was the ultimate team player, a great listener, talented, respectful but worked so hard to give her all. Liv always had an impact on every game, quiet and unassuming but had match presence. Liv was always on time, first one at the ready to go. Thanks for a great season Liv, very much appreciated from me.
Nikita Singh	Nikita had big personality, cheerful, kind and respectful. Nikita never feared a challenge with the bat or ball. Nikita was a skilful leg spin bowler who will improve out of sight with more practice. She always said she'd give her best at every game, and Nikita certainly did. Thanks Niki
Amelia Stucki	For the youngest team member, Amelia had raw talent in spades. She was gritty and fearless, stepping up to every challenge. An absolute all-rounder of the game, there wasn't any part that she didn't succeed. Amelia blasted runs with the bat and was fast with the ball and speedier in the field. Amelia was the player all teams dream of having in their lineup.
Alina Tucker	Alina is the most consistent wicket keeper in junior cricket over the last few years. She worked hard every game behind the stumps to keep the Reds in every match. Alina created stability at the top of the batting order, quietly accruing runs, plus catches and stumpings, spending more time around the stumps than any other player in the comp. Thanks Alina for all your hard work for the team.
Charlotte Warner	Charlotte had the ability to put every team under pressure with her presence on the field. The most consistent first slip fielder I've seen, she snapped up edges from our pace bowlers with ease. That created early pressure on the opposition. An up and down season with the bat, but always a sight to behold when hammering 4s and 6s with ease. The Reds wouldn't be the team they are without Charlotte. Thanks Char!

Grand Final – Runner Up

Coaches: Geoff Charlton & Lewis Hudson		Manager: Charmaine Charlton	
On behalf of Lewis and myself I would like to say what an honour and pleasure it has been to coach a fantastic talented group of young men this season,8 players from last year & a mix of U14 & U15's they clicked like they have been playing together since U10's. In the Grand final we pushed the undefeated Oran Park within 2 runs to almost take the victory, the boys should be very proud of themselves. We would like to thank the constant support of parents that were their every week and a very special mention to the players who made themselves available, when short of players Flynn Salter, Cooper Hayes, Elijah Pirie, Oscar Collis and Affan Qadeer.

Ryan Charlton	Vice-Captain, opening bowler and batted anywhere from 1 to 6, nothing seemed out of question for the sake of the team. It has been a great journey from U10's white, 3 premierships, 5 grand finals.
Charlie Faris	A U15's player who joined our team. I coached Charlie in U10's where he got his 1 st premiership win. Charlie is very handy spin bowler full of confidence & skill, batting down the order proving valuable & great in the field. Thank you Charlie for being part of this team, it has been an absolute honour to have you part of the U16's
Mohammad Ali Hashmi	First year Camden player & another U15's player who fitted in so well to the team. A medium pace bowler, bowling a great line & length, which was a great asset. Thanks for choosing Camden Rams to play for it been great getting to know you.
Anthony Macri	Our opening batter with the highest runs in the comp, Anthony is another one of the U15's who stepped up to play you are a very handy spin bowler and proved yourself in the slips. Thank you for the season Anthony.
Dylan Madden	The team needed a keeper this season and Dylan stepped up and excelled in keeping to the fastest bowlers in the comp. Very proud of you Dylan with the cricketer you have become, to finish your season in junior cricket with the most catches by a wicket keeper is outstanding.
Andrew Mooney	A natural sportsman playing his 2 nd season, skills improved immensely especially in the field, if the team went quiet on the field, he was the one that would rev them up. Thanks for the hard work Andrew.
Ryan Parry	A very intimidating fast bowler who can hit the cover off a ball, Suffering with a broken thumb during the T20 comp but made it back for the finals. Great to see you hit your highest score of 49 this season, well done mate.
Luke Prior	Had the pleasure of coaching Luke since U10's with Ryan C. Luke soaked up so much pressure in the Grand Final being not out. Please look back on your 3 premierships with pride and know that you gave 100% in all aspects of the game.
Joshua Nicholas	Seen this young man play since U10s, a very talented & focused player delivering 110% every game. Outstanding in the grand final with 4 wickets and while suffering with cramp delivered 36 runs. Thanks for the massive season Josh.
Farzeen Qadeer	Our very solid opening batsman(we call him the wall) and spin bowler, a magnet in the field to achieve the catch of the match. It's been a privilege to coach you since U13s.
Tex Thornton	To see Tex grow since U10's in skill and with his leadership being captain this year he was the glue for the team, very positive in his captaining, leading them into the grand final and to be the well-deserved man of the match with the score of 47 and 3 wickets. Congratulations on your outstanding season Tex.
Aidan Wilson	An U14's player who joined our team, who proved size does not matter, a medium/fast bowler, who bowled with immaculate line and length, outstanding in the field who never missed a catch. It's been outstanding to have you in the team this season Aidan thank you.
Michael Woolley	His improvement over the 3 years is impressive, a great bowler that has a sneaky slower ball that fooled the batsman. The T20's is where he shone, hitting the ball hard. Really enjoyed having Michael in the team.

