The Presidents Report

Dear Club Members, it is with great pride that I can announce that the Camden Cricket Club (Est 1843) has once again performed extremely well both on and off the field for season 2016/17.

I love being involved with our club and the game of cricket, it brings all walks of lives together and creates lifelong friendships both on and off the field.

Cricket is a sport that can be played by people with differing abilities and where certain values need to be maintained. It is the greatest leveller I have ever experienced and hopefully instils life skills for players to carry with them on their journey.

Our club fielded 16 junior teams and 7 senior teams this season. Thank you to all the club sponsors, and team sponsors, for once again showing support to the club. Without your valuable contributions we would not be able to continually improve and develop the skills of our players and the enjoyment they derive from playing the game.

We successfully ran the Milo In2Cricket program with 39 participants which is the starting point for our younger generation to learn and enjoy the basic skills of the game. Also in conjunction with Cricket NSW we helped arrange the T20 Blast program with 31 participants which is an essential stepping stone to red ball games. Thank you Clair Hardy for your valuable time and effort in running and coordinating these programs and a special thank you to Lachlan Roberts and Lachlan Burrows for your valuable input as well.

Special thanks must also go to Clair who has not only been instrumental in implementing and developing girls cricket for both our club and the district association with the Girls Cricket League, she has become our girls cricket ambassador and continues to drive this avenue with CDCA and Cricket NSW.

We once again were asked to host the Sydney Thunder Day at Onslow between Christmas and New Year. What a fantastic turn out by our club members and supporters. It was also great to see so many junior players join in the activities and get to meet both male and female Thunder team players.

We lost a lovely lady during the season, our Club Patron and life member Gloria Pinnington. She always had the best endeavours of the club in her heart throughout her life and contributed to the growth of Camden Cricket. She will be missed but never forgotten, vail Gloria.

To all our Coaches, Managers, Scorers and Volunteers for our 16 Junior teams I'd like to pass on a very big thank you for not only taking a role to help the club, but offering skills, mentoring and valuable time to arrange team practise and coordinating players and umpiring on game day. It is a very large commitment but I sure we all find it very rewarding to see the extent to which players improve from the start of the season to the end.

A successful club should not be measured by premierships alone but it was great to have 14 out of 16 junior teams make the semi-finals, 9 teams playing finals cricket and congratulations to U/10 White, U/10 Red, U/11 Blue, U/12 Blue, U/ 14 Red and U/14 3 for winning their respective competitions. Many of you may be unaware that we had three Under 14 Div. 1 teams this season reflecting a strong mixture of players across the 13 and 14 year age groups. Trying to balance the talent across all three teams has been a learning process for us as a club but well done to each team and coach for their fine efforts during the season.

In seniors we also had a successful season with 6 out of 7 teams reaching the semi-finals. We then saw 1st grade lead by James Broadbent, 8th grade led by Kenny McNeil and 10th grade led by Daryl Casey play in their respective grand finals with both 8's and 10's going down in very close games. As luck would have it Camden 1st Grade won their 10th straight Premiership, a wonderful achievement by all who have contributed to these 10 victories. Congratulations and well done! Thank you to all the Club Captains for your involvement and taking the leadership of your teams and to all the players including a lot of Juniors who contributed and filled the squads. Congratulations also to those players who participated in the inaugural CDCA T20 competition where we fielded a Division 1 and Division 2 team. It was a great thrill to see our Division 1 team take out

the final, so well done to all players. Our Division 2 team also made it to the final but went down in a spirited effort.

I'm pleased to say that our 6th grade Father and Son team led by club sponsor Simon White had a successful season. Unfortunately they missed out on playing semi-final cricket by 1 miserly point but represented our club and played the game in its true spirit and sportsmanship by calling an opposition batsman back after he was given out by the umpire which unfortunately cost them the game and also their season. To Simon and team I congratulate you.

Over the past 12 months the Ferguson Land project has really taken shape thanks largely to the input and energy from our state MP Mr. Chris Patterson, Cricket NSW and also Camden Council. I'm looking forward to watching this club dream turn into a reality in the not too distant future, with 3 sporting fields and most importantly our Club and Function Room to be constructed. This will finally give Camden cricket a home.

At the start of last season we utilized funds and Grants for the Kirkham Nets Upgrade, which saw a fourth net, new synthetic wickets and new posts and netting built to improve our practise facilities. Thank you Roger Cubitt for all your work obtaining grants and to Camden Park Constructions carrying out and building this project.

We have also been arranging Club social events and a big thank you to Michelle Warwick for all her work coordinating the Season Launch Golf Day, the Christmas Party and semi and finals presentations back at the CVI. Unfortunately the End of Season Fun Day in conjunction with Pink Stumps and Rams v Lambs match was washed out but thanks for your efforts Shelly.

Finally I would like to personally acknowledge and thank our current committee for all their efforts and support through the 2016/17 cricket season, all of whom have been busy behind the scenes. Without their knowledge, commitment and energy the club wouldn't be what it is today.

PLAYER PROFILES

Ryan	Baker	One of our youngest team members, a cheeky smile with the same cheek to reverse sweep. Has the most different deliveries in his armoury in the team. Gives 100% every game. Young man with promising future. Great season Bakes.
Mitchell	Clark	Devastating with the bat, tidy with the gloves, & handy with the ball.... technically our best player. Loved to be challenged at training – thrived on improving his skills. Thanks for a great year Mitchy.
Mitchell	Corby	One of our most improved during the year... saved his best performance for the Grand Final. Loved to be involved in the game, proved to be handy with the bat. Provided many laughs for the team. Well played Mitchell.
Tyler	Hodgson	Bowling improved massively during the year, bowling the ball with great shape in the final weeks, as did his match awareness when taking sneaky singles at the crease. Fielding improved out of sight attacking the ball to prevent crucial runs in the grand final. Love your work Tyler.
Lily	Hreszczuk	Our quiet achiever.... More than held her own in a team of boys demonstrating great skill in all facets of the game throughout the season. Not afraid to catch the high ball & showed good game awareness in backing up the keeper & taking every available run. Well done on a great season Lily.
Callum	Irwin	A young man who you'd want back next season.... Played like a natural with bat & ball. Our highest wicket taker & consistently showed clean hands in the field. Callum was also very handy with the bat racking up important runs. WELL BOWLED CALLUM!
Reilly	Isbister	Most improved bowler who turned into our strike weapon in the run home to the premiership. Did everything with intent with the most competitive spirit. Developed the strongest throwing arm in the team. A name to watch in the future. Great season Reilly.
Riley	Jacobs	Another of our younger brigade but held his own with the 10 year olds. Finished with the best bowling average & bowled a 2 wicket maiden in the grand final which turned the momentum of the game. Congratulations on a great maiden season Riley.
Patrick	Manny	Easily the most inquisitive team member bringing a smile to everyone. Used his hand eye co-ordination to blast many runs during the season, & developed his bowling nicely to be a consistent contributor. His on-field talk motivated his teammates every game. Thanks for a great season Patrick.
William	Warren	The 3 rd Mitch! Took a liking for Mitchell Johnson over Xmas break & came back bowling like him! Bowled 2 maidens in the grand final against an attacking batting team. Our most vocal player when batting, fielding, keeping & training. Most caring to the opposition as well. Great stuff Will.

Under 10 Green Runners-Up

Coach: Paul Sheehan

Manager: Lisa Tipping

This team on their day were capable of beating any team in the competition. We struggled for consistency in the lead up to the Christmas break, but then came out swinging in the 2nd half of the season, only losing 2 more games on our way to finishing in 3rd place. We even had Tahmoor (Undefeated Premiers) on the ropes right up until the final over at their home ground. The semi-final against Ingleburn was a highlight for us, with our best batting, fielding and bowling all in the game that counted!! We hit the front with just 4 balls to spare and a 4 off the last ball saw us run on the field like we'd won the SuperBowl!! Great result making it to the Grand Final.

