Under 10 Green / Blue Grand Finalists

Coach: Kurt Dreyer

Manager: Peter De La Mare

In a season like none before it, our team delivered when we had the opportunities to play. We dominated sides on occasions, but were also challenged by improving sides as the season went on. The boys all put in a great effort when they could train and the results showed. The development continued as we headed indoors for some sessions due to the wet weather. Having made it to the Grand Final by securing 2nd place throughout the season, we knew as a team we could challenge an undefeated Ingleburn side. We did just that, and challenged them all day, right up to the last delivery, but on this occasion, we fell short of holding up the trophy. A great first year for our boys, and I couldn't be prouder of them. Boys, just remember Cricket's an easy game, coaches and parents make it hard! Keep enjoying the game, and thanks everyone for a great season.

PLAYER PROFILES

Ethan	Ahmed	Ethan is a solid all-rounder who used his previous year of cricket to build on his batting and bowling technique. Ethan bowls a nice shape and communicates well out in the field. Ready to step up to U11's.
Lincoln	De La Mare	Lincoln showed commitment and passion for the game. A great all-rounder. Excellent with the ball, bowling with a good pace when it's out the front of his hand. Has the ability to hit quick runs. An asset in the field. A great first season.
Isaac	Dreyer	Isaac charged in all season. Solid bowling action that proved unplayable on his day with good pace. As a batsman he just wants to find the boundary. A great first season son. I'm looking forward to seeing you enjoy this sport.
Zechariah	Hyam	Zac our Mr Dependable. Delivered when needed with the bat and ball. Good pace with the ball and showed a great level of commitment to improve his game. He has a strong arm and picked up a couple of run outs this season. Ready for U11's.
Dante	Picken	Dante brings a smooth bowling action with a strong reliability on accuracy, hitting the channels nicely. A solid batting technique, always eager for a quick single, giving everyone a heart attack at times. Showed great enthusiasm as a team player.
Muhammed	Rayan	Muhammed was a valuable team member, with a passion for the game. Always finding a way to get the job done. Not the most orthodox, but gets the runs and wickets when needed. Great contribution.
Lucien	Sault	Lucien was an excellent motivator in the field. He puts runs on the board with the bat, and bowls tight, making the batsman work for their runs. Has developed great skills in U10's and is now ready for the next step. Has a passion for wicket-keeping.
Jeffrey	Sutton	Jeff's batting technique is ahead of his age. Runs aplenty off his bat and always chatting out in the field. He has built a great foundation in his first year to launch into U11's. With good skills behind the stumps, he will be an asset to any side.

Under 10 Green / Red Semi Finalists

Coach: Luke Swain

Managers: Jason Farrah-Roberts & Greg James

Our 3rd place finish to the season was testament to the boys' eagerness to learn and compete in every training session and match. With 5 boys playing their first season and 4 playing an age group above their own, our parents couldn't be prouder. Their enthusiasm and eagerness to learn made them a pleasure to coach. A special thanks to Jason, Greg and Christine for all that you did for the team. Thanks also to the rest of our families for your support at training and the games.

PLAYER PROFILES

Noah	Farrar-Roberts	Noah showed great enthusiasm all season. He worked hard on his skills with the bat, ball and keeper's gloves and it really showed as the season went on. Great work Noah.
Ray	James	Ray's passion for cricket shone through in all that he did. A natural all-round cricketer who asks questions, gratefully accepts advice and learns extremely quickly. His leg spin bowling was phenomenal for an 8 year old, and will terrorise batsman for years to come I'm sure.
Owen	Swain	Owen enjoyed competing out in the middle with his mates. He started to find his mojo as the year went on, and his competitiveness showed as he played a big part in a couple of crucial moments for us during the season.
Kaelan	Tucker	Nobody could ever doubt Kaelan's love of cricket. Always looking for ways to improve, he gave his all in every match and was a fantastic teammate. His bowling improved out of sight and he showed some really good form with the bat.
Zac	Turner	A fierce competitor who loves the contest. Zac bowled really consistently all year and quite easily could have taken a lot more wickets. Zac found his groove with the bat and had an awesome finish to the season with some great innings.
Verdank	Yelamanchili	Our left arm quick gave the opposition a hard time with his consistent line and length. Verdank loved having a laugh with his team mates, and it made for some fun celebrations after wickets. Showed some good skill with the bat as well.
Aidan	Wilson	Aidan showed great leadership from our very first training session. His encouragement of his teammates and his willingness to help was invaluable. An aggressive batsman who loved to play big shots and run hard. A menacing bowler who gave nothing away. Great season Aidan

Under 10 Blue Grand Finalists

Coach: Phill Macey

This was the first season for all of the boys, and although it was heavily rain and COVID-19 affected, they all got along well, had fun and settled into the game. After eventually having the Grand Final washed out three times, we came in 2nd place on points to a very deserving team from Cobbitty Narellan. Every one of our boys showed improvements in their own individual way through the season, and I'm sure they will all grow into fine young cricketers. It was a privilege to be working with them and seeing them all improve. We had a great support team from Luke Doria and Ryan Carter (U16's), who helped out at each and every training session. There were also family members who jumped in the deep end to learn scoring and help out in other ways. Many thanks to everyone for the support and I hope to see you all again next season.

Rocky	Boland	Unfortunately, Rocky only played a couple of games with us before he retired early from his U10's career. Rocky was a valuable and friendly team player and it was a sad loss when he resigned from the team.
Edward	Knapp	Ed is a tenacious bowler who pulled off some cracking balls at training and in the games. With a bowling average under 9, here is a cricketer to keep an eye on. Great season Ed!
Thomas	Macey	Tom proved to be quick handed with some solid fielding and also had some strong shots with the bat. Watch the boundary lines as he further develops his batting, as that's where the ball will be heading! Keep up the good work Tom!
Affan	Qadeer	Affan was our quiet achiever. He had some solid performances with both the bat and the ball. Affan always worked hard at training which helped him to grow as a cricketer by the end of the season and earned him the Coaches Encouragement Award. Keep up the hard work Affan!
Luke	Strong	Luke showed a huge improvement in his bowling by the end of the season. He also had a respectable top score and assisted with a number of run outs. Keep up the hard work Luke!
Hayden	Torok	Hayden was a valuable all-rounder in our team, with both his batting and bowling figures among the best in the team. Hayden achieved the highest individual score, the highest aggregate score and the highest batting average for the team. Well done Hayden!
Adam	White	Adam was a valuable all-rounder in our team, with both his batting and bowling figures among the best in the team. Adam achieved the highest total number of wickets for the team and also the best bowling average. Well done Adam!
Joseph	Wilson	Joseph was our spin bowler in the making and also did very well wicket keeping. He was always ready with an encouraging word. The way a team conducts itself can be as important as their skill level, and Joseph demonstrated both of these things through the season. Keep up the great teamwork Joseph!