Semi Final – Runner Up

Captain:	Kieren Ross		
The team showed strong potential across the season, producing some excellent performances, although consistency at times was lacking. A semi-final appearance was a solid achievement, with the campaign ending against the eventual premiers. Team culture remained a major focus and was a real strength throughout the year. With a relatively young side and several debutants, the group gained valuable experience. Overall, the team is progressing well and building towards a promising future.

Myles Aston	Myles delivered another strong all-round season, contributing with both bat and ball. He showed great adaptability in his batting, anchoring innings when needed or accelerating under pressure. With the ball, he was extremely dangerous at times, used primarily as a wicket taker who can exploit conditions made him a match-winner.
Jacob Cubitt	Jacob had a strong debut season in First Grade, proving himself as a reliable contributor across all facets of the game. He showed resilience with the bat and built valuable innings under pressure early in the season. He also showed more of his aggressive flair later in the season. His bowling and fielding were also strong assets to the side, consistently taking wickets and maintaining pressure.
Joel Cubitt	Joel also had an impactful first season in First Grade marked by solid contributions throughout the season with both bat, ball and in the field. He showed his ability to be an aggressor with the bat, boasting a healthy confidence and competitiveness to get the job done. His bowling provided important breakthroughs at crucial times and with some more experience in First Grade and the opportunity to bowl more overs he is set to become a highly dependable player who adds balance and depth to the side.
Luke Eagles	Luke enjoyed an outstanding season with the bat, proving to be the most reliable batsman in the side. He displayed dominant, aggressive stroke play early in the season before moving up the order, where he adapted impressively to play with greater control and absorb pressure. He also contributed with the ball, regularly playing a key role in partnerships by locking down an end. His calm presence and leadership on the field remain invaluable. A key figure in the team's structure and overall mindset
Adam Harvey	Adam had another strong season with the bat, even if by his own high standards, he'll feel that runs were left out in the middle. He combined patience with controlled aggression to produce consistent starts, though didn't convert these starts into the big scores we expect of such a talent. His ability to read match situations and controlled stroke play continues to set him apart. He also contributed with some handy bowling, offering a reliable option when called upon.
Thomas Hodge	Hodgy led from the front once again, making a major impact with the ball, the bat, and in the field. He was comfortably the standout bowler in the competition, and a pleasure to captain with the new ball in hand. His workload increased significantly this season, delivering multiple long spells when the team needed him most, while taking his wicket-taking ability to another level. While he contributed some important innings with the bat, he'll be looking for greater consistency and to capitalise on his aggressive stroke play. An influential all-round leader within the team.
Khai Hughes	Khai continued to build on his game with another competitive season in First Grade. He contributed valuable spells of bowling at times throughout the season and showed improvement in his all-round game. A reliable option when called upon in different situations. Khai always played with a positive attitude and played with a team first mentality. A developing player with plenty of potential ahead.
Kieren Ross	Kieren contributed useful runs at times throughout the season and worked to adapt his role to suit the situation. While consistency wasn't always there, the focus remained on doing what the team needed in each situation.

Joshua Ryan	Joshua had another strong season with the ball, stepping up to lead the attack at times. He consistently took wickets and maintained solid control across his spells, with his confidence continuing to grow. A genuine strike option capable of impacting games quickly. Moving forward, developing greater consistency will be key to taking his game to the next level. An important part of the team's bowling unit.
Lachlan Saunders	Lachlan batted in multiple positions throughout the season and, given the variety of roles he was asked to play, put together a consistent year even if the stats don't fully reflect it. He showed composure, often building innings in difficult situations under pressure. Lachlan also chipped in with the ball when called upon and deserved more opportunities to do his thing with the ball. A dependable and versatile contributor to the side.
Matthew Saunders	Matt batted in the top order all season, regularly facing tough spells in challenging conditions. While he didn't post the big scores he would have liked, he showed a strong ability to absorb pressure and the confidence to score freely against some of the best bowlers in the competition. His presence in the field was energetic, creating opportunities for the team and lifting the team when we were flat. Matt continues to support the group both on and off the field and consistently finds ways to contribute.
Yuvraj Singh	The Destroyer delivered another reliable season for the team. His bowling remained disciplined, applying pressure on opposition batters. He didn't take as many wickets this season but had to play some different roles to past seasons. A strong competitor who is effective in all conditions. A dependable and highly valued member of the side.
Brad Terry	Brad embraced the challenge of opening the batting all season, producing some of the standout innings against quality bowling attacks. His natural stroke play made him a constant threat, playing with confidence and capitalising whenever bowlers missed their areas. While he didn't quite convert those starts into a really big score, he consistently got the side off to strong starts. Behind the stumps, he was excellent—taking key catches and offering valuable insight into dismissing opposition batters.