PLAYER PROFILES

Umar	Ali-Khan	Umar's bowling is worthy of reps! Barely bowling a wide all season, which is priceless in this age group. Clearly a valuable addition to the team. His batting also became more consistent. A player to watch out for in the future.
Joseph	Bradley	Joseph has improved with his batting and hit some great shots towards the back end of the season. His bowling improved dramatically throughout the year, and his improvement saw him playing a vital role in our semi-final win with a "direct hit" run out.
Ashleigh	Cubitt	Ashleigh's bowling has improved out of sight and the look on her face when she hooked a 4 makes coaching all worth it! Her backing up in the field saved us plenty of runs this year. The quiet achiever was involved in some critical partnerships when her team was in trouble.
Bailey	Ehlen	Bailey has filled in for the majority of games from Milo cricket. Tough little player who has not taken a backwards step all season. Some great run outs in the field and solid batting. He will be a real asset to the team again next season.
James	Forde	James' batting has been powerful and he has taken some excellent catches. This great timing has enabled him to smash plenty of boundaries this season. He made square leg his own holding onto some difficult catches.
Max	Langdon	Max has been fantastic with bat and ball this year taking apart some pretty good bowling and carting them for boundaries. The smiling assassin was ruthless with the ball, knocking stumps out of the ground. I have no doubt we will hear his name playing reps in the future.
Lucy	Saunders	Lucy also pitched in with some great run outs in both games when she filled in early in the season. Did a great job with the bat and ball even when forced to bat with her brother!!
Oscar	Saunders	Oscar's bowling has been fast, straight and unplayable all year with his slinging action. He became a batting powerhouse late in the season and hit the game winning 4 off the last ball of the semi final. Oscar selflessly gave up his chance to bat in the grand final to give Baily a bat which was an incredible moment of sportsmanship!!
Cooper	Sheehan	Cooper's batting has become very powerful, managing to hit a 4 or 2 each week. That along with his running between wickets has managed to get us over the line in some tight games. His batting in the grand final was the best he played all year.
Lachlan	Siemon	Lachlan has been solid with bat and ball all year and his keeping has been solid against some difficult oppositions. He has been the rock of the team in all aspects, and a natural leader. Lachlan took a great caught and bowled to start the semi final which set up the win for us.
Brianna	Tipping	Brianna's bowling has been amazing all season. Her high action has proved difficult for the opposing team in every game this season. Her energetic running between the wickets has been vital in some close wins.
Jack	Writer	Jack has stepped up with his batting, managing to smash a few boundaries, saving his best performance for the semi-final hitting the shot of the year with a classic pull shot for 4. His energy is second to none. Jack took some big wickets when we needed him most.

Under 10 Red Premiers

Coach: Dave Stewart

Manager: Greg Franklin

The team had an awesome season – losing only once - the last round of the regular season. – and running out eventual premiers 100-80 against Cobbitty Narellan.

The team worked well together as a unit, willing to put in for everyone every week.

Above all, the level of sportsmanship shown on and off the field each and every week and playing cricket “in the spirit of the game” is something that all players, parents and Camden Cricket should be very proud of.

David and Greg can't wait for the 2017/18 season, hopefully with the same squad as U11 Red.

Megan	Baker	Playing in a “boys team” can always be daunting but Megan took it all in her stride, regularly contributing to the team with the bat. Megan’s bowling and fielding is coming along well and bodes well for a great future in cricket. Well Done Megan.
Josh	Elling	Josh’s batting has grown throughout the season and shone through in the grand final. His fielding was strong and combined with his bowling makes for a strong cricketer in the future. Well done Josh.
Oliver	Franklin	Oliver ended the season our highest wicket taker taking 8-72 and just missing out on a hat trick. His batting continues to grow and can only strengthen in coming seasons. Keep up the good work and well done Oliver.
Sam	Kelly	Sam was our smiling backstop behind the keeper. Run on his arm and accuracy and you normally paid the price with Sam taking 10 run outs with direct hits. Bowling has come a long way in recent weeks and combined with the bat bodes well for the future. Well done Sam.
Oliver	Kendall	Oliver batting exploded mid-season and he never looked back. His bowling between pace and then changing it up with spin makes for a player with many bows to offer future teams in his playing career. Well done Oliver.
Tanmay	Mehta	Tanmay batting was strong throughout the season, showcased in the final with an outstanding 20 runs. With a bowling action to match an all-rounder is definitely in the making. Keep up the good work and well done Tanmay.
Matt	Patterson	Matt took on the keeping duties for the team and showed some high quality keeping. His batting in the last few weeks of the season has come on well so his future may lie as a wicket keeping batsmen. Well done Matt.
Josh	Ryan	Josh’s bowling has to be seen to be believed. An outstanding action which will take many wickets throughout the next few seasons and make him a front-line bowler. With strong batting to match his career looks set. Well done Josh.
Nick	Stewart	Nick’s batting in the final weeks shows a commitment to a strong future with the bat. Also a handy keeper with the gloves and a tidy spinner. A budding future is his to be had. Well done Nick.
William	Stokes	William’s batting shone throughout the season with him making 24 on 2 separate occasions and top run scorer for the team with 115 runs. Combine this with a hat trick in round 4 and good fielding skills he has a bright future as an allrounder in the game. Well done William.
James	Tidy	A quiet, unassuming but competent cricketer James came into his own. His skillset shone through as his confidence grew, especially with the bat. A handy spinner to boot. Well done James.

Under 11-1 Red Premiers

Coaches: Paul Brewster / Charles Ingram

Manager: Peter Giltrow

It was great to see all 10 players from the 2015/16 Premiership side return for another season. With the welcome addition of Hayden, who joined the team from Oran Park, we had the making of a very strong team.

We had a slow start to the season, with the boys trying to find the balance between not getting out and trying to score runs. Although we only won 3 games in the regular season, we learnt valuable lessons with every game played and peaked at the right time for the finals.

The boys saved their two best performances for last. We beat Camden Blue in the semi and then beat the Minor Premiers, Cobbitty Narellan, in the Grand Final.

Thanks again to Peter for managing the side and to Charles for his help at training. A special thanks to all the dads who helped score throughout the season and to all the parents for their support.

Congratulations to all the boys for another successful season and I look forward to seeing all of you playing cricket next season

Joonatan	Atkin	Greatly improved bowling performance this season, bowled accurately and reliably and made the batsman earn their runs. Maintained concentration well in the field, and worked hard on his batting at training and at home.
Flynn	Bradshaw	Developed into a solid left-hand opening batsman, and ensured we usually got off to a good start. Played a vital innings in the semi-final and provided the foundation for a good team score. Great job behind the stumps as one of our regular keepers.
Matt	Brewster	Made an early season change to bowling leg spin, and rarely bowled a loose ball all season. Improved his range of attacking shots with the bat, and placed a very high price on his wicket. Amazing catch on the boundary against Tahmoor.
Hayden	Cross	Settled in well as the only new player in the team this season. A very coachable player who listens to advice and is always looking to work on his game. Consistent all-rounder who is always concentrating on the game, and an excellent fielder.
Luke	Doria	Bowled some dangerous spells of left arm pace, and took a crucial wicket in the grand final clean bowling one of the opening batsmen. Developed into a strong hitter through the off side with the bat.
Lachlan	Fitzpatrick	Always dangerous with his leg spin bowling, with opposition batsmen often unable to lay bat on ball. Conceded the fewest runs with the ball all season. Man of the Match in the GF, batting for 2 hours in the heat to set the platform for victory.
Sam	Giltrow	Despite some very unlucky dismissals early in the season always displayed a positive attitude and scored runs in an attacking fashion. Developed into a handy medium pacer, and took a great catch in the GF which put the team on the path to victory.
Max	Kemp	One of our regular keepers, showed steady improvement behind the stumps. Best figures of 3-3 with the ball. Always encouraged and motivated his team mates in the field, and worked hard on his catching at training.
Riley	Kingsell	Excellent all round performer this season. Powerful batsman with great technique, smashed a century against Tahmoor, and played several great innings, including in the GF. Dangerous pace bowler and very sharp in the field and behind the stumps.
Ben	Kitchen	Often opened the bowling for us, and kept things tight with his accuracy and bounce. Batting concentration improved and developed a good range of attacking strokes, choosing the right ball to hit.
Jesse	Sheehan	Powerful striker of the ball, and excellent runner between the wickets. Good judge of a run and always backed up well, so was able to rotate the strike. Smashed the winning runs in the GF, twice hitting the bowler straight down the ground.

This team exceeded expectations all season. We were unlucky to miss the Grand-Final, but that is cricket. Next year boys! These boys have been a privilege to coach and will hopefully continue to put in their best, on and off the field. Thank you to Pete, Lisa, Chris, Jason and Sam who helped with the scoring, and to those who also helped at training and in games. To all the parents thank you for your invaluable support of this team. We hope to see everybody back next year.

PLAYER PROFILES

Noah	Henley	Noah is a great all-round cricketer. Continuing to bowl his left arm chinamen, Noah worked extremely hard at training and it paid off. Noah's batting stepped up another notch this season, cementing his place as an opener. His range of shots has been expanded courtesy of the Big Bash and his fielding consistently backed up his all-round contributions to the team. Well done!
Kody	Hughes	Kody is a batsman that likes to hit the ball hard from ball one. His running between wickets is something that has improved well, and his bowling came into its own as the season progressed. Kody could work on batting for longer periods of time, but his enthusiasm to perform in all aspects of cricket is a credit to him. Great season Kody.
Oscar	Mayer	'The Finisher'. Able to swing it around corners and surprise opposition sides with his near-suicidal running, Oscar proved to have a very mature cricketing head on his young shoulders, and looks set to produce some special innings with bat and ball in the future.
Brodie	McClelland	Brodie proved a solid opening batsman for the team this year and just as good with a swinging ball. He can be relied on to give his best every week and has to be one of the most coachable kids in the game. Performing consistently is an area Brodie can focus on for next year, but he's one to keep an eye on!
Noah	Redman	Noah had a mixed season of cricket this year. He provided us with some outstanding knocks including his highest of 28 and his bowling developed amazingly, taking a best of 2-9 from 3 overs. Through more application to training and games, Noah will develop into a better all-round cricketer.
Timothy	Saunders	As one of the most experienced players in the team, Tim stood up with both bat and ball. He was consistent with the bat each week, and proved his reliability to take wickets. His fielding maintained a high standard throughout the season. Tim can be proud of his all-round season as second leading run scorer and leading wicket taker in the team.
Patrick	Ward	Missed the majority of the season after surgery, but turned up to training each week and gave everything his all. Despite very few bowling opportunities, Paddy snagged several wickets with his off-cutters, and produced a solid innings against Tahmoor in the last round. Promises to produce quality when at full fitness!
Samuel	Watt	Unlucky not to get a wicket this season, Sam consistently put the ball on the spot, producing some very economical spells. He also developed a broader range shots and a more powerful game as the season progressed. Will only get better as he grows in confidence.
Darcy	Weston	Missed half the season on a holiday, but proved his talent when he took a valuable wicket with his first over back after Christmas. His legspin consistently troubled batsmen with accuracy and turn, and he proved to be a great pinch-hitter with the bat. His variations continue to confuse batsmen, and his bowling is something that will only continue to improve.
Flynn	Williams	Playing up an age group with his brother, Flynn bowled with excellent pace and accuracy. Often unlucky with the ball, he proved his class with figures of 2-5 in the semi-final. The team's specialist square-leg fielder, with a rocket arm, and he promised bigger things with the bat without going on to make a score.
Jonah	Williams	The team's leading run-scorer, with one of only three half-centuries in the competition, Jonah produced several mature (and sometimes inventive) innings against quality opposition. Began the season bowling medium-pace, but switched to leggies after Christmas, and was able to bowl a wrong-un after one demonstration! A more-than-handy keeper and a dynamic fielder.