Under 11 Division 1 Undefeated Minor Premiers & Grand Finalists

Coaches: Lachlan & Tim Saunders

Manager: Julie Sutton

What a privilege to be part of this group. Not just because of the brilliant cricket played throughout this disjointed season, which saw us finish undefeated minor premiers, only to fall at the final hurdle. I'm also proud of these kids because of the way they carry themselves. As Lily said after the final, "Bad lose, but it doesn't matter". These kids understand that there are things more important than cricket, and winning. Oran Park might have won the final, but they didn't celebrate with a water slide. To have such great perspective at such a young age is incredibly impressive. Thank you to the families and everyone involved with this team for another very enjoyable, memorable season. Going so close is a reminder that we can't win everything in life, but it will also be great motivation for future seasons, as will the words of Oran Park's captain: "Nice try, better luck next time".

PLAYER PROFILES

Sriyansh	Aitipamula	Quiet, but loves his cricket and loved by his teammates. Nothing sums up Sri better than his approach to the slip and slide – hesitant at first, then all in once he realised how fun it was. A talented bowler who once again kept things tight, and picked up wickets consistently. Struggled at times with the bat, but impressed with his resolve and defence in his call-up to U13s, and will continue to improve with more training.
William	Barrett	Always in the game, and 100% committed, throwing himself into everything. Almost never still standing once he'd taken a catch. Having joined the brotherhood of leg spin, impressed with his flight, dip, and speedy run-up. Lived up to the team's ethos of valuing their wickets, not being dismissed once before finals. Earned the praise of other coaches for his stubborn refusal to back away against hostile bowling in the nets. An absolute pleasure to coach.
Milla	Bruce	Always at her best when she was having fun. Milla hit the stumps more consistently than anyone else, coming within inches of a hat-trick against Bradbury. The improvement in her batting was most impressive. Bowlers were always in danger in the nets, but game day often saw tentative pokes and prods. However, having discovered that the cut shot can be very productive, and piled on the runs at reps, she looked better and better. A huge omission for the final. Plenty to look forward to in years to come.
Oscar	Colliss	A diligent learner who continues to improve. Consistently tosses them up and turns them square, and will enjoy a longer pitch next year. His catching and throwing have come on leaps and bounds thanks to guidance from guest coaches. Loves hitting straight and using the pitch to his advantage, and played a couple of blunders, including 20 batting last against Cobbitty Narellan. Keep spinning it big Oscar!
Archie	Dobbs	A very fast learner, Archie is looking increasingly technically solid with the bat, which will make him a real force to be reckoned with in years to come. Made the absolute most of his immense height (he's already almost as tall as the coach!), bowling with scary pace and bounce, and delivering some virtually unhittable spells at the death. With a very safe pair of hands and an impeccable arm in the field, Archie has the makings of a seriously impressive cricketer.
Charlie	Farias	Still the funniest kid ever. Had a COVID-interrupted season, but still more than held his own, which bodes well for seasons to come. Consistent with the bat, and bowlers who stray down the legside should beware – or at least stack backward square. Could be relied on to keep his overs tight, with the second-best economy rate in the side, and more confidence with the gloves will see him continue to improve. Should leave the treadmill on the sidelines when he's fielding.
Flynn	Salter	Freakishly talented, and absolutely cricket mad. Beautiful to watch with the bat, with a cover drive that is unquestionably better than that of anyone else in the comp. Capable of bowling absolute heat, and would've doubled his wicket tally if he could just hit the stumps more! He did hit the stumps in the field though, bagging at least 4 direct hit runouts, and made keeping look easy, despite having never done it before. Showed great leadership on and off the field.
Lily	Salter	An impressive cricketer with a big heart. Lily holds the respect of all of her peers, and she captained brilliantly – and provided much-needed hugs to her teammates – in the final. Looking better and better with the bat, with her on-driving in the final even impressing some of Camden's first-graders. The safest pair of hands in the team, and very unlucky not to pick up more wickets. Works hard and thinks about the game, which will hold her in very good stead in the future.
Lawson	Sutton	Loves his cricket, and always gives his all. Loved the challenge of taking on opposition opening bowlers, and discovered the art of stealing singles and twos to build a score against the new ball. Bowled fast, often-threatening off-spin, and was frequently very economical. Solid as always with the gloves. An excellent listener and quick learner who spends more time in the nets than anyone else, and it's always a joy seeing things we've worked on at training being brought out in games.

Under 11 Division 2 - Blue Semi Finalists

Coach: Nathan Tucker

Manager: Chris Cordina

The girls put in some gritty performances, creating strong bonds & amazing friendships. They won multiple games with only 5 players on the field which made finishing 3rd on the competition ladder even more impressive. They got washed out of the semi-finals but were a really good chance of giving the premiership a good shake. The team's hunger for winning grew during the season, and they found a great balance of being able to push each other & have fun. They were a pleasure to be around, and also a great bunch of parents.

Hannah	Metcalfe	Hannah's Bowling went to a new level this year, which set the standard & she brought everyone with her. She showed great pace. (Mollie Dive Shield Representative).
Lacey	Metcalfe	Lacey's spin bowling was the perfect foil for any bowler she partnered. Her wicket keeping skills also proved valuable. (Mollie Dive Shield Representative).
Mikayla	Murray	Mikayla's first year of cricket & she developed quickly with limited game time. Solid defence & a pleasure to coach.
Nikkita	Tammen-Lee	Nikkita's bowling & batting improved out of sight this year.
Eliza	Tannous	Eliza's work ethic & commitment was amazing. Great fielder & improved batting throughout the year.
Alina	Tucker	Alina's commitment to the team & the high price she put on her wicket was invaluable. (Mollie Dive Shield Representative).