Semi Final – Runner Up

Captain: Wayne Robertson			
We fell short in making the GF due to some poor umpiring in the semi and not allowing us to take the field. Results could have been better, but overall, the season was very enjoyable with every Saturday spent with a great bunch of blokes and a random Pommie. We had 34 players during the year, which was a challenge at times. But a credit to the club that players are happy week in week out to help other teams. And a credit to our guys for welcoming them with open arms every week.

Jacob Beggs	The perfect team players (except when he has a bucks or a wedding or some random birthday). Strong contributions with the bat and ball and our best fielder.
Elliot Brown	Our token Pommie – every team needs one. Elliot fitting in very well and was a pleasure to have in the side. He even managed to form a friendship with Chook. A great thinker on the field and a solid bat.
Andrew Cillero	Mr reliable. A fantastic man to have in our team. Won the batting award with his consistency dug us out of trouble more times than not.
Clint Harding	Chook, the man EVERY opposition hates (and some of his teams mates as well). Of the most passionate men I have played with who wears his heart on his sleeve every week. Came home strong with the bat.
Dwayne Hooper	Missed half of the games due to work and injury but stood up when he played. A good man to have in the team – Play more games please.
Layden Perish	Had a very good all round year and was exceptional in the field. Often came in late with valuable runs and some massive bombs. And a top bloke as well. Surely you can manage a bit of Saturday travel and make it back next year.
Denzel Prasad	Unfortunately missed the 2 nd part of the year with injury. Showed a lot of potential for his first year back in a few years and can't wait to see him improve next year.
Cameron Reed	First year at the club and was a pleasure to have in our team. Hopefully gets a new job next year so we can see his gorgeous face every week. Solid with both bat and ball and can drink a beer when he isn't playing.
Thomas Reid	What a year. The quiet achiever that just got better and better each week and out the best bowler award. Often got us out of trouble with the bat. An absolute pleasure seeing Toms development this season. Definitely a 1 st grader, but leave him in 2nds a few more years please.
Jack Robertson	Joint leader of most fined player with a few others. Another fantastic year with the ball but also chipped in with very handy runs. Another potential 1 st grader but needs at least 2 years in 2 nd grade.
Wayne Robertson	Captain of the century and never late to a game.

Fourth Grade

Grand Final Winners

Captain: Ben Gunn			
4th Grade didn't start the year crash hot, losing our first three games on the spin. With four no-results between Round 5 and January, it made things tough — leaving us just seven games to get results. But no one panicked or gave up. We started stringing wins together, finishing with six wins from seven games, including two outright victories. This saw us finish 3rd heading into finals. We faced Bradbury in the semi-final and, with rain around, were sent in. We posted 234 and defended it convincingly. That took us into the grand final against Magpies, where in a four-innings battle, we got the job done. Throughout the year, we made things harder than they needed to be at times and turned games into dogfights — but no one shied away from it. If anything, we embraced it. That resilience is what defines this group and is a big reason why we won. We pride ourselves on playing gritty cricket and outlasting the opposition. Couldn't be prouder of this group and what we've achieved. Up you mighty Ramers — 4th Grade Premiers!!

Matt Buda	A real coming-of-age year for Matty. He led the bowling attack with supreme pace and control. For the whole year, it looked as though he had the ball on a string. He also took out the district bowling award, finishing with 44 wickets at an average of 7.84. Matty worked extremely hard on his batting as well, earning his way into the opening role with some important innings — none more so than his knock of 88 in the semi-final. This is only the beginning for Matt, who has a huge future ahead.
Mick Buda	Mick, one of the original players, remained an integral part of the side. He is the glue and the energy of the team and, at 21, just runs all day. Mick once again took games away from the opposition with his aggressive opening style — none more so than in the semi-final, where he and his son Matty put on an opening stand of 90 to set the platform. What a bloke — team and club first, and an absolute joy to play with. Can't wait to do it again.
Blake Ciscato	Blake's first season in a number of years almost didn't happen, with his contract only signed on deadline day. He hit the ground running and became an instrumental part of the premiership-winning side. Leading the way with the bat, contributing in the field, and chipping in with handy wickets. Blake scored his maiden century this year and also took out the batting award. Some of the safest hands around and can field anywhere. The sky's the limit — looking forward to watching him in the coming seasons
Jacob Evans	Jacob was one of a few players to step up from 7s this season. He got off to a flyer with a couple of great knocks for us and in 2nd Grade. Jacob worked extremely hard on his game and was rewarded by locking down a top-order spot. His most important innings came in the second innings of the grand final, where he walked in under pressure and closed the game out for us. Fantastic year and will only get better next season.
Ben Gunn	It's been a huge privilege to lead this group of unbelievable men. To win a premiership with this lot is incredibly special and a fitting way to wrap up the year. Also the most fined player.
Justin Hardy	Justo had an unbelievable year with the gloves, taking 23 dismissals. His energy behind the stumps was unmatched — constantly lifting the boys, diving around, and putting his body on the line week in, week out. As part of the original nucleus, he drove the standards and culture of the team, which played a huge role in us winning the premiership. Outstanding year — can't wait to see him do it again.
Ben Harris	Benny stepped up this year and took his bowling to another level, finishing with 22 wickets. His consistent line and length choked teams. He's also improved out of sight in the field, taking some absolute screamers — including a huge one in the grand final, earning him the nickname "Pigeon" after flying through the air to take a hanger. Benny is going from strength to strength, and next year will be no different.
Lewis Hudson	Lewis stepped up this year and led from the front in the field with his energy and standards. Always reliable with the bat, contributing several important innings — none more so than in the grand final, where he helped secure a first-innings lead in tough conditions. A team-first player and a top bloke who played a big role in the premiership. Can't wait to go again with the big man.
Lachy McRae	Lachy led the side with energy and standards in the field, with some of the safest hands in the team. When called upon, he always delivered with the ball. As part of the original nucleus, he plays a massive role in the team's culture and making the team what it is. Look forward to having him back next year.