Under 11-2 Semi-Finalist

Coach: Jason Phillips / Matthew Gahan

Manager: Karen Tyshkousky

The boys bonded well and played with great spirit all season. Every player improved in all facets of the game. This resulted in a spectacular fielding and bowling performance in the semi final, but sadly it was not enough to progress to the GF. Special mention to Morgan Isbister for an outstanding season with both bat and ball. Many thanks to the parents that scored and helped out at training. The boys were a delight to coach and should be proud of their efforts this season.

Joshua	Charlton	Josh was our most vocal player in the field, giving constant support to his teammates. His positive attitude was a standout for the team. Josh stood out in the semi-final with career best bowling of 3 for 6.
Alex	Cooper	Alex was one of the quiet achievers in the team. Alex really developed as a cricketer in his first season and has the safest pair of hands in the team (when he could get them out of his pockets!).
Aidan	Faulds	Aidan shows great enthusiasm for wicket keeping and his skills behind the stumps came a long way through the year. Aidan capped a great season with a spectacular one handed leg side catch in the semi-final.
Thomas	Gahan	Thomas is very enthusiastic and a great team player. Thomas achieved the rare feat of a diamond duck on debut. It was onwards and upwards from there with memorable celebrations of his first four and first wicket.
Toby	Gill	Toby developed into a rock solid top-order batsman with a great temperament and impenetrable defence. In the field Toby is working hard on his leg spin and showed great control throughout the season.
Morgan	Isbister	Morgan had a great first season in cricket and topped the batting and bowling for the team and also took the most number of catches. Continued application will see Morgan improve even further over the coming seasons.
Mason	Kahler	Mason only managed a few games before moving away with his family. Mason's aggressive batting and bowling were missed by the team.
Dylan	Lee	Coming in off the long run Dylan is an aggressive left arm bowler and a very handy middle order batsman. Dylan fielded exceptionally well with a strong arm from the outfield. Next season will see Dylan develop into a very good cricketer.
Ethan	Nicholls	Ethan developed into a very valuable all round cricketer over the season. With powerful hitting anywhere in the order, tidy bowling and his keeping was always dependable. His positive attitude and influence was always evident in the team.
Colton	Phillips	Colton really enjoys his cricket and playing with his teammates. Unfortunately Colton missed a number of games late in the season but made a triumphant return for the semi-final with some handy bowling and a great catch in the field.
Oliver	Tyshkovsky	Oliver developed greatly over the season and his bowling in the second half of the season was a standout as he took key wickets when it counted. Oliver has a great passion for the game that will see him continue the improvement next season.
Harrison	Walker	Harrison is a real team player and contributed a great all round performance for the team. The H-Bomb also smashed the only 6 of the season. Patience with his batting will see Harrison perform even better next season.

Under 12-1 Red Runners-Up

Coach: Benham Dodd

Manager: Kevin Quigley

We the Camden u/12 red team had a successful season finishing Fourth on the ladder and we made it through to the grand final after having to win 2 games in a row against the division's minor premiers. We were very hot and cold during the season with some fantastic victories and narrow defeats. We had a few new players in their 1st season to the game and they really improved throughout the season.

Thanks to all the boys for a great season, we grew as a unit and enjoyed everyone's successes, it's great to watch them develop into young cricketers and play as a team.

Thank you to Kevin and Sharon for Scoring throughout the year and all the parents and I look forward to seeing you all back for next season.

Congratulations to Suresh and the Camden Blue team for taking Honours and winning the premiership.

Declan	Bush	Bushy was one of the big improvers throughout this season, especially with his bowling and fielding. Declan took 10 wickets and was very reliable with the ball. His highest score was 17 with the bat and showed he likes to play his shots and ticked a few boxes off his bucket list. Declan took 2 stumping's and a direct hit run out. Well done Bushy
Lyndon	Coward	Lyndon is almost the complete cricketer and loves playing the game, he bowls extremely fast and accurate. Lyndon was great in the field taking 10 catches in 7 games and can play every shot in the book with the bat when on song. He scored 142 runs for the normal season with a high score of 55. Well done Lyndon
Joel	Cubitt	Joel had his coming of age season, and was instrumental in helping our team make the Semi and Final in the latter half of the season. He can bowl fast and off spin taking 10 wickets and matured as a batsman scoring 270 runs for the full season including the semi and final with a new top score of 68no. Well done Joel!
Cameron	Dodd	Cameron batted quiet well at times this year, he hit his first ever boundary and achieved his all-time highest score of 27. He took 9 wickets in the regular season with a couple through his trade mark double bouncer. He is always energetic in the field and loves the mateship that cricket brings, well done Mate!
Austin	Ebeling	Austin played some fantastic innings accruing 123 runs with his new high score of 42 that broke the crows back in round 10. He hits the ball powerfully and has a great pair of hands. His bowling can be devastating when he's online and he took 6 wickets for the season. He is a pleasure to coach and I enjoy his one-liners! Well done Austin
James	Hunt	James enjoyed his season this year and took it upon himself to be one of the main team leaders through encouraging his mates, he even created a few new songs to sing. His highest score was 12 for the year and showed promise, patience and composure with the bat, James also took 4 wickets with the ball. Well done Fairy floss.
Dylan	Langdon-Mayhew	Dylan scored 197 runs with his highest score being 57, he batted well at times and needs to hit the ball hard and back his eye and natural technique. He bowls good seam and when asked can bowl Offies and is great behind the stumps. Dylan on his day can tear any attack apart and I'm looking forward to witnessing this next season. Well Done Pugs
Cooper	Mangan	Cooper improved as a cricketer throughout the year and is an absolute pleasure to coach. He amassed 166 runs with a high score of 45. Cooper is one of the best fielders I have ever seen in his age group, he has a safe pair of hands taking 8 catches including a freak snare that all will remember that witnessed it. Congratulations Cooper on your season
Declan	Quigley	Squiggles had a great year with bat scoring 183 runs at 30 from 7 games whilst also enjoying a white Xmas in the U.S. His 62 against the Crows in round 10 was very special to watch. He is a unique character on and off the field and chooses what he will bowl the morning of the game. Declan is also a great wicket keeper and when he decides to give 100% he can change the dynamics of the game. Well done Declan
Lachlan	Rawnsley	Lachlan showed great promise for his 1 st year in the game, his bowling improved throughout the season and took 3 wickets. He was always switched on in the field and was also a pleasure to coach. His highest score with the bat was 8 runs and showed plenty of patience and protected his stumps. I'm looking forward to watching Lachlan carve up next season.
Cameron	Salter	Cameron played his 1 st season of cricket and showed great composure and some fine striking and shot making to reach 21 being his highest score and scored 59 runs in total. He bowled very well at times and took 5 wickets for the year and saved his best bowling figures of 2/2 off 2 in the GF. He gives it his all on the field and is a great competitor. Well done Cameron
Luke	Stewart	Ritchie is the nicest guy you will ever meet, he always puts the team first and gives 110% at training and on match day. Luke highest score for the year was 28 and continued to improve his batting throughout the season. He bowls fantastic line and length and applies pressure with the ball and took 7 wickets and can also wicket keep with skill and class. Well done Luke

A great season by the 12-1 Blues that saw all players improve their game in all aspects. We had some good wins with the boys always putting in 100% but none better than the Grand Final capping off a great year for the mighty Blues.

Hopefully all the boys can learn from the season and build into better cricketers next year and we look forward to seeing all the boys back in the mighty RAMS colours next year.

Many thanks to all the Mums and Dads for their help during the season be it scoring, umpiring, helping at training or just getting the boys to the game.