Ronan	Cosgrove	Although one of the quietest in the team, Ronan was one of the most valuable, letting his bowling and batting do the talking.
Max	James	Max was always a dependable member of the team, never missing a game or training session. Max made huge improvements during the season with both bowling and batting.
Katie	Lowe	Katie showed the skills of a cricketer who has been playing for several seasons, even though it was only her first. Great skills with the bat and one of the best bowling economy rates in the team.
Lachlan	Nicholas	Lachlan was one of the best all-rounders in the team. Showed some great technique in the field with several runouts, and finished the season strong with his best batting figures.
Elijah	Pirie	The most enthusiastic member of the team. Played a leadership role, lifting spirits in the field on every occasion. Great results in the field with his catching, wickets, runouts, and keeping.
Sophie	Stevens	Sophie is one of the happiest players on the team, always turning up with a smile on her face. Solid batter with some powerful strokes and showing a natural talent for wicket keeping.
Sammy	Turkington	Consistent performances throughout the season. Finished the season with great statistics including most runs scored, most wickets taken and a hat trick!

The team had a tough start to the season with little training and plenty of rainy days. They started to find their feet towards the middle of the season but it wasn't quite enough to make it into the finals. I'm very proud of how far they all came and had an awesome game to finish the season with everyone performing well.

Ryan	Charlton	Ryan is always loud out on the field, and loves to have a go at whatever is thrown at him. Ryan will grow into a good young cricketer.
Archie	Dobbs	Archie only played a couple of games for us this season, but showed us all his skills and will grow into one Camden's best young cricketers.
Madison	Eddie	Madison loves her cricket. Whether it's batting, bowling, or even wicket-keeping, she loves to do it all. She also played up in the U13 Div 1 team when they were short, performing well.
Cooper	Hoogenboom	Cooper had a good season with bat and ball. He loves to hit a big ball and we could always rely on him to take an early wicket.
Dylan	Madden	I could always rely on Dylan to get the team off to a good start with the bat, but unfortunately his season was cut short with a broken hand.
Liam	McGettigan	Liam was one of the few leaders we had this season. He is very loud out on the field and is a quality all-rounder.
Ryan	Parry	In what was Ryan's first season, he improved greatly, with an almost game-winning innings in our last game. Hope to see him playing in the coming seasons.
Luke	Prior	Luke had a good start to the season, soon finding his place at the top of the batting order, with improvements each game.
Farzan	Qadeer	Farzan had a tough season with bat and ball, but he always put in his best effort no matter what the circumstances were.
Maddison	Southern	Mads had a good first few games, until a broken arm put her out of action for half the season. Hoping to see her back next season.
Isaac	Tyshkovsky	Isaac was always switched on, and was always ready to go whenever I needed him. He looked the part batting, and made many improvements to his bowling throughout the season.
Neev	Upadhyay	In what was Neev's first season, he has made awesome improvements to his game and I hope he keeps it up next season.

Under 13 Division 1 - Blue Minor Premiers & Premiers

Coach: Aaron Consunji

With a great mix of representative, new to club and new to cricket kids, our main goal this season was to truly enjoy the game and make each other better cricketers and people along the way. I'm grateful to the team for wanting to learn and listen and to the parents that have supported their development. A premiership against a very good Magpies side was an excellent reward for the team's commitment to hard work, each other, the club and playing the 'Camden' way. I also note that we wouldn't have been in the position to compete and win the Premiership without the support of the Club. We had 18 players in total play for us this season and am thankful to all of those kids who made a significant contribution to the team's success. In the end, everyone did their part to win a PREMIERSHIP. It was an unbelievable year for us with many twists and turns. We navigated the season as best we could and when the team was pushed, it responded with a quiet confidence, a confidence that carried the team through 4 weeks without cricket to win a Grand Final.

Ryan	Burfitt	The best batsman in the 13's competition by a long margin, Ryan dominated bowling attacks like he was playing against U10's. A CDCA rep player for the last 3 seasons, new to the club and looking for a fresh start, Ryan's success this season was due largely to a new found confidence in his skills, his team and in the Club. Ryan's development in his decision making, shot selection and ability to read the game went to another level. Supported by his opening partner in crime, he formed one half of the most formidable opening pairs in the competition. Mr Consistent. Ryan on behalf of your teammates and myself, congratulations on an outstanding season. You're a Premiership winning Captain and poetically, you hit the winning runs.
Giles	Consunji	The best wicket keeper batsman in the club. A lovely left-handed opening bat and silky smooth behind the wicket, his quiet confidence and reputation intimidated both opposition batsman and coaches. Hard working, tough, resilient – Giles' performances have been underpinned by his work ethic and commitment to being better and making his team better. His performance in the Grand Final cleared any doubt that he is a class above any other wicket keeping batsman in the U13's competition.
Kieran	Cosgrove	The man, the myth, the legend. One of the most feared cricketers from last year's competition, Kieran made the move to Camden when his old team folded. A reserved lad, Kieran's cricket speaks louder than his voice commands. Blessed with quick hands and good eye, Kieran came to the fore when the team needed to be dug out of a hole. His batting against IRSL (in what we'll forever refer to as the 'wides' game) showcased his spirit and skill. Sure enough, in the Grand Final, cometh the hour, cometh the man – Kieran was named player of the game with an unbelievable spell of bowling and some brilliant fielding. Loved having you here and we hope that you enjoyed it as well.
Kynan	Eagles	A one-eyed Camden lad, Kynan optimises Camden Cricket. He plays hard and fair, he leads from the front, he loves playing with his mates and he makes sacrifices for the team. Kynan took on a lot of responsibility this season being an opening bowler and being our best bat in the middle order. When games got close, Kynan masterminded wickets or runs. I'm proud of what he achieved this year as a player and his growth as a young man. Keep going!
Madison	Eddie	Graceful & intimidating pace bowler. Never overawed in the moment and shows a maturity beyond her years. Maddie executes her cricket skill with precision and displayed this in the GF bowling to their best and hardest hitting bat. Maddie did what we planned – attack the stumps – and eventually, Maddie got the wicket we all wanted. An unwavering temperament and a desire to keep getting better, Madison can be anything she wants to be in this game.
Connor	Harrison	An import from Mordor (FLCA), Connor brought with him some toughness which he quietly displayed all season that sure enough rubbed off on the team. A no-nonsense cricketer with beautiful hands and excellent control of his medium darts, his development and commitment to get better is what set him apart. Quiet by nature and a fierce competitor, we loved having Connor in the team this season and the team loved having him.
MD	Huda	New to cricket and new to the club, MD's growth would be likened to Jack's Beanstalk being planted at the beginning of the season and reaching the heights of the moon by the Grand Final. From being front foot no-balled in his first games to bowling an unbelievable GF spell where he couldn't be hit, MD's natural talent and hard work paid him back in multiples. Well done on an excellent season.
Adam	McElhone	Playing up an age this season, Adam is a tough little cricketer who competes hard and always gives us 150%. Lovely on the eye, his batting and bowling will be rewarded as he gets older and stronger. His quiet competitiveness rubbed off on his teammates and was backed by everyone when he returned to the team late in the season. Blessed as a natural sportsman, we all hope that Cricket features somewhere in his future.
Joshua	Nicholas	One of the most feared bowlers in our competition, Josh is THAT bowler that every batsman doesn't want to face. Another of our 'playing up an age' brigade, Josh bowls with a maturity beyond his years. He is tenacious with his line and length, attacks the stumps, challenges batsman, has a fire about him and loves scowling at opposition. That passion extends to his fielding and batting. Josh is never satisfied and it's that hunger that sets him apart on the field. What an Assassin!