Tommy Pinnington	Tommy's first full season in a while, and another deadline-day signing. He showed consistent class and brutal hitting with the bat this year, with too many innings to list — including a big run chase featuring plenty of sixes (a few sent over the road at Kirkham), and another where one ended up in Bradbury 1. Injuries limited his bowling, but what we saw was seriously quick and damaging. Pinno also has some of the safest hands in the club and is officially the best slipper in the family. Huge future ahead as a key all-rounder.
James Reid	The ultimate team player — if you're going into the trenches, you're taking Jimmy. Gives 100% in everything he does and never quits. Worked extremely hard on all aspects of his game and improved massively. Took key wickets at important times, chipped in with valuable runs, and produced quality fielding. Excited to see where he takes it next season.
Matty Sambuco	First season at the club and fitted in seamlessly. Delivered consistent performances with some very important innings and was one of the leaders with the bat. Unfortunately, a dodgy hamstring limited his bowling, but when fit, he was dangerous — highlighted by a hat-trick in Round 7. Fantastic year and looking forward to having him back.
Jayden Shields	Another player stepping up from 7th Grade. Took a bit to find his feet, but once he did, he became a key part of the team. Bowled crucial overs with great control, played some powerful innings, and took some screamers in the field. A true team-first player — shown when he selflessly ruled himself out of the grand final despite being available. Big things ahead as he continues to develop.
Cooper Tomlin	Unfortunately, a knee injury limited CT's season until late in the year. But when he returned, he made a big impact — bringing great energy and outstanding slip fielding. Looking forward to having him back for a full season.
Special mention to Flynn Salter, who played a handful of games and has a huge future ahead. Also a big thank you to David Simpson, Jarrod Prout, James Tidy, and Sam Giltrow for their contributions throughout the year

Semi Final – Runner Up

Captain: Tim Constantine			
A very enjoyable season with a great bunch of blokes. Played extremely well for most of the season, batting let us down a bit in the run to the finals. A bit disappointing to lose in the Semi-final, but overall, a very good season.

Tim Constantine	Another thoroughly enjoyable season with a fantastic group of blokes A disappointing finish after looking a genuine premiership threat, but plenty to build on next season.
Jonathon Davidson	Jono gave us plenty of stability at the top of the order this season, finishing with 269 runs including a classy half-century. Always willing to dig in and do the hard work when conditions weren't easy. Add in 8 catches and he proved just as reliable in the field.
Peter Fehrenbach	At his own request, Pete didn't get a heap of opportunities this season, but as always, his experience around the group was invaluable. More than willing to help out behind the stumps when required and always happy to offer advice or tactical suggestions. A quality clubman and great bloke to have around the side.
Caleb Gascoigne	Caleb showed plenty of encouraging signs this year, including a top score of 45 and over 100 runs for the season. Always enthusiastic and willing to have a crack wherever needed. Still plenty of cricket ahead of him and exciting to see what comes next.
Samuel Giltrow	After a well-deserved regrade, blasting 318 runs including a double century in 7 th grade. Sam quietly put together a very handy season in 6 th grade, finishing with 225 runs falling heartbreakingly short of a century, with 96! Reliable in the field and even stepping in with the gloves when needed, Sam continues to improve every year.
Jake Murray	A breakout season with the bat for Jake, finishing second leading run scorer and bringing up a brilliant maiden hundred against Willowdale. When Jake got going, he could take the game away from the opposition quickly. An outstanding season and exciting signs for what's ahead.
Thomas Robertson	Tommy was simply relentless with the ball this year, co-leading the attack as an opening bowler and finishing with 32 wickets at under 10 apiece. Opposition batters barely got a moment to settle before Tommy was asking questions with the new ball. A deserved bowling award and Player's Player winner after an outstanding season.
David Simpson	An outstanding season for Simmo with both gloves and bat. Leading run scorer, batting award winner, wicketkeeper, and a superb century against Collegians capped off a brilliant year. Calm under pressure and always dependable, Dave was one of the key reasons behind our strong season.
James Sinfield	Jimmy was a genuine all-round weapon this season, piling on 316 runs while also taking 18 wickets. Two separate five-wicket hauls, including one in the semi-final, showed just how dangerous he could be with the ball. A massive season and an important part of the side.
Wyatt Taylor	Wyatt's bowling went to another level this season, finishing with 27 wickets and producing the spell of the year with 6/31 against Willowdale. Bowled brilliantly with the new ball, Wyatt constantly had opposition batsmen under pressure.
Tex Thornton	There was nothing mid about Tex's season. He had mad rizz with both bat and ball all year. When he was locked-in with the ball the opposition were cooked, no-cap. His half-century and 18 wickets were fire. Always willing to have a crack and a great bloke to have around the team. 6 7.