Joseph	Belanzsky	Joseph struggled for consistency during the season and decided to take a break from the game after Christmas, managed to take his first ever wicket and always provided the team with a laugh,
Lachlan	Campbell	The whippet of the team, Pace, Shape and Length made Lachie almost unplayable to most opposition batters this year. Unlucky not to get a heap more wickets as was often too good to get the snick, with the bat he was again Mr Reliable coming to our rescue on many an occasion. Took some of the best outfield catches you could see and also hand gloveman. Another super season from a super cricketer.
Jack	Constantine	A hard-hitting batsman makes Jack hard to bowl to and handy swing bowler makes Jack difficult to face. Maybe didn't get the runs he deserved with some unlucky dismissals but keep at it Jack, the runs will come. Pleasure to coach and always has a smile on his face. Well done Jack
Jacob	Evans	Great hands and spent a lot of the season behind the stumps doing the job for his team, great team man that is every coaches dream, listens well and tries his hardest. Tough year with the bat but with some time the runs will come. Very handy with the ball with big hooping inswingers. Thanks Jacob for a great season.
Ben	Harris	Saved his best to last not getting the runs he wanted during the season but stood up on Grand Final day for his team with a super knock and 100 run partnership with Manoj. You can always hear Ben on the field encouraging his team mates and his leg spin bowling is getting better every week. Like a fine wine, gets better with age.
Sam	Lawrence	James Faulkner look out Sam is on the way. Our trusted opening bowler could always be depended on to get the team off to a good start. Bowls great swing bowling and tied up many opposition batters. With time will only get bigger and stronger and the pace will come as well. Remember Sam, stick to what your good at FAST SWING BOWLING...
Jack	LoSurdo	Played a super knock in the semi's to steady the rocking ship and the knock against the Magpies at Eschol Park was a gem. Some work on his bowling will turn him into a handy swing bowler, just needs to concentrate on the task at hand and not get distracted. Enjoys being in the action and on his day can match it with the best of them.
Hunter	Nicholson	Undoubtedly our most improved player of the year Hunters left arm orthodox spin really started to terrorise batters towards the end of the season so much so he was called upon to open the bowling in the semi and GF. Batting also improved and for the littlest guy in the team can generate power when he gets onto one. Great season Hunter. Remember "Stay in the Box"
Bryce	Ruttley	Our new comer to the game and on his first season showed some great signs of improvement. Gave 100% all the time and always played in great spirit. Easy to coach as is a good listener and with time will develop his skills and become a better cricketer. Playing alongside players with 5 and 6 years' experience in your first year is not easy but he never gave up and we look forward to seeing him develop in years to come.
Wyatt	Taylor	Our GF skipper had a great year despite missing a few games with injury. Was one of the massive improvers in the team, in the field could always be counted on for effort. Bowling has really improved for Wyatt and with some consistency will turn into a handy medium pacer. Batting was tough this year but keep at it mate the runs are out there, just back yourself.
Sam	Warwick	"Unlucky Sam"... We heard that many times during the year be it given out on a dodgy call, a freak catch from a fielder, a freak run out, Sam seems to find a way to get out that no-one else can. Can bowl great shape on his medium pace swingers and with things going his way will only get better. Remember to stay positive Sam and good things will come.
Manoj	Weerasingham	What do you say....Unbelievable season, runs galore, wickets galore, catches galore. Massive shoulders got the team home on many occasions. Massive hitter of the ball that terrorised opposition bowlers and was a step ahead of them all year long. Rewarded by winning MOM in the GF Manoj was our backbone and everyone loved playing along side him

Under 14-3 Premiers

Coaches: Damien Ward & Mark Little

The team can be judged on their performance in the final game of the year. They understood as a team exactly what is required to win cricket games. They learned that failing with the bat you go out and make up for it in the field. They learned the value of having team mates to encourage and support each other throughout the entire game. It all began in round one when we fielded 7 players and won. The team spirit and culture was there right through to the grand final victory.

Luke	Atherton	Man of the match when it counted the most. You have a natural batting ability, control and patience every time you go out to bat will see consistent run scoring. As for your bowling – beyond reliable is all I can say.
Christopher	Corby	Aggressive batting towards the top of the order and steady medium paced bowling produced a fine all round effort during the season. Chris – work on shot selection and you score heaps of runs into the future.
Luke	Crotty	You just love cricket so much. Stick to the spin bowling because if you work hard on line and length here you will become a major wicket taker for any team you are picked in. Your batting will improve naturally the more competitive games you play
Nilana	De Silva	What a competitor. Your desire to win spread throughout the team. Your bowling was a major reason we won a lot of games. In the middle overs you restricted the runs. Your overall game has improved over the past two year. I think 2017/2018 season will be a special one for you.
Nimesh	De Silva	Mr Reliable. You bowled just under 50 overs and had 5 sundries – beyond awesome. You have a great understanding of the game. Your batting was full of control and patience. The grand final batting innings was pure class.
William	Dooner	What a pity you were injured for so long. During this time you showed the team that you were committed and that wanted to play in every game. First year in cricket is always tough, more games equals more improvement, and with your level of commitment to training and game day wickets and runs will come.
Callum	Elder	Keep focused on that pace bowling. You were always wanting to improve. Practice getting that ball up near the batters toes and more wickets will come! You were an awesome team player and a pleasure to coach
Patrick	Maher	Number one in the team for positive attitude! Number one in the team for the best improvement in bowling from the start of the season to the end! You are always wanting to bowl each ball better than the last. Stay focused, relax and you will become a natural consistent and reliable bowler.
Chris	Malone	What a season of cricket you have had. Contributions with both bat and ball all season. One of the most positive young cricketers I have coached, you blended right into the team from the very first training session. Well played GARRY!
Sarah	Malone	This team has collectively improved all season long and I think your presence had a lot to do with it. You have been a massive inspiration to the whole team. Never giving up, consistently wanting to improve your game and offering the team 110% commitment. Thank you.
Mitchell	Newton	Signed up to play your first competitive game of cricket on Thursday two days later you are playing round one like you owned it! What a first season – 70 runs and 6 wickets and three catches, had a crack at wicket keeping. Massive team player and congratulations on the results.
James	Reid	Last year I wanted you to become a strike bowler that could take an early wicket and come back late in the innings and clean up the tail. The last three games speak for themselves. What a season and it was satisfying to see you perform to your full potential.
Jacob	Ward	I know the operation and the pain you went through in September, and to see you come out and bat and score your 50 runs 3 months later, and stand behind the stumps for your team for the rest of the season was one of the most courageous things I have seen. An inspiration to everyone.

Undefeated Premiers. The boys played outstanding cricket all year with every player contributing. They played as a team and backed each other every game, played the game hard but fair and in the correct spirit. Always having fun. A great bunch of young men who were great to coach and be around. It has been an enjoyable year. Thanks to all the parents for all your help throughout the season. Well done boys well deserved.

Ethan	Brendish	Ethan had a great all round season, scoring runs, taking wickets and catches in the field. He scored a memorable 54 against the Magpies in the GF. A great all round cricketer who will do anything for the team. Great season Ethan.
Nicholas	Brown	A great year for Nick with the bat. It all came together this year along with the big scores. Started to bowl with pace this year and worried most batsmen. A great catch in the SF. A great season. Well done.
Jacob	Cubitt	Jacob had an outstanding season. A true all-rounder scoring consistently and taking wickets. The 3 wickets for 16 in the GF was a great performance under pressure. Jacob is a team player who lets his actions do the talking. Well done Jacob.
Alex	Frankum	Alex is the ultimate team man. He loves to be in the game. Alex is one of the best opening bowlers in the game and he always made it difficult for the opposition to score. Alex's bowling skill was demonstrated by being on two hat tricks this year.
Adam	Harvey	Adam had an outstanding season with the bat scoring 646 runs. A break out season with 3 not out hundreds. Also bowled well this year coming on and making the breakthrough. Lead the team well in partnership with Sam. Great season Adam.
Hayden	Kaye	Hayden is an outstanding team player who always puts the team first. A hard working cricketer both at training and on the field. His results did not reflect his achievements with the bat this year. Hayden had a great season with the ball taking 9 wickets. Keep up the hard work.
Jake	Langdon	Jake had a fantastic season with the ball and was the leading wicket taker with 18 wickets. A hard working cricketer both on the field and at training. He is always trying to improve. Jake is a pleasure to coach. Well done Jake great season.
Samuel	Mills	Sam had an outstanding season all round, scoring runs and taking wickets consistently. Sam always has fun out in field and is a real team man. He is a passionate cricketer who leads the team well. Excellent season Sam.
Jack	Smith	Jack had a great year. He became the regular opener this season. He had some outstanding innings this year, but non better than his 49 in the GF, which held the innings together. Great season Jack.
Kyle	Seeney	Kyle always enjoys his cricket. The most liked player in the team. A good year all round for Kyle. He had some memorable moments with the bat. He hit a 6 in the SF that was one of the best ever seen and took 2 great catches in the GF. Great season Kyle.
Thomas	Patterson	Tom had an outstanding year with the WK gloves, taking 11 catches and 8 stumpings. He has quickest hands in the competition. Tom keeps the boys moving and motivated in the field. He had a good year with the bat and is improving all the time. Keep up the hard work Tom. Well done.