Our thanks to; Tom Blachura, Tex Thornton (U13 div 2), Madison Eddie (U12 div 2), Flynn Salter, Lily Slater, Milla Bruce, William Barrett, Sri Aitipamula (U11 div 1), Ronan Cosgrove, Lachlan Nicholas (U11 div 2) and their coaches for helping us out when we were short.

PLAYER PROFILES

Travis	Appel	Travis only moved to Australia a few weeks before the start of the season, and fitted in with his new team mates immediately, quickly becoming the team energy and enthusiasm leader. All aspects of his game improved every week throughout the season as his confidence grew, having his 2 best innings in his last 2 games and taking the best catch of the season.
Sophie	Constantine	Sophie's season was more interrupted than others due to injury, but she still took more than her share of wickets with limited overs bowled. An uncomfortable bowler for opposition batters to face with steep bounce, she took important wickets when needed. Always batting with solid defence, her confidence to score runs improved through the season with her best innings coming late in the season.
Joel	Fehrenbach	Joel had a season of great improvement. He finished as the top wicket taker, having a number of multiple wicket games, always with great pace. He started to gain confidence as the season progressed to play his shots with the bat and was always sharp in the field, either taking a catch or a run out chance.
Riley	Jacobs	Riley had a bright start to the season with the bat, top scoring in the first game. He took regular wickets, most of them bowled with his wicked in-swinging yorker, and also finished with the most catches with 6, double the next highest in the team.
Harry	Kirkman	Despite having an interrupted season, Harry was a consistent all-round contributor in every game. Taking catches in the field and as keeper, putting value on his wicket, only being dismissed twice, and a regular wicket taker with a very tight average.
Max	Langdon	Max had a fantastic season. He took 6 wickets at a team best average of 6.8, even when most of his time in the field was spent wicket keeping. He was the team's top run scorer with 175 runs at an average of 44. He showed huge improvement in the value he put on his wicket, waiting for the right balls to play the big shots, and finishing not out in more than half of his innings.
Isaac	Searle	Isaac had his typical great bowling season, good line and length at speed with a little outswing that opposition always struggle to score off. Isaac also showed he's a genuine top allrounder, being able to build an innings from the top of the order with great defence, and able to speed up the runs with some big hitting once he was set.
Lachlan	Selby	Lachlan continues to be the bowler to turn to when you need to stop the oppositions runs. His wicket tally never really reflects the quality of his bowling as opposition batters won't take on his consistent line and length. After a slow start with the bat, the runs started to flow easily for Lachlan late in the season as he started having more fun with the bat and his confidence grew.
Luke	Vella	Luke, as always, was the great team player, unselfishly willing to do whatever is required by his team. He wicket kept, bowled extremely tight with the team's best economy rate, and despite his reluctance became the teams batting rock, opening the batting and ensuring opening bowlers were seen off, giving the opportunity to his teammates behind him to play their shots.

The team may have gone the whole season without a win on the scoreboard, however the small wins and memorable moments we had as a team every week still made for a very enjoyable season. The boys always brought their best each week, and every game was played with great spirit, which is a real credit to them. They should all be extremely proud of the way they carried themselves and represented the Camden Cricket Club.

Ahsan	Asad	Good team player and positive attitude. Was our leading wicket taker and a good fielder, who was always happy to try his hand at something new.
Ali	Asad	Consistent Leg Spin bowler that could be nicknamed the smiling assassin. He quietly went about taking wickets at a low average.
Mitchell	Corby	Always had great energy for his team and could be relied upon to get the lads laughing when they needed to. His willingness to try new things, like opening the batting and bowl early in the innings showed his determination to succeed for himself, and also his team.
Hamish	Dobbs	A great team man, who was always finding new and interesting ways to strengthen the team bond. Often underrates himself, but has proven to be one of the best bowlers in the team.
Caleb	Gascoigne	A solid, consistent and well-liked member of the team. His all-round performances week in week out were an above average contribution to the team's overall statistics.
Josh	Heylin	Quite simply deserved more wickets for his efforts this season. Josh is the ultimate team man always giving 110% at training and on game day.
Khai	Hughes	A standout season-long performer taking out the batting award this season. Khai's consistency with the bat was the best all season, and included a number of very handy partnerships. His all-round performance is to be commended.
Zach	Maroney	The bowler with the most potential for greatness. Zach has a great game day mentality and is Captain material, always at the centre of tactical planning. Another above average contributor, who will decimate batting attacks once he controls the swing.
Jake	Murray	A top performer of our team and winning the tightly contested All Rounder award was great reward for his efforts during the season. The sound of "hit me" from behind the stumps may still be heard in his team mates' ears.
Tobias	Power	Toby should be really proud of the way he played and his improvements during the season. He was great to coach and have in the team.
Nathan	Salter	A top performer of our team. He was the equal 2 nd highest wicket taker, had the 2 nd highest batting average, so very unlucky to miss an award. Should be extremely proud of his efforts.
Jack	Writer	A lover of the game of cricket, you can trust him to provide interesting insights into what was or could happen in our game. Jack is a superb team player with a great positive attitude and always happy to do what was required for his team.