Semi Final – Runner Up

Captain: Hish Hamdan			
A promising season with a newly assembled team that hit the ground running from round 1, hitting over 400 runs in the first 42 overs. Team was consistent with the bat, ball and on the field throughout the season, losing only 2 games in a 10 team grade. We deservedly made the finals, only for rain to end the season prematurely. Super proud to captain this young team and watching the young ones develop throughout the season. Future is bright for the club!

Thomas Blachura	Absolutely smashed it with the bat this season, part of the lethal opening partnership with Sam for the first few rounds. Patient at times when it was needed with his temperament improving throughout the season, a work in progress. Brilliant behind the stumps and vocal throughout the innings (with a 'West Indian' accent of all things!). Just need to take more catches behind the stumps
Lachlan Carter	Vice-captain for the season, vocal on the field and encouraging those on the field especially the young bowlers. Great to have to bounce ideas off on the field. Scored runs for fun this season after jumping up through the grades. Should be hitting 400+ every season from now on if can keep injury free.
Ryan Evans	Newcomer to the club to play with his mates. Didn't have too many opportunities with the bat but did well with the ball, bowling leg-spin to slow up the play and create chances. A gun on the field taking some stunning catches. Hopefully will see Ryan back next season and continue to improve on his game.
Sam Giltrow	First game of the season: 213 runs of 121 balls, 25 fours, 12 sixes.....enough said! Brilliant behind the stumps, potential to be one of the best keepers in the club if given the opportunity. Deserved the regrade early in the season.
Hish Hamdan	Quieter season with the ball and bat as had a good strong team to rely on throughout the season and wanted to give the young ones an opportunity to shine. Need to be more selfish with the bat next time!
Riley Jacobs	Joined the team from the 5 th round. Worked hard through the season to become opening bowler and created a tight knit opening bowling partnership with Lachy Vella. Decent with bat and able to bat anywhere in the order but just didn't have the opportunity to spend more time in the middle. Ended season strong with the ball.
Hunter Nicholson	Batted throughout the order and even opened! When pressure is not put on himself, runs can come freely. Great to have around the team and providing some words of wisdom on the field. Another gun in the field, safe hands and haven't seen anyone that can throw a ball as far as he can. Hopefully will have more opportunities with the bat next season.
Lachlan Selby	Mr Cricket, has a great cricket brain and been reliable with the ball and bat this season when needed. Had a great season with the ball, given a lot of opportunities to shine and he took advantage of it. Sets himself a high standard, frustrated when not getting runs, but they will come. Developing to be a great all rounder and another with a safe pair of hands. Future captain in the making.
Owen Sweeney	Making his seniors debut this season. Runs just couldn't come for Owen, unlucky a few times. Just needs to persevere and trust his ability, and the runs will come easily. His keeping and fielding was exceptional that saved us a lot of runs, and took some of the best catches you will see on a cricket field, unbelievable that an u/15 can make it look so easy. Team loved having this young lad around and willing him on. Runs will come next season!
Trent Tucker	The stalwart of the team, whether with the ball, bat, out on the field or even off the field, you could always trust on Trent to deliver. Bowled exceptionally well and unlucky not to have taken a lot more of wickets, consistently created chances with the ball. Always willing to put the team first which makes him such a great cricketer.

Joshua Vella	Had a decent season with the bat, probably frustrated that he didn't get more 100s, but played his natural game and got the big runs when needed. Dangerous batsman that can take a game away from the opposition very quickly, who can hit big but also can play strong offside shots. Hopefully will get more opportunity to bowl next season.
Lachlan Vella	Trusted opening bowler who built a great opening bowling partnership with Riley. Again, another bowler who was unlucky not to take more wickets than what he did. Created chances all the time especially with the 'well disguised' slow ball! Lachy also showed his class with the bat, classic technique that got him up there with the runs. Classy player to keep your eyes on....
Luke Vella	The youngest of the three Vella brothers. A young man that scored big runs out of nothing while batting at 3 or 8. Needs to believe more in his ability as he can do great things in this game. Another young lad that the team loved having around to help grow his game.
Joshua Williamson	Last but not least, the big show! Another newcomer to the club and loved the passion he shows on the field. Didn't play as many games, but when he did, wickets will tumble and catches will be taken. With a set batting top order, Josh didn't have too many opportunities with the bat but has the ability to score big as shown in the last game of the season when he was given the freedom and hit big.