Under 14-1 White

Coaches: Stuart Noakes / Brett Grenfell

The Under 14 Div-1 Whites have given their best all season. The boys came together well as a team and kept working hard to improve their individual and team performances. Unfortunately they were outplayed in several key matches and were unable to make the finals this year. Thanks for all the boys, parents and also Cameron Mason who assisted us in some training sessions this season.

PLAYER PROFILES

Blake	Ciscato	Blake is a talented cricketer and continues to improve each year. He has been an asset to the team with the batt, ball and also with the gloves. Blake was a very valuable member of the team.
Josh	De Livera	Josh has a natural relaxed style and underestimates how talented he is. With the right level of focus, Josh can become a very strong all round cricketer. We loved having Josh around the team.
Hayden	Ferguson	Hayden is a natural cricketer and energetic leader around the team. Hayden has achieved some amazing results this year and with the right level of patience and focus, will start to do that on a regular basis.
Luke	Grenfell	Luke showed resilience and skill this year with both bat and ball. Luke never gives up and displayed that to the rest of the team, which is a leader.
Joshua	Low	Josh works hard each and every training and game and is always ready to bat and bowl when needed. He is a talented cricketer and when he combines this with his determination, his game will come on quickly.
Adam	Nicholls	Adam has achieved amazingly this year, becoming the teams top wicket taker. He trains the house down every week and that shows when he takes the field.
Thomas	Noakes	Thomas has had a solid year with bat, ball and leading catches in the field. More patience in batting and consistency in bowling will see his figures rise in both. Thomas showed leadership with the team and should continue to take those opportunities.
Jack	Robertson	Jack is always reliable with the ball and achieves good consistent results. We also saw his batting potential toward the end of the season. Jack has a few more gears and as he changes into them will start to achieve the results he is capable of.
Ryan	Saggers	Ryan showed signs of breaking through with both bat and ball this year. As he translates starts into innings and develops consistency when bowling, he will be a very strong cricketer.
Hayden	Tipping	Hayden has amazing potential with both bat and ball. He has high expectations and struggles when he doesn't always achieve them. As he learns to control that, he'll start to see the potential that the rest of us do,

Under 14-1 Blue Semi-Finalist

Coaches: Jason Dowling / Greg Pinnington

Great overall performance by every player in the team. The boys played well together and in the true spirit of the game, showing grit and courage throughout the season. Our plan at the start of the season was to make the semi-finals and the boys did that with enthusiasm and some great individual performances. Well done boys, as coaches, we could not be more proud of each and every one of you. Great season, see you all next year.

Connor	Canty	Connors work ethic is where he gets his great results in the game. He is an outstanding wicket keeper with 9 catches and 4 stumping's. He started the season on fire with the bat with 3 fifties' in a row. A solid season for Connor and one he should be proud of.
Owen	Cole	"Mr Personality", Captain courageous lead the team with honour. An exceptional leg spin bowler with all the tricks and tactics of an older experienced cricketer. 15 wickets with 4-6 off 10 overs being his best. Owen, keep working hard on your batting as you're almost there with several good innings throughout the year to prove it. Big future in the game.
Connor	Dowling	Big, strong cricketer that hits the ball hard and got going a few times giving our side a fast and solid start opening the batting. Connor loves the battle of the game and playing with his mates. He contributed well with the ball taking 4 wickets and 4 catches. He is good and solid off season, training to excel in this game.
Jaden	Gilheany	Jaden had another great year playing cricket with his mates and spear head our attack opening the bowling taking 9 wickets at the economy rate 2.9 runs per over. He took 8 catches in the field and was worth the wait. His batting improved as the season went on and he has the making of an allrounder.
Cameron	Ha	Cameron had a great season with the bat and ball and held his own against any team in the competition. He is a leader in the team and lead by example. It is always great to have Cameron around. Highest score 29 and best bowling 3-9.
Tommy	Henturen	Tommy is the X factor in the team, he comes to play. With allrounder qualities featuring this year with the bat and ball and is an exceptional fielder. He definitely grew as a cricket player this year.
Thomas	Pinnington	Tom got a lot of starts with the bat this season and needs to go on with it next season. Over all, he has a solid season. He bowled very well taking 8 wickets with his best figures being 2-9 and fielded well all year with 3 catches as well.
Ben	Quinnell	Ben only knows 100% when he plays cricket, very lively in the field with 3 catches and a run out. His best bowling figures were 3-3 off 4 overs. He has solid defence batting which should be the foundation to score more runs and excel next season.
Toby	Schofield	Toby is a real student of the game taking pride in practicing and training. Scored a brilliant 80 this year and stood up and claimed an opening batting position. He scored 150 runs, bowled line and length all year, taking 10 wickets with his best being 3-7 off 4 overs, plus 4 catches making Toby a real leader of this team.
Owen	White	Owen turned up to every training and match day and always tried his best. His personal best in a game was 17 not out and 2 wickets. Owen worked hard on his bowling this year and has improved greatly on his line and length, which he will take into next with higher expectations.
Ryan	Woods	"The Smiling Assassin". Many opposing batsman have lost their wicket to his smile. Ryan is an opening fast bowler who is a fierce competitor. Taking 8 wickets with his best being 3-9 off 3 overs. Scoring 109 runs was a product of all his hard- working training this year. A solid season.

Under 16-2 Semi-Finalist

Coach: Rod Feutrill

Manager: Skipp Humphreys

The year started with players setting the goal of enjoying their cricket and hopefully playing finals. The Camden U16/2 side, really gelled as a side and ticked both boxes in what was a great year. The team had 7 great wins and 3 losses and won the last home and away game against the eventual GF winners, Magpies to snatch top spot on the ladder. But Alas the Semi-finals were not kind and we were bundled out. Not to matter we all enjoyed the great game of Cricket, bring on next season!

Nicholas	Bines	Powerful bat, fast scorer, Great hands behind the stumps and in the field, bowled with great variation and lead the team well when given the opportunity – talented cricketer, Pleasure to watch – Well done Nick!
Cody	Bzadough	Terrific all-round effort, Cody's batting was reliable all season long and proved difficult to get out, bowled well and had a cameo with the gloves behind the stumps and fielded well across the park – Good stuff Codes'
Amber	Cubitt	Amber worked hard on her game during the year, at training and between games and the results showed, with more runs & wickets. Always an enthusiastic member of the team – Always happy to give advice on relationships!! Great team member Amber, great attitude. Thanks!
Harry	Feutrill	Harrys bowling was miserly for most of the year, threatening most of the time – just couldn't get a bucket of poles – ended up with less than 3 runs/over. Harry's keeping was also solid, just needs to find the run God – keep at it Hazza!
Kaleb	Hampson	Terrific Job Kaleb, 8 wickets and over 100 runs – Kaleb took on whatever job the coach gave him and did his best at it. Nothing fazed him, always chatted to me about what he needed to do – Dry and comical really, well done K !
Gibson	Humphreys	Gib improve his game through the season and proved to be “harder to remove than a Beetroot stain”, 5 not outs and a lot of frustrated bowlers – Gib, also tweaked his way to 5 wickets and 5 maidens – Well Done Gib'
Oliver	Humphreys	A great season Oli, who featured in all aspects of the game – “Cheap, like an ill-fitting suit” with less than 2 runs/over and 10 wickets @ 8.2. Plenty of runs off the willow as well, catches to boot – good all round cricket Oli – Well done – good luck in the Seniors.
Connor	Maclean	Now here is a lad that works hard on his game – by the time we got to training Connor had already bowled 20 overs, enthusiasm plus in the field and featured in some whirlwind innings' with the bat – keep at it Big Fella,
Trent	Martin	Just like “Edmund Hillary on Everest” Cricket was a first for Trent, and he claimed 10 wickets, excellent. Best of all Trent enjoyed his opportunity – great start Trent – keep working on all aspects of the game!
Cameron	Meredith	Cam, what can I say – I think the unluckiest bat in the side, found new ways to get out, he's the lad for the “Maze of Mirrors”. Bowled well and fielded well – Took the game on with a shrug!! Well Done Cam!
David	O'Brien	Dave, “I am going to throw myself in the air” O'Brien, to take the catch, plenty of laundry soaking required – Also: Let me field silly something, Some great catches and the left arm tweaked out plenty during the year – great team member – “Walking in with Dave” - Effort Dave
Tom	Stiff	Great year Tom, topped the bowling and set the team up, by picking up crucial wickets, even if you couldn't see past the fringe – a couple of quick fire cameo's with the bat also. No fuss cricketer – Well done Tom, thumbs up!