This fantastic group of individuals formed a strong bond and a great team early in the season that saw them fight for a win in every game. At the end of every match, it wasn't long before laughter and chat could be heard amongst the group, win, lose or draw. The spirit of cricket was paramount with these young players. The team was one win away from making the finals in what was a truly competitive competition. The Blues enjoyed great support from all parents once again - thank you to everyone involved!

Aimee	Bishop	Aimee always brought energy and determination to the team. Aimee showed good technique with the bat, saved many runs in the field and took 4 neat catches. Thanks for a great season Aimee.
Matthew	Buda	Matthew showed prowess and passion for cricket like no one I've seen. Matthew bowls rapids and has a strong batting technique. I look forward to seeing Matt's cricket flourish in future years.
Sophie	Buda	Sophie was gracious enough to play one game for the Blue's this year. Sophie has all the potential in the world as a cricketer. I hope Sophie can find more time for cricket in the future. Thank you Sophie - legend!
Lachlan	Cosgrove	Lachlan was welcomed to the team in round 9. Lachlan bowls left arm quick and bats right-handed without inhibition. Lachlan took no time slotting straight into an established team. Thanks for joining the Blues this season Lachlan.
Jaiden	Dilchert	Jaiden again proved his dominance with the bat scoring 244 runs for the year. Jaiden's ability to set fields and lead the team was outstanding, working out the opposition. Congrats on another great season Jaiden!
Oliver	Franklin	Oliver continued to get stronger this season bowling right arm fast and batting with purpose and belief. Oliver was always keen to contribute and would always give 100%. One of our true all-rounders. Well done Olly!
Lily	Hreszczuk	Lily again showed her skills with bat and ball. Lily saved plenty in the field and formed some strong partnerships with the bat. Lily always gave 100% at training and was integral bringing the team together. Well done Lil!
Emma	Inglis	Emma is another of our hardest workers in the team. Having a great season with the ball this season, tying down one end, Emma showed great leadership on the field. Runs will come to Emma as technically all is there. Thanks for another great season Em!
Luke	McElhone	Luke played half the season for us, where he batted in some great innings and took 1 wicket whilst bowling very tidy. I look forward to Luke playing more cricket in the future as he is a real talent. Thanks Luke.
Lucas	Metcalfe	Lucas enjoyed his second ever season with the Blues. Lucas took 3 screamers in the field and a couple of wickets, contributing in every game in the field. Lucas hits the ball hard and I look forward to his run tally growing next season. Well done Lucas!
Thomas	Robertson	Tom brought humour and hard marking with him this season. Tom bowled beautiful line and length much of the time and managed 72 runs for the season. Well done on your all-round abilities Tom!
Joshua	Ryan	Joshua opened the bowling every game this season with blistering pace bagging 6 wickets. Joshua was always keen to bat, showing as a left hander he can hit the ball around the park. Congrats on a great season Joshua.
William	Stokes	William showed his talent with the bat, forming some good partnerships and also with the ball this season taking 4 wickets and a great catch. Williams' speed in the field saved many runs. Well done and thank you William.
James	Tidy	James showed his talent behind the stumps with a stumping and 3 catches whilst scoring 134 runs this season. James loves his cricket and I'm sure will add many runs to his name again next season. Congrats James!

For many reasons we were only able to field 9 players for most games throughout the season. Regardless, we were still able to remain competitive in most games, which is a testament to the attitude and enthusiasm of the team. The team improved as the season progressed and it was disappointing our semi-final was washed out. I look forward to seeing all the players next season for the final year in Junior cricket.

Flynn	Bradshaw	Flynn had a breakout year with the bat. It was great to see his hard work from previous seasons rewarded. Would have scored more runs if the games were 50 overs.
Matthew	Brewster	Another consistent season from Matthew. Batsmen continue to have difficulty reading his bowling, often choosing to just survive. Always a great asset in the field whether by taking great catches or saving runs with his ground fielding.
Amber	English	An enthusiastic cricketer. Even though the stats don't show it, she was exceptional with ball, often opening the bowling against quality opposition. Scored the winning runs against Magpies.
Oliver	Kendall	Oliver was a great team member, always willing to bat or bowl when the team needed him. He hit some of the biggest sixes seen in this age group for a long while.
Joseph	Limbrey	Early injury meant he didn't start to play his best cricket until after Christmas. Has a very safe pair of hands and developed into a consistent inswing bowler.
Amelia	Moroney	Amelia loves playing cricket and her enthusiasm is an asset to any team. She values her wicket when batting and bowls every ball as though it's her last.
Dominic	Neville	Started training with the team. However, unfortunately due to injury, he wasn't able to play a game. Really appreciate you turning up each week to watch the team.
Jemima	Thornton	It was great to see Jemima decide to play her first season of cricket. I've rarely seen anyone work harder at their bowling than Jemima. One of the highlights of the year was seeing her get her first wicket.
Ryan	White	Every team needs a player like Ryan. Always calm no matter the situation, bowls a good line and length and hits the ball hard. Handy in the field with a rocket for an arm.
Flynn	Williams	The continual wet conditions made it almost impossible for him to bowl at his best. Led the team well in the field and was dangerous with the bat, always looking to score.
Jonah	Williams	30 over games limited Jonah's opportunities with the bat. He enjoyed bowling when given the chance and was safe as ever behind the stumps.