Following an undefeated premiership the previous season, the squad was promoted and dissected for the 2025-6 season. Those on the wrong end of the Birth Certificate welcomed some new blood into the team and started the season promisingly with a 50% winning ratio after 6 rounds. From December onwards we were unable to notch another victory. Highlights included strong batting performances from Ray, Bernard, Richard and Mark, some outstanding individual brilliance in the field by Pagey, Joe, Keegan and Billy, along with an outstanding first season with the gloves by Tom Mooney. Despite finishing the season at the wrong end of the table it was great to see all new additions to the team gain valuable opportunities and experience with bat and ball and hopefully return to the fold next season.

Richard Blachura	Co-captain for the season who provided much needed experience, wickets and passion for what was at times a challenging season. Led the wicket taking with 22 at 9.95, as well as 178 runs and 7 catches.
Billy Crocker	His first season of senior cricket. Youth and enthusiasm in this squad is greatly appreciated and Billy's speed in the field, willingness to make a contribution and continue to learn saw him take his first senior wicket and smash a boundary that would have made Glen McGrath proud. 7 runs at .8, 3 wickets at 16 and six catches in the field.
Joel Fehrenbach	One of 2 players on the underside of 20 backing up from last year. Joel again provided thrust with the new ball and provided some glimpses of brutality with the bat, as well as filling in behind the stumps on the odd occasion. Took 12 wickets at a touch over 20 and scored 57 runs with a high score of 28.
Simon Huntly	A part-time skipper due to injury, illness and age. Scored 139 runs at 19.86, took a couple of catches and 1 wicket. Looking forward to an offseason in preparation for 2026/7
Mark Jacobs	Another of our "seniors" from last year. Another solid all-round performance scoring 162 runs at 13.5 and 10 wickets at 12.5. A far better output than a Kia Tasman.
Keegan Jones	This was Kegs' second year of Cricket and he again continued to demonstrate glimpses of great skill. His 97 run aggregate was highlighted by a swashbuckling high score of 32 ion less than a run a ball, along with 16 wickets at 16 and 7 catches. A magnificent all round effort in the 13 games played.
Joseph Limbrey	Another new addition to the squad. Joe scored 43 runs with a high score of 14 and 3 wickets at 19.66 doing his best impersonation of Pat Cummins. His speed and commitment in the field jagged 4 scalps and his contribution to team harmony and energy was greatly appreciated.
Andrew Mooney	As was the case last year, Andrew filled in on a number of occasions throughout the season as he also finished his last year of juniors. 46 runs with a high score of 20 and his steady medium pace bowling, although wicketless, will hold him in good stead as he transitions to seniors on a permanent basis in the coming season.
Thomas Mooney	Tom willingly put his hand up to take the keeping duties for the season and did so at an extremely high level. Keeping for all but about 20 overs across the season, he took 13 catches and kept byes to a more than respectable average. He also took on the challenge of opening the batting and was part of our highest stand of 63, coupled with 91 runs with a high score of 22. Also snagged a couple of wickets when he wasn't wearing the gloves.. His commitment to the game and individual improvement are greatly respected by his teammates.
Jason Page	Pagey was a new addition to the team and provided valuable experience after playing the past few years in higher grades. Scored 62 runs at an average of 6, took 1 wicket with his cunning variation of spin and amongst his 4 catches was the undoubted Fatty Vautin Impersonation at Onslow 2. Is spending the off season honing his skills in the UK.

Jordan Page	Jordan's contribution to the team was highlighted by his efforts at fine leg, bringing the true spirit of cricket to the game when batting and providing Jason (his dad) with invaluable constructive feedback when he deems it appropriate. His commitment every Saturday, often after helping with the club raffle the previous night, is a valuable part of our team and we hope that he continues next season.
Bernard Riley	Another strong season with the bat saw Bernard score 321 runs at 35.6, with a high score of 78 against Westerners. His commitment to the team over the past few years, travelling from the North Shore has been greatly appreciated and his power hitting has been something for the rest of us to aspire to.
Will Stokes	Will's season was somewhat disrupted through injury, but this still didn't stop him from making some significant contributions when he was fit. 108 runs 21.6 with a high score of 44 and 12 wickets at 21 with a best of 4/40 against Camden Red nearly saw us get bragging rights in our first clash. His efforts throughout the season suggest a bright future in senior cricket.
Oliver Tyshkovsky	This is Oliver's 4th season with the squad and he again provided enthusiasm, passion and insights for the game and our team. Never one to leave an idea sitting, Oliver is a keen student of Cricket strategy. Although going wicketless throughout the year, he did have the misfortune to have 5 consecutive catches dropped off his bowling over the course of 2 games, which would have improved his bowling stats significantly.
Ray Zammit	An outstanding season with bat, ball and banter. Ray's skill and enthusiasm for "team" were much appreciated, particularly during the latter half of the season when results were not going our way. 322 runs at 40.25 and 14 wickets at 17.86 provided us with the opportunities to be more successful than we were but is a level to which the rest of us can aspire. His fielding tutorials and feedback for Keegan and Billy also saw them both finish high in the fielding awards.