Elijah	Armstrong	One of our opening bowlers, Elijah bowled with good pace and plenty of effort all year. With the bat he enjoys hitting the ball hard but also showed the ability to hang around when required. A great team player who got along with everyone.
Kodi	Brien	Our opening bowler, Kodi bowled with great pace and swing. Kodi possess a solid batting technique and found himself batting in the middle order with a number of good performances. A brilliant cricketer who needs to stop being so hard on himself.
Lachlan	Burrows	"BUZZ" is a whole hearted cricketer who gives his all in every aspect of the game from training to matches. A very accurate swing bowler and showed his ability with the bat to hang in there and do a good job for the team.
Cooper	Davidson	Our opening batsmen. Cooper is a very talented batsman who likes to take on the bowling at all times. A bit more patience at the crease will see his batting further improve. A very talented seam bowler Coops is starting to bowl leg spin with some potential.
Matthew	Harris	An accurate seam bowler with the ability to swing the ball, Mattys bowling improved throughout the year as his confidence grew. He had a number of strong performances with the bat during the season. A great help to the coach running out drinks for his fellow team mates.
Aryan	Kate	Aryan is a very gifted cricketer and possess a beautiful batting technique and has the ability to bat for long periods. His leg spin bowling is great to watch and at times during the year proved to be unplayable. And not to forget his amazing 7/20 against Cobbitty Narellan.
Ji	Mills	Our Captain (who cannot win a toss!) had an outstanding year with the bat (no surprise there) Millseys ability to bat is second to none and he punished nearly every bowler who bowled to him this season. This combined with his handy off spin and great fielding make Ji a brilliant cricketer who I'm sure will one day play for Australia (Just don't forget your favourite coach!)
Keegan	Passlow	An accurate pace bowler with the ability to move the ball around, Keegan always done a great job for the team every time he bowled. A very hard hitting batsmen with the ability to hit boundaries at will, Keegan just needs to occupy the crease a bit longer and the results will come.
Lachlan	Roberts	A talented cricketer, Lachlan bowled with good pace and accuracy. His bowling improved throughout the year the more his confidence grew. A solid batsmen, Lachlan batted without much luck this season, but with hard work a big score is not far away.
Carl	Rushworth	A talented seam bowler, Carl showed great ability with the ball in hand during the season. With some more consistency with the ball, the big results will come. With the bat Carl loves to smash the ball regularly and proved to have great hitting power a number of times.
Jayden	Sessions	Jayden opened the batting for us a number of times this season, and was always up for the fight. A batsman who likes to occupy the crease and dig in to do a job for his team. With the ball, Jayden bowls a handy off spin, and in one game in particular proved very difficult to play, taking 5/18 against Collegians
Harry	Williams	Our keeper, Harry had the tough job of keeping on turf wickets all year with variable pace and bounce. His keeping improved every game he played with his confidence growing and the ability to understand the wicket. A talented batsman who batted without luck this year but a big score is not far away at all

A great team that worked as a team – made the grand final on the back of everyone contributing towards our results, the start of specialisation for batsmen, bowlers and all rounders and I cannot be prouder of the way they conduct themselves on and off the field. Thanks to Ben Gunn for his assistance and support with this team and they are the future of our club as they move to senior ranks.

Corey	Barnes	Barnesy had a great start to the year with bat and ball and that set the tone for him – a great team guy was always in the contest and someone you want in your team
Ben	Clarke	Ben didn't have the year he hoped for with the bat but no matter the situation he was there for his team mates and always gives his 110% - solid year as skipper
Tom	Hodge	Hodgey yet again continues to sneak up on the opposition with his swing bowling, a great team man and also just loves to be in the contest and wants to contribute great team player!
Sarah	Howard	Sarah had a solid year with the ball and mixed her 16's commitments with Brewer Shield. She also just loves to be in the game and wants to give her best for her team mates
Charles	Ingram	Charles is such a patience player and will tough out a lengthy stint at the crease – he never gives his wicket away and loves being part of the team result
Tyler	Irwin	Tyler showed that he can contribute with bat and ball – some great legspin and limited opportunities with the bat showed he will provide options for his team
Harry	Pemberton	Pembo batted the majority of the year out of his normal position but did a great job – not the reward of runs this year but this talented hard striking player will have his time
Tom	Reid	Tom is a big strong quick bowler who will cause a lot of headaches for batsmen in the future. He has a solid batting technique and has a big future in the game and with our club
Pat	Staunton	Pat showed on a number of occasions what it takes to be successful as a batsman, patience and trusting your own technique. Runs again came his way and he has a big future also ahead
Kye	Sussman	Kye contributed to the team with ball in hand, on the field & off the field. His enthusiasm and exuberance is infectious and he kept the team up without knowing it – safest hands in the field
Jarrold	Tripp	Unfortunately Jarrod had an interrupted season with injury – he is a talented young quick who is more than handy with the bat. A injury free season will be a big season of results for him
Jamie	Warwick	Jamie had a awesome season – batted with great intent, bowled attacking and stayed in the game in the field. The results looked after themselves for him – great work!
Chloe	White	Chloe has such a smooth fluid bowling action she has the ability to take big hauls with her swing and accuracy. With a little more belief in herself she will be a force on the field.

To our other players that assisted the team – James Reid, Toby Schofield, Owen Cole, Jake Langdon & Connor Canty thank you for your help and your contribution towards our great season

1ST Grade Undeclared Premiers

Captain: James Broadbent

Undeclared premiers to bring up 10 in a row!

Too often I underestimate how fortunate I am to be a part of this team and this season was no different. While the team is obviously full of talent and experience, it is our cohesion on and off the field that frequently provides us with an edge over the opposition.

Unfortunately we go into the next season without the services of Wayne Eagles, Michael Wiggins and Daniel Harris. To Wayne and Wiggo, enjoy retirement and a huge congratulations on two brilliant cricket careers! There will be some big shoes to fill.

To the boys - 10 premierships in a row... WOW.

PLAYER PROFILES

James	Broadbent	NUMBER 10!!!! For this season's player profiles we have decided to do something a little different. A number of players wanted to reflect on the retiree's who were there for all 10 Premierships.
Matthew	Campbell	Leading wicket taker again for 1 st grade and demonstrated a great ability to trust his stock ball to build pressure and consistently result in wickets. A true gentleman, a terrific young man and an absolute menace after a couple of scotch and cokes.
Jamie	Clacher	3/0 off the first 3 balls against Mac Fields!!! A moment in my cricketing life I'll definitely not forget. Unbelievably reliable with the new ball all season and demonstrated a major improvement in his discipline and resilience. Too often dangerously underrated by the opposition. Great season mate.
Paul	Clarke	The stalwart PC was back to his very best the bat this season and it was an absolute pleasure to watch! His 115* after coming in at 4/40 on bowler friendly pitch was the obvious highlight. His guidance in the field is never taken for granted. Great season mate.
Benham	Dodd	Wiggo – A true team player, he made the gully position his own. When on song with the bat, he was a delight to watch with a full array of shots, cold bat like Boycott or Warner. Its been an absolute pleasure to play along side you mate and I'll always value our friendship. Steady Eddie Eagles – When in the zone, can take the game away from any team, especially when it matters most. The true white version of Wasim Akram but with gay wrists. A freakish talent with the bat and ball, probably the 2 nd best all-rounder in the team.
Luke	Eagles	Big Lukey was at his boring (disciplined) best again this season, averaging 30 with the bat and 7.4 with the ball. He scored a game winning 70* in the T20 grand final and took 3/7 in the 2 day grand final to set up us up for # 10. A more than valuable asset to our team and too often a player that is overlooked by the opposition. A pleasure to spend every Saturday with.
Wayne	Eagles	Oozes class, ability and confidence. Three assets that result in a successful combination over a long period of time. At 15, I wanted to play 1 game with Wayne Eagles, at 26, I've won 3 premierships with him, captaining him in 2. His guidance, dependability and talent will be etched in my memory.
Anthony	George	Mr Dependable. Another member of the team who doesn't get too many chances to show his worth, but when he does, you always know he'll do the job. With bat, ball or in the field, Georgy rarely lets his teammates down. My fingers are crossed that we see him in again next season!!
Daniel	Harris	Harry had another successful season with limited opportunities. The CDCA's best fielder once again demonstrated stupidly good athleticism in the field taking catches and creating run out chances that very few would be capable of. Absolute class with the bat in hand and a terrific bloke to be around. Easily the most handsome too.
Cameron	Mason	Maso fell victim to being our '13 th man' in 2016/17, but not due to a lack of talent. A player that would bat 4 and bowl first change at any other club in 1 st grade, Cam unfortunately didn't receive much of an opportunity in our team. A terrific man, a terrific cricketer and a bloke I hope to play cricket with next season.
Dylan	Scott	Wayno – what a player but an even better bloke. Your confidence rubs off on all of us, not just in cricket, but also in life. I will miss you rocking up at 2:15pm with a dart in your mouth after selling 4 houses. But it'll be the beers, chats and laughs I miss more. Wiggo A true gentleman and a good mate. Your confidence and willingness to go into battle support your mates is second to none. I will miss your textbook lofted cover drives and your cheeky sledge to the opposition. I will miss you mate but look forward to catching up for a beer every now and again.
Joshua	Scott	Weagles – After all the years of playing cricket, I don't think I've played with a bowler as good as you. You just have a knack for bowling that magical ball and playing a match-winning knock at 8. It wasn't luck. I will miss playing with you mate; Miss your Richie post-game and the smile you gave batsmen after doing him all ends up. Wiggo – Playing with you over the past 10 years has been so much fun. You're just one of those players you want to be standing next to in the field, batting in a tense game or having a beer with. Thanks for all the great times playing with you. We've had some fun times in the middle my number 4 buddy..
Michael	Wiggins	I became a better batsman when Wiggo walked to the crease. Nothing fazed him and for the past three years, I've hung on every word he's said. An influential member of the team and an unbelievable competitor. An absolute legend of a human but a terrible golfer.
Jon	Shaw	Wayne – I remember meeting Wayne playing 2 nd grade for Camden against The Oaks in 1999. Dad had told me about an Eagles that was a magician with the ball, and sharp. I was 15, batting 3. The white WRX flying into the ground 45 mins late was my first memory, the 160km/h bouncer going past my nose was the second. After more than 10 years playing with him, I'm thankful he came to Camden! One of my best mates, and a great family man. Congratulations on a brilliant career Weagles!! Wiggo – Seriously one of the best bats I have played with. There aren't too many blokes who will walk in at 2/0 on a sticky wicket and have the confidence and skill to bomb the opening bowler back over his head. Hit some of the prettiest 100's you will see at any level. The hole you will leave at 4 in 1 st grade is huge mate, but the hole you leave in team culture will be bigger. Another of my best mates, and another great family man. Congratulations on a brilliant game!