To be able to play, coach and watch any cricket this season was a privilege and one none of us will forget. Despite what was a bitter-sweet ending to the season, it has been an absolute pleasure to coach each of these fine young men this year. They are a credit to themselves, each other, and their friends and family. Their success this year is a great tribute to Camden Cricket Club. Ryan	Carter	Ryan was a rock for the team this year, finishing third highest run scorer and also receiving the fielding award. His great spirit combined well with his experience playing among some of the senior teams this year. His contributions as a mentor to the Under 10s are testament to the bright future ahead for this young man.
Joshua	Charlton	Josh's selfless attitude this year did not go unrecognised. He was always prepared to give every chance a red-hot crack. Josh not only made many breakthroughs with the ball throughout the season, but his hard work and hours of practice with the bat saw several impressive contributions towards the end of the season. A great team man and a pleasure to coach.
Hayden	Cross	Hayden's leadership this year was best demonstrated by his performances. He led the bowling attack all year, not always bowling long spells, but taking big wickets, bowling maidens and consistently applying pressure. He also played several crucial knocks with the bat, none better than his semi-final performance. He should be extremely proud of himself.
Luke	Doria	Limited in his availability this season due to representative commitments, Luke absolutely made up for his absence when he was bowling. His ability to bowl full, fast and swing the ball has been an exciting talent to watch unfold. His leadership and performances in the final games of the season, his debut for 1st Grade this season, and mentoring role for the Under 10s, are tribute to the valuable club member he is. Watch this space!
Samuel	Giltrow	Sam came into his own this year with bat and ball, playing many selfless innings and roles throughout the year. He finished third leading wicket-taker, and his leadership with bat and ball in the finals are evidence of the fantastic all-rounder he is becoming. His experience in senior cricket combined with his patience and maturity proved him to be one of the most valuable team members. A pleasure to coach!
Kody	Hughes	The maturity, leadership and attitude Kody brought to the team this year is testament to his hard work and the fine cricketer he is becoming. He led from the front with the bat, scoring 132 runs in the lead up to the finals, where he again applied his patience and skill to post several valuable contributions. One of the best keepers in the competition, Kody was a pleasure to coach, and I look forward to watching his career unfold.
Riley	Kingsell	Whilst Riley was only able to play two games this year for us, his performances were incredibly influential and valued. His knowledge and leadership were particularly helpful in the team's semi-final success. Whilst bigger cricketing things await Riley it was great to see him back with us, playing with a smile on his face and putting one on ours. Riley, it's been a pleasure!
Oscar	Mayer	Oscar found his shoes and his feet this year, taking on a significant leadership role. He was willing to bat anywhere and always wanted the ball in his hand to try and change the game. His enthusiasm, energy and fun ensured the team were always enjoying their cricket. A bright future ahead!
Luciano	Padavano	The influencer returned, and this year was crowned King of Tik-Tok. Luc brought great talent and a great attitude to the team, always striving to do his best and inspire the team. He was a privilege to have as part of the team and provided several entertaining performances throughout the season. With anything that comes his way, Luciano will be ready for it.
Elliot	Power	The jack of all trades, the sheep-wrangler turned musical star returned again. His tireless off-season training and work continued through-out the season. His hard work carried through to his performances. picking up several big wickets with the ball throughout the year. It was also great to see Elliot spend time in the middle with the bat this year, and he always walked off with a smile on his face. Elliot's fantastic attitude, selflessness and humility are testament to the fine young man he has developed into. It was a pleasure to have been able to coach him!
Patrick	Salecich	Perhaps it was Pat's hat-trick this season that summarises his performances. Or perhaps it was his laid-back style of batting, smashing sixes over cover and mid-wicket with ease. Regardless of what he was doing, Pat gave his all and always played with a smile on his face. He brought a great calming influence to the team, and was never afraid to share his ideas or favourite song. A privilege to have coached.
Timothy	Saunders	Tim's hard off-season training paid off, but importantly his leadership was without doubt one of the most impressive performances he gave this year. His selfless efforts as Assistant Coach to the Under 11s, representative honours, and debut for 1st Grade are testimony to the talent and attitude Tim brought to the club and team this year. I am very proud to call this young man my brother.
Oliver	Tyshkovsky	Oliver's talent, confidence and performances grew in leaps and bounds this year. Never afraid to speak up or ask a question, Oliver stuck to his processes and when the time came, performed impressively. He was always capable of making a big breakthrough and taking the big wickets and got to spend plenty of time in the middle with the bat. His selfless attitude and support for the team did not go unrecognised, and his belief was crucial to the team's success. A big thanks Oliver!
Patrick	Ward	Paddy stepped up this year with the bat, finishing second leading run scorer. His patience and maturity really developed this year, no doubt aided by his experience in senior cricket. He also bravely took on the role of wicket-keeping when necessary and was a great help throughout the year. His leadership and willingness to help others is credit to the true champion he is.
Darcy	Weston	Darcy. He returned to cricket bigger, stronger and funnier than ever. His pace with the ball was frightening, and when he found a non-cursed bat in his hands, he was invaluable with the willow in hand, smacking several large sixes. His nerveless innings in the semi-final was tribute to his fantastic never-give-up attitude that carried the team through several challenges throughout the year. A great young man!
Special	Mention	A big thank you to James Tidy and Oliver Franklin for their help filling in this year, to Peter Giltrow for his fine scoring efforts throughout the year, and to Pete Fehrenbach for his wicket-keeping gloves. They are all testament to the depth of talent and generosity in this club.

Myles	Aston	Myles showed some real promise this season both with bat and ball. Great to see him working hard on his batting given limited opportunities. Team comedian, always ready to challenge authority!
Matthew	Campbell	Matty was at his best early in the season and is always ready to step up in any role. An underrated batsman and a true clubman.
Ethan	Debono	Selfie champion, always good for a laugh! Clearly the best athlete with bat, ball and in the field. Great to see him back in Camden colours. Ethan is not a sharer in partnerships - see Matthew Saunders...
Luke	Eagles	The big unit didn't get many opportunities this season but showed great form with the ball and hit a few into the base of Razorback Mountain from Camden Park a few times!
Wayne	Eagles	Chippy bowled one of his special spells this season at Camden Park destroying Macquarie Fields with 6-9! As teammates we are lucky to witness such performances.
Russell	Gascoigne	Gas fitted in amazingly to the group. A legend of a human who showed an amazing array of shots and timing both with the bat and in the change room. Embraced the antics well and tried giving us something to chase anytime he got a bowl.
Daniel	Gordon	Gordo is the most reliable player in our group, able to open the batting and bowling as he did several times this season and took the catch of the season! Definitely one of everyone's favourite teammates. King of the one-line sledge!
Lachlan	Kyling	Opened the batting again and showed great signs of working through form issues, can be aggressive but usually late or too seedy to get results!
Luke	Morgan	Can bat and sometimes bowl, rates his own catching but needs sledging practice from Gordo! Scored plenty of runs and is a fierce competitor. Loves a trophy.
Cameron	Nupier	What a great addition to the group. An old foe turned good! Bowled well, required at least two weeks to recover so this season suited him! Still can't get him out.
Matthew	Saunders	Started the season opening the batting and has found a home there. Happy to watch Ethan score all the runs whilst he stands at the other end! The ultimate clubman, teammate and all-around champion.
Dylan	Scott	Dysh came to the team relaxed but determined to enjoy his cricket. Scored the only century in our team's season. Dylan showed a fierce competitive streak this season with results that backed it up.
Michael	Wiggins	Wiggo was keen to see the young blokes get a real go this season and fill in the batting line-up where needed. Usually finds form in finals which hasn't been needed for three seasons!