We had a year where I must say the competition was very even for once. No team was miles ahead of the rest, a good example was 8 reds were lying 5th and playing the team coming 1st in the last round and after a very low scoring outright victory we ended up swapping positions with Mac Fields. All round our bowling was better than the batting and a couple of new faces did very well. We shall party on next year.

Rick Bell	Good old Rick who got a bit over excited on the Facebook, was always there and took a fine catch on the fence.
Dave Brennan	The old boy had some nice time consuming innings showing the majority that you can't always win in 15 overs.
Hayden Duke	Almost got his 1st 50 and as usual giving 100% in the field.
Kevin Duke	Also scored in the 40s and bowled good line and length
Barry Ingram	The other old fellow did his usual bowling neatly and those gorilla hands taking some fine catches in slips.
Charles Ingram	Really played some fine "stonewall" innings that got us the win in a couple of games and reliable hands like his dad.
Heath Jenkins	In his 1st real year of cricket, the big lanky dorky guy did really well. Always diving for the ball, never scared and hit the biggest one armed 6 I've seen. I think he ended up with over 150 runs. Definitely the team's best at effort.
Peter Kerry	Started the season very well with a couple of 40s and took the best catch of the year in the GF on the fence with a jump above his head to get the catch.
Jack losurdo	26 wickets this year and a couple of good scores along with being 21 years old can throw his body around and run everywhere with a big throw.
Rob Losurdo	A couple of decent innings from the pull shot specialist who still has the most reliable hands in the team.
Nick McNeill	Batted pretty well, Got to 300 runs with an innings of 94 and being caught on the fence, bowled nicely with some swing as well.
Derek Warwick	Derek has officially hit a six without the ball coming off a top edge. Derek had a few nice innings and he always bats up the innings facing the quicks. Lovely, neat wicket keeping as usual from Derek.

A bunch of relative strangers somehow turned into a proper team in record time, proving cricket chemistry doesn't need a long preseason. With players constantly coming in and out, the fill-ins didn't just hold the fort—they often stole the show. Everyone was always keen to play no matter the outcome and the games were certainly varied in outcome... But there are many games where the team all performed exceptionally and the results show with three 5 wicket hauls and great batting partnerships over the season.

Syed Asghar	All-rounder, occasional captain, and master of the dramatic late arrival, Syed keeps things interesting. His exceptional skills with the bat and ball make him our most valued player overall.
Steve Atkinson	The definition of reliable, didn't miss a game all season and always put his hand up to open the bat each week. Very consistent with the ball.
Geoff Charlton	Geoff "filled in" almost every game this season saving us from playing down, the team was always grateful for him to step up to play and let him talk their ear off as compensation.
Ryan Charlton	Ryan's pace with the ball was as menacing as ever and we were very grateful he was on our side! Ryan's skills with the bat have also improved immensely making him a very reliable all rounder for the team.
Jason Christoforou	Jason's commitment and excitement to be playing never wavered throughout the season, through wins, losses and poor team performances. Always keen to try and put his hand up to keep in the second half of the season where he excelled even more. With a bit more patience in the crease he will be a batting force to be reckoned with.
David Howard	Oldest player in Camden seniors and the designated slips fielder for 9th Grade, David is still keen and kicking to play cricket.
Sarah Howard	No luck with the ball this year but improving on sticking it out with the bat. Always on in the field in any position.
James McFarlane	James came into the team late this season after recovering from an injury and ended with a 6-67 in the final game. Solid batter to halt wickets and get much needed runs.
Jesse Plackett	Started off the season with 5-6 in the first game, consistent throughout the season hopefully more success next season. Always willing to do more for the team including putting his hand up to try wicket keeping.
Michael Rigby	Mike has been the go-to at square leg, and their fielding growth this season didn't go unnoticed. A consistent lower-order contributor with the bat, highlighted by a few, very handy knocks.
Shehryar Tariq	The team's leading wicket-taker this season, "Cherry" dominated with the ball and set the standard week after week. The bat showed glimpses of promise (between the occasional duck).
Dallas White	Limited appearances this season, but [Name] made them count—especially with the bat, where they were a real handful for opposition bowlers. Time spent playing alongside his son was a highlight that went beyond the scorebook.