2ND Grade Semi-Finalist

Captain: Jon Shaw/Ryan Voegt

A very enjoyable year again spent with a very diverse team. Emerging juniors, old heads, lunatics and the odd good bloke thrown in for good measure. A season that could have been a premiership with all the talent we had on paper but unavailability's and injuries set us back at times. I have no doubt that with more application next year, we will be holding the shield aloft come grand final day. Thanks must go to Ryan Voegt for doing most of the work behind the scenes and a fair bit from the front too!

Myles	Aston	Never short of entertainment, and a man of many skills – just ask about how he pinched the wicketkeeping award off the 1 st string WK whilst filling in a few games! Not his best year with the bat, but will be back better than ever next year!
Haiden	Connor	Dossy was our leading run scorer this season and started the year with our only hundred. Looked good all year and solid behind the stumps. Most useful when not making a nuisance of himself in the U.S...
Glen	Cubit	Ice Cube is a captains dream. Lands it on a 10c piece when bowling, can bat anywhere and a great air of hands in the gully. Not a bad bloke either! We are all hoping retirement mkII is a fair way off for the evergreen Cubes!
Cooper	Davidson	Cooper started the season as a fill in player but quickly became a permanent part of the team. Limited opportunities this year but will benefit from senior cricket on turf. Full of potential with the bat and never took a backward step, even when it got tough. A bright future ahead for a great kid.
Taine	Gilheany	A breakthrough season for Gilly, making his first grade debut. Bowled some of the balls of the season with huge inswingers. Although not given enough opportunity up the order, he was still our second highest run scorer. Constantly got us out of trouble after top/middle order collapses. Natural timing and a great straight rive. Big things ahead.
Mat	Halpin	The leader of our bowling attack. Halps can swing the ball both ways and is always a handful for opening batsman. Most useful when not making a nuisance of himself in the U.S.
Lachy	Kyling	Good to have Lachy back enjoying his cricket. A super talent we would love to have back full time. Never short of an entertaining story from his travels abroad. Pretends to have partied with David Hasselhoff...
Cameron	Mason	Played most of the year in 1 st grade but when we were lucky enough to have him, he never let us down. The complete cricketer and the nicest bloke in Australia. We hope he makes the commute from the city again next season!
Liam	Richardson	Opened the batting and was solid all year. Look to convert his starts into bigger scores next season will see him play a lot of first grade. Brilliant in the field and a good team man.
Kieren	Ross	A rollercoaster season for Kizza. Coming back from injury it was hard to find rhythm. When he did he was at his best and taking bags of wickets. Next season will have more trust in his body and will be firing on all cylinders.
Tristan	Ross	“Retirement” lasted 2 rounds for Trisso. The smell of leather and the sight of batsman hopping all over the place too much to give up! Scary when he wants to be with the new rock. Made his first grade debut with and dominated in both games.
Jon	Shaw	Thoroughly enjoyed my cricket when actually playing. Contributed very little – saving it for next season obviously. Thanks for a fun year boys!
Michael	Shaw	Getting Mick out of retirement was my greatest achievement this season. Showed glimpses of his best against the best bowler in the comp. Although he couldn’t play a full season due to being a social butterfly, I enjoyed my cricket most when he was available. Will get a 2017/18 rego form for his birthday.
Ryan	Voegt	What a bloke. Skippered most of the season and did a fantastic job. Did 99% of the organisational work behind the scenes and never missed a beat. Hoping to see him back himself more next season and dominate teams at the top of the order.
Zach	Foster	Fozzy got us out of a few sticky situations during the season and bowled with plenty of heart. Although half the time he played in borrowed gear, we forgive him as he drove all the way from Manly!
Anthony George, Aaron Sammut, Dave Simpson		All played a couple of games in 2 nd grade and contributed well. We were blessed to have such great blokes to be able to call on. Thanks guys!

A disappointing end to the season being washed out in the SF to what was a very successful year finishing in 3rd on equal points with 2nd and only one point from top spot. A great bunch of guys who always backed each other every game. A strong belief from all that we would have won the premiership. Hope to see you all next year boys. Thanks for a great season..

James	Apps	Apps just didn't play enough games this year. Looked the goods with the bat in his last innings. Always in the game and loves to have a chat with the opposition batsmen. Hope to see you back next year and available to play every round.
Paul	Brewster	Held the middle order together this year. A consistent year all round but I am sure not up to Brewy's own standards. Lead the team well when required. A great VC to have around. No issues with Brewy this year Apps must have something to do with who's Captain!
Reg	Corney	The "Mr Cricket" of the team. Reg just loves his cricket and wants to be in game all the time. A great come back season that looked to be off to a bad start with a double Quad injury. As always with Reg he was there wanting to play the next week. His bowling was outstanding in the latter half of the season. A real team man. Looking forward to seeing you back next season
Andrew	Crotty	Crotty the new man in the side. His inswingers were unplayable when on taking 10 wickets for the season. Didn't have the season he wanted with the bat. Always having a good time both on and off the field inspiring boys in the field with his encouragement and laughter. Crotty loves a good half volley!
Simon	Harvey	It was an honour to be given the captaincy this year. Struggled a little early but having such a fantastic group of blokes in the team you made it easy for me. Thanks guys for a great year can't wait for next season. A huge thankyou to Greg Little who is our regular scorer.
Liam	Krmac	Liam had a good all round season scoring and taking 10 wickets. Bowled well in tandem with Taylor. The opening spells were outstanding and always put the team in a strong position.
Taylor	Krmac	Great season with the ball. Highest wicket taker with 19. A five wicket haul against Phoenix before Christmas was outstanding. Always puts in for the team.
Matthew	Lindsay	Matty spent more weeks off the field injured than on the field pre Christmas. Did not show his true potential due the lack of game time. Steeped in for Simmo late in the season with the keepers gloves and did an outstanding job.
Mark	Little	Mark had a great season with the bat leading the team with most runs scored. A great team player who is always in the game. Outstanding season in the field taking 10 catches. The ball just seems to follow you around!
Aaron	Sammut	Aaron had a good year all round but as always excelled with the ball. Taking 12 wickets and was the most unlucky bowling not to have taken more. Aaron is great to have in the side and will do anything that is needed for the team to succeed.
Dave	Simpson	Simmo had another outstanding season with the bat and the WK gloves. Played injured most of the season with broken fingers and foot late in the season. Simmo is the real team player. Thanks for great season.
Jamie	Warwick	Jamie became a regular in the side when not selected to play grade. His bowling was unplayable sometimes taking 5 wickets with an average of 4.6. A real chirpy player in the field with tons of potential.

I would also like to thank the juniors that filled in during the season without you the team would have not achieved the result we did. Thanks boys and well played from all of 3rd grade. Hope to see you all in the regular starting 11 next season.

Jarrold Trip, Kodi Brien, Ben Clarke, Pat Staunton, Ethan Brendish, Tom Patterson and Adam Harvey

6TH Grade

Captain: Simon White

As captain of the sixth grade side this year I could not have asked for a better bunch of players to be involved with and thoroughly enjoyed the year, with all players contributing at different times throughout the season. Our season had some great wins and some narrow loses which ultimately resulted in us missing the semis by one point. We have a talented bunch of youngsters who will no doubt move up a few grades next year that have benefitted from playing against older opposition.

I would like to thank the older brigade for helping bring the younger ones through this year.

Michael	Davis	The rock at the top of the order, consistently saw the shine off the new ball.
Danny	Eljed	Danny led the bowling attack all year, and was an excellent mentor to the younger bowlers, leading by example.
Jakob	Eljed	The spearhead of our bowling attack, too good a lot of the time, consistently passing the outside of the bat and would also come back and wrap the tail with his Starc like yorkers.
Nathan	O'Reilly	Had a very strong finish to the year, including some crucial innings throughout the year.
Rory	O'Reilly	In to the wind, up the hill war horse, on and off the cricket field.
Jason	Page	Cool headed middle order bat, contributed in all three facets of the game.
Alec	Reid	Valuable, unflappable opening batsman, with a great pair of hands in the field. Got as off to a great start on more than a few occasions.
Wayne	Robertson	The great allrounder of our side. Gives 100% in all aspects of the game.
Lachlan	Saunders	The best leg spinner in the comp by far. Continually bamboozled batsman with his many different deliveries.
Matthew	Saunders	The evil twin of the side finally stepped out from his brother's academic shadow to perform extremely well all year.
Glenn	Tipping	Glenn was a valuable team member and showed great enthusiasm for the game and support for the team. His steadying influence and positive attitude were always appreciated.
Isaac	White	Topped the runs and the sledging but unfortunately never in the same game. Wicket kept without much lateral movement.
Simon	White	More rocks than diamonds unfortunately this year. Thoroughly enjoyed captaining this bunch. Thanks for the great season everybody!!
Special	Thanks	Special thanks to Kodi Brien, Max Chapman (never run the captain out), Ethan DeBono, Chloe White, Keegan Passlow, Matt Harris, Adam Harvey, Matt Burke and the great Reggy.