2nd Grade

Captain: Liam Richardson

Not the best year for the 2nd Graders. Lots of washed-out games and different teams each week, with 21 players used throughout the season. When we could get a consistent team together, we played really well and were competitive.

In the 3 games before Christmas, we had used 26 players and our results showed. After Christmas when our team was more settled our performances improved greatly. Dismissing teams for 57, 81, 45 and 44 showed we were more than competitive and unlucky to miss the semi-finals. Once again, I was honoured to be Captain of a great group of men and look forward to next season.

Kevin	Barrett	Returned to the game after getting the taste back watching his son play juniors. Played 3 games for us and I wish he could have played more. An asset to any team and I hope we can get him on the field more next season.
Paul	Brewster	Once again, an honour to Captain a great bunch of men. Thanks to everyone for their support and always giving 100% when you took the field.
Reg	Corney	Another great season from Reg. Back to his best with the ball after Christmas. Showed his ability behind the stumps when we were in need of a keeper.
Jacob	Cubitt	Always happy to play 3rd grade when the Club needed him. A very good bowler who was willing to take the ball whenever the team needed. A classy batsman who batted without luck.
Roger	Cubitt	Played 3 games for us. A touch of class with the bat and a great cricket brain. Hopefully we can get more games out of him next season.
Peter	Fehrenbach	Another great clubman who was more than happy to fill in when he could. Took the gloves when asked and showed he has a safe pair of hands. Always values his wicket when batting.
Lyndon	Gebhardt	A great addition to the Club. Opened the batting and ensured the team always got off to a solid start. Will benefit next year when we go back to 70 overs.
Matthew	Hawker	Another consistent year from Matt. A great team member who is always willing to do what the team needs. Bowled some of the best spells of the season and deserved to have more wickets.
Ian	Maher	Another consistent season from Ian. When bowling he can make the ball dance, with the opposition often having no idea how to score. Would benefit from having skinnier pads when batting.
Connor	McFarlane	Found form with the ball in the second half of the season. Troubled the top order of every team. His 6 for against the eventual Premiers was first class.
Thomas	Pinnington	Elegant batsman who always looks a class above. Has the potential to score a tonne of runs if he gets his head right. I hope he comes back next season.
Denzel	Prasad	You'd happily take the field with eleven Denzel's. Bowl's every ball as though it was his last and always looks to hit the ball hard when batting.
Yuvraj	Singh	Another great addition to the Club. Batsmen always found it difficult to score off his bowling and he was always willing to bowl long spells. Enjoyed batting at the top of the order but could always find a unique way to get dismissed.
Patrick	Ward	Playing his last year of juniors, Pat loves his cricket and was always willing to fill in when needed. Enthusiastic in the field and was happy to bat wherever the team needed.

6th Grade

Captain: Tim Constantine

A very tough season for us this year being a bit out of our league on the field. An ever-changing roster made it difficult to find our rhythm, however this meant we were able to bring lots of junior players through our side to get them a taste of playing senior cricket. Still a very enjoyable season.

Matthew	Buda	Matt started as a junior fill-in for us but won our hearts and became a permeant and reliable member the squad. Barely old enough to take the field, he took his first senior wicket in his very first over and never looked back.
Tim	Constantine	Another extremely enjoyable season. It was a pleasure to play with you all. Thanks to all the junior, and not so junior, fill-in players throughout the season. Can't wait to get back out there next year.
Jacob	Cubitt	When Jacob wasn't putting his hand up to help out 3 rd grade, he was a true asset to our side with both bat and ball. Always willing to do what is needed, be it open the batting, open the bowling, or keep wickets.
Roger	Cubitt	Roger was also willing to help 3 rd grade whenever required, but when he managed to get a run with us, he was classy as ever with the blade. In a very lean year on the run sheet for our team, he managed to get our highest score of the season despite only batting 4 times.
Samuel	Giltrow	Sam was another junior fill-in that we ended up relying on most weeks, contribution nicely in all aspects. I am certainly looking forward to seeing him continue his senior career in years to come. Thanks Sam.
Ben	Gunn	In recent years Benny has been a very willing fill-in player and without him our challenging season would have been a disaster! Second highest wicket taker and best batting average of the whole team. Hopefully we can convince him to play a full season next year to see what he can really do.
Lewis	Hudson	Lewis is always willing to take on any role within the team. He ended up keeping wicket for the majority of the year, impressively only allowing 2 byes through for the entire season. Never backs down from a challenge, often going out to face the new ball without hesitation. A true team player.
James	McFarlane	Nothing gets past Jimmy, except the odd cricket ball past the hands and into the middle lower abdomen. Don't even try to use a practice ball in a match, he can spot that from 22 yards away! Always puts his body on the line and plays his heart out.
Greg	Pinnington	The elder statesman and club legend, showing the team how to do it with the bat this year, easily churning out the most runs. Willingly took a back seat with the ball to allow the up-and-coming juniors to get a few more overs in.
Jack	Robertson	Jack needed convincing to play this year, but I am glad he decided to, as he was a great help getting teams on the park each week. You wouldn't know he had a few years off, as he bowled with good economy and picked up a couple of wickets in his few games. Hope to see him back for a full season next year.
Thomas	Robertson	Yet another junior fill-in who became a permanent member of the 6 th grade side. Taking 5/8 in his first match of the season – only his second ever senior game. Great economy and excellent strike rate, you would think he had been playing senior cricket for years.
Wayne	Robertson	Outstanding bowling season for Robbo this year. Leading wicket taker by some margin, and handy runs with the bat. Always competing, even when the odds are against us. Hopefully we can get the 3 Robbo's back again next year.
Peter	Shortland	Pete was pretty luck-less this year, but never let it spoil his enjoyment of the game, passing solid advice onto the youngsters and always willing to do what needed to be done.