Jeremy White	If there is a job to do, Jeremy is your man—true all-rounder, gun in the field, solid wicket keeper, great batter on a good day and a fast bowler who finally snagged a well-earned five-for (5-43). A few missed games along the way, but plenty of quality on show.
Jacob Ward	Filled in for the first half of the season before departing for a new job but was an incredible asset to the team as a wicket keeper and exceptional batsmen achieving the second highest score of the team this season (74)
Fill Ins	Oscar Collis, Alex Rigby, Nikita Singh, Aidan Wilson
Massive thank you to the players who filled in consistently in the team throughout the season, Aidan was by far the star batsman and an exceptional bowler as well always a pleasure to have him fill in. Oscar was a fabulous bowler who effectively limited runs for the opposition and held his own in the field. Alex faced well with the bat against seasoned players and Nikita brought her game spirit to lift the team and faced her fears on the field. Grateful to all their contributions.

The Team performed well during the season – we just couldn’t put it all together on any one day – a dropped catch or 2 were costly, the errant shot or a runout, all made a difference in the end. As a team we enjoyed the game of Cricket and had fun – the most important piece. There were some standout performances from the young, the old and the new to Cricket. It was a good season – just not a great Season – bring on 2026/27 Go the Rams, This team was a great team to Captain and I thoroughly enjoyed the season – Thanks to all players.

PLAYER PROFILES

Deon Bradley	Aggressive Cricketer, charges in when bowling and no nonsense at the crease when batting - always made a difference, took some hard catches during the season that made a difference to the result. Great lad to Captain, takes on instruction, most of the time and did well for the team.
Conor Dowling	Always for the team, a passionate cricketer, batted, bowled, kept – made himself available for any role that was needed and performed well. A season that could have been.
Trae'ston Jande	Trae' missed quite a lot of cricket, he was outstanding in the field and covered more ground than most, great outfielder. As the lads around him mentioned he always got a wicket in his first over, so the first over of his first spell for the year – bingo “wicket”. Trae' will develop into a good cricketer with more time in the game. Looking forward to watching that.
Riley Peterson	A young man who just wanted to do well for the team, wore his heart on his sleeve and always gave 100%. Batting wise, unfortunately he always found a different way to get out – but that's cricket! Great overhead catch, mid-season that made his day – but also the teams. I am sure the 2026/27 season will be a good one for Riley, with the drive he has shown in the season gone.
Jon Prior	Part of the Prior, Father/ Son duo. Jon loves his cricket, great in all aspects and a fantastic team player, enthusiastic in the field (sometimes to his detriment) and did what he needed to do at the crease, a mainstay in the batting order. Bowled with significant loop in that off spin, showing all what above the eyeline means!
Matthew Prior	The other half of the Prior duo, Matthew the Miserly they could nickname him. When called upon to opening the batting, he was resolute with 2 innings greater than 100+ balls faced – breaking the hearts of the bowlers from the opposition – then with the ball to return the average of 12.4, from close to 70 overs is super miserly!! Great in the field – obviously it runs in the family.
Braiden Querci	Braiden's second year of cricket showed he will enjoy the game for years to come, loved playing the game and always put his hand up to bat or bowl. Was thrown in the deep end to bat high in the order and wasn't fazed and got us away in his swashbuckling style, then with the ball bowled quick – always threatening. Looking forward to watching his development!
Peter Shortland	Pete's been around the traps for a while but still has the enthusiasm as any of the younger brigade. Although the 18 overs against MFCC early in the season might have taken the edge off him for a week or 2 or even 3. A 5-wicket haul is testament to his skills. P is for patience and not for Peter – just when he was getting going with the bat he was back in the sheds, great bloke to play cricket with. Thaks Pete!

Maison Shumack	Maison's first year of cricket was a standout year, 2 nd leading wicket taker with his leggies, a 5 wicket haul early in the year was a great effort, always willing to try something different – which did make the Captains' eye's role at times. Great hands in slips and willing to have a real crack when batting, Congrats Mais'
Julie Sutton	Part of the Sutton sensation, Julie's first year of Saturday cricket and achieved most of the milestones in the game and had a real dig at every aspect of the game. Showed courage and chased hard in the field. Awesome when Julie got her first catch, "tick". And that courage was there again when batting and part of one of the great wicket stands that got the team over the line – not surprising for Julie – Team first, Thanks Julie.
Lawson Sutton	Part 2 of the Sutton sensation, what a year for this young man, Lawson is an all-round cricketer and he will become a key player in the Camden Cricket ranks and I for one will look forward to watching that happen. Leading run scorer and always batted well above his years. Leading the field catches and bowled a very handy offspin. Lawson enjoyed the game as one should, great to Captain and a young man that you could have a bit of a laugh with, great team player. Well done Lawson.