7TH Grade Semi-Finalist

Captain: Tim Constantine

A very good season for 7's this year. We started really well with 6 straight wins including an outright in the first round. Got a bit shaky in the middle of the season losing the next 4. Managed to re-gather ourselves to finish in 4th place. Fell short in the Semi-final, but it was a very enjoyable season with a great mix of blokes. Looking forward to an even better 2017/18.

Michael	Burke	Mick has been a solid top order batsman this year combined with his considerable skill with the gloves made him a very valuable player this year. He can also be relied on to keep the square leg umpire's mind on the job.
Benjamin	Clarke	Ben's had an up and down season with the bat this year, however his upbeat personality ensures there is never a dull moment while he is around. I hope to see him achieve his full potential next year
Tim	Constantine	It was a pleasure to captain these guys this year. It is always an enjoyable way to spend a Saturday afternoon and Evening (thanks CVI). I hope to see everyone back again next year to see if we can go all the way.
Jonathan	Davidson	Jono excelled with the bat this year picking up 2 half-centuries. His speed in the outfield is invaluable taking 9 catches for the season and probably saving 20-30 runs every innings. Always gives 100% .
Peter	Fehrenbach	Another solid year with the bat from Pete two 50's and a couple of 40's being the highlights. His help with field placing and strategy on the field were also invaluable.
Shane	Fell	What a season with the ball! 34 wickets for the season including a sensational hat-trick. His solid defence in the lower order often made an average score into something more defendable.
Ben	Gunn	Ben's batting came into form at the right time for us this year, the highlight being a 73* in round 11 to help break our mid-season slump. His great line and length bowling always dried up the runs making him a very valuable all-rounder.
Trent	Mayer	Trent had a great year with the ball, always sticks to the plan, rarely getting put off his game when the opposition goes after him. Season highlight was a brilliant 5/16 of 7 in round 4
John	Pendergast	John joined us a few rounds in and while luckless with the bat managed to pick-up 8 wickets in the 4 matches he played for us including a nice 4/29 in his first game. Hope to see more of him next year.
Jack	Seeney	We didn't get to see as much of Jack this year as we wanted. A couple of solid performances showed what we were missing out on! Hope to see more of him next season.
Adam	Skvorc	With Adam opening the innings with the bat you can usually rely on a decent opening stand. Brilliant with the gloves rarely making an error behind the wickets. Also quite proficient in the mental (verbal) battle.
Mat	Skvorc	Mat is the ultimate quite achiever, just lets the ball do the talking. Season highlights were his 16 wickets and a mid-season 5 for 8 catches and a run-out also a considerable contribution in the field.
Derek	Warwick	A team best 94 and his maiden half-century earned Derek the fitting nickname of "Big D". His last second leaves and impeccable placement through the slips cordon, added greatly to the frustration of the opposition.

8TH Grade Runners-Up

Top effort from 8th grade this season, finishing 4th coming into the semis, we managed at least one win against each opposition team. Performances were evenly shared and great senses of humour within the team meant Saturdays couldn't come around quickly enough.

Pat	Bardsley	Pat bowled in a very clever way and deserved each wicket, along with some fine slip / gully catches.
Shaun	Bardsley	Shaun put in some top fast bowling performances (one 5 for) to go along with a couple of nice 50's
Corey	Barnes	Always smiling, Corey put in very good batting (one 50) and bowling performances at a very nice pace with well earned wickets.
Lee	Barnsley	Coming all the way from Bella Vista Lee was always first at the games and saw us home in a few games with solid batting. However the kiwi isn't big on "red belly's"
Rick	Bell	A century or nothing was Rick's way this year with two top hundreds, Rick well deserved top batsman but I won't mention his catching.
Dave	Brennan	Dave joined us this year and very much enjoyed himself. His keeping was top class and consistent batting helped in a lot of our wins.
Rob	Campbell	After a late season start Rob came in with very good batting one 50 and nice bowling as well. Rob has very safe hands never spilling one.
Jaden	Gilheany	Jaden played in a hand full of games for us with some great bowling performances. Jaden has a top attitude to go with his talent.
Matt	Harris	Matt helped my team along with 6 th , 7 th and 10 th grade by being always available. Matt's bowling was very consistent deserving all wickets taken.
Lewis	Hudson	To say Lewis is keen and tries hard is an understatement. Always ready to bowl and deserved "most wickets". Well done. (one 5 for)
Charles	Ingram	"Stonewall" Charles did a nice job seeing off many bowlers, his technique is lovely to watch.
Barry	Ingram	As usual Barry was there, very consistent bowling along with some top catches and always chasing down the ball. Deserved top fielder.
Rob	Losurdo	This year Rob's bowling was tops, being very economical as well as taking the most catches for the team.
Kenny	McNeill	I really enjoyed mixing with a top bunch of blokes who showed great humour along with the love of black and brown snakes.
Greg	Pinnington	Pinno certainly helped us out with the "willow" by playing some fine innings. His hands haven't lost it at slips either.

A really enjoyable season with a great team made up of father & sons/daughter the young and not so young, we finished the regular season 3rd making the finals following a couple of good outright wins on the back of some really good bowling & fielding although we struggled for runs at times throughout the season, a really solid team effort with every player contributing.

Chris	Allison	Chris is not only a great sponsor for the club but a great bloke to have in the team always positive a bit unlucky with the bat but bowled well all season picking up a “five for” and took some great catches in slips and gully.
Fletcher	Brown	Puts in 100% in the field every match saved plenty of runs and took some great catches had a couple of solid innings hitting some big shots, bowled well when needed.
Darryl	Casey	Enjoyed the season as captain, didn't really get going with the bat but bowled well all season kept it tight and picked up some wickets when we needed them.
Steve	Faulds	Helped out in 8 th grade a couple of times this season so didn't get as many opportunities with the ball but bowled well when called on, looked really solid with the bat all year. Unlucky not to have scored more runs.
David	Howard	Bowled well when ever given the ball picking up a few wickets, took a couple of screamers at first slip always encouraging the bowlers, unlucky with the bat this season.
Sarah	Howard	One of our juniors who filled in all season always helping the team out even when not in the 12, bowled really well & picked up wickets when given the ball and scored some valuable runs down the order, well done Sarah
Jake	Langdon	Very talented young cricketer, one of our keepers for most of the year doing a great job, bowled really well both spin and medium pace, scored a couple of very good 50's and always looked dangerous with the bat, great season mate.
Jeremy	Lawless	One of our main bowlers Jeremy bowled a great line & length missed a few games or I'm sure he would have picked up many more wickets, found some good form with the bat late in the season.
Phil	Mayhew	Our main keeper for the season doing a great job behind the stumps very tidy, good striker of the ball and went on to score a few good 50's whenever he got a start, great team man.
Connor	McFarlane	Connor has really matured as a player bowled a great line & length all season, outstanding fielder taking some great catches, batted well all season and was involved in a few very good partnerships.
James	McFarlane	What can I say “Jimmy” was in everything all year leading run scorer and wicket taker and just a great competitor another great season, although he needs to ease up on the sunscreen according to the boys in 2 nd Grade.
Bob	Merlino	Only filled in for us in a few games doing a great job as keeper, Bob's just a fantastic club man always turning up through the season and the finals to watch, score or encourage our junior players, much appreciated mate.
Lachlan	North	Found some good form with the bat late in the season, didn't bowl a lot of overs but was very tidy with the ball tying batsmen down, a very good fielder with safe hands a great competitor always encouraging his team mates.
James	Reid	Another of our juniors who filled in for us most of the season, bowled well whenever given the opportunity and very safe hands in the field and a solid batsman, well done mate.
Christian	Roberts	A solid middle order batsman and a very good fielder saving many runs and taking some great catches also kept well for us in a few innings and bowled well when needed.

The 2016 T20 Blast

Camden this year ran a very successful T20 Blast program with large numbers turning out for the second season of Blast in our district. Many thanks to the CDCA, Herman Lotey and Steve Brown for their support and organisation of the program.

We hope all the kids are back next year either in T20 Blast or moving onto red ball cricket.

The 2016 Milo In2Cricket

Camden this year ran a very successful Milo In2Cricket program with numbers again stronger than ever with 40 participants.

Special thanks to Clair Hardy, Lachlan Burrows and Lachlan Roberts for their work during the season and to all the other helpers during the season along with all the parents who helped co-ordinate the days activities. We hope all the kids are back next year either in In2Cricket or moving on to T20 Blast or Under 10s Cricket.