Lee	Barnsley	Old Neville no-knees, struggled to turn up to a game, made no difference anyway.
Rick	Bell	90% of runs came against Oran Park with scores of 66 and 68, to get the most runs this year. Never to open the bowling again.
Dave	Brennan	Great keeping from the old boy, diving full length leg-side leaving craters for the fielders to avoid.
Kevin	Duke	Batted and bowled nicely this year. Once a double knee surgery has been done, look out opposition.
Barry	Ingram	Bowling as good as ever with 17 wickets for the season. More wickets than runs and his age beats them both.
Charles	Ingram	Welcome back Charles, batted very consistently up the top of the order and handy throwing the arm over too.
Jack	Losurdo	Good effort all round Jack, show a bit more patience with the bat and more runs will come your way.
Rob	Losurdo	One 50 this year and some good consistent and straight bowling. As for the fielding, one broken Italian nose attempting an easy catch.
Jason	Page	The old boy came back this year, showed he can still hold the bat well, with the exception to bouncers (5 stitches to the mouth).
Sukhwinder	Singh	Fantastic bowling from Singh with 15 wickets from only 33 overs. Never stopped and got his first five for since joining the team.
Derek	Warwick	Good steady opening the batting from Derek and zipping around the field.
Sam	Warwick	Sam bowled really well showing good genuine pace. On his day batted well too.

Would also like to thank all our young fill-ins this year (Joshua Buda, Samuel Buda, Ryan Carter, Samuel Giltrow and James Tidy), along with Alex Faulds, Chandler Hannaford, Bob Merlino (still very handy at keeping) and Jordan Page (Jordan came to all our games, fielded and batted well – special thanks to all the opposition teams who allowed Jordan to take part).

8th Grade

It was fantastic having such a young team of players who had gone through Juniors playing together. We had the best bowling unit in the competition and this was confirmed by all of the opposition captains, unfortunately we didn't fire with the bat all season and were defending low totals each week. I was proud of every player who tried their best every single game.

Jack	Constantine	Was a great wicket keeper this year, very energetic and safe as a bank. Didn't get the opportunities with the bat due to conflicts with work commitments but each time he went out he looked likely to score valuable runs.
Joel	Cubitt	A shortened season for Joel. He had no luck with the bat with every half chance taken by the opposition. The best fielder by a mile and our chief cheerleader.
Jacob	Evans	Took 2 catches as our back up keeper. Took some time finding his feet after being out of the game for the last 2 years. As the season went on, he looked more comfortable with the bat.
Steve	Evans	Another lamentable season with the bat. Got plenty of starts but couldn't build an innings of any note.
Ben	Harris	Our all-rounder. Bowled really well especially when moved into an opening bowler role without a lot of luck. Plenty of catches dropped off his bowling this year. With the bat he was reliable as ever as an opening bat.
Sam	Lawrence	First full season as a senior cricketer. He was very solid with the bat with all teams struggling to get him out. With more experience he will be able to convert this defence into run scoring.
Lachlan	Rawnsley	Unfortunately, only got to play 1 game due to work commitments.
James	Reid	A great 2nd half of the season with the bat. Relished the move to the top of the order and the opportunities that presented to score runs. Scored his maiden half century.
Tom	Reid	A disrupted season for Tom having to fill in continually in the higher grades. Not the season he would have wanted but he will be back scoring runs again next year.
Cameron	Salter	Took to senior cricket like a duck to water. Scored over 100 runs for the year and took a few wickets at times that they were needed.
Darren	Taylor	It was great having Darren around the team. He would do anything asked of him and he was a great steady influence on the younger players.
Wyatt	Taylor	Really warmed into becoming a menacing and dangerous fast bowler this year. Relished the chance to be one of the leaders of our attack.
Owen	White	As always, his left arm fast bowling was a real asset to our team. The highlight had to be batting with his brother and winning a very tight game for the team.
Ryan	White	Started the year as a fill-in player and ended up becoming a permanent fixture. It was great watching him develop during his first senior season which hopefully will be the beginning of many more.

Thank you to Sam Giltrow and Oliver Kendall who filled in throughout the season. Sam was our good luck charm with wins in both games he played!

10th Grade Semi Finalists

Captain: Simon Huntly

After another season interrupted by natural phenomena, the end result was 9 of 14 scheduled games played with 3 wins, 5 losses and a mid-game rain interruption ending in a draw. Highlights included some big hitting by Scott Metcalfe and Justin Hardy and 5 wicket hauls to Lucas Metcalfe and Oliver Humphreys. Also, the introduction of 7 juniors to senior cricket was a great opportunity for the club.

Matthew Ryan	Buda Carter	Promising junior who filled in for 1 match and finished with bowling figures of 3/3. Another of our promising junior players who compiled a stylish 14 runs in his one and only appearance.
Nimesh	De Silva	One of 5 players who played together in 9th grade the previous season. As was the case in 2020/21, Nimesh's speed and reflexes in the field, his penchant for a quick single and his crafty spin bowling were a weekly highlight.
Matthew	Edouard-Betsy	A late addition to the team who showed glimpses of past glories. Is hopeful of being a regular next season.
Steve	Faulds	Club stalwart whose commitment to drive each week from Mount Kembla, willingness to bat anywhere in the order and field in all positions was greatly appreciated. The late cut was very much "Trumperesque" in its execution.
Joel	Fehrenbach	Another of our youngsters who helped for one game. Was unlucky not to claim a wicket in senior cricket. The dinner that night in the Fehrenbach household discussing the drop by his dad would have been interesting.
Oliver	Franklin	A member of our Under 15's who played one match in 10th Grade. Unlucky not to claim a wicket in his 5 overs but compiled a solid 8 runs when given the chance to have a bat.
Hish	Hamdan	The only import in the team, having made his way via Qantas from the UK. Highest score of 24 and a best bowling of 2/15 with his well-flighted leggies.
Bruce	Hannaford	Right hand batsman who floated around the top order and had a high score of 28 no. Very much Steve Smith like in his willingness to keep the game moving with fielding and bowling recommendations.
Chandler	Hannaford	Filled in for one match after a few years out of the game. Scored a quickfire 38 and took a couple of catches. Hopefully it may signal a more regular return in season 22/23.
Justin	Hardy	A local junior who has returned to play after a few years out of the game. Great effort behind the stumps throughout the year, complemented with some outstanding hitting with a top score of 86no.
Joshua	Heylin	A member of the Under 14's who filled in for one match. Took his first senior wicket with his sharp right arm bowling.
David	Howard	Another of the club stalwarts who contributed greatly to team morale with his genuine passion for the game, his consistency in the slips and willingness to provide insights into current and historical trends in the game.
Sarah	Howard	A welcome return after a season off and managed the demands of parenthood and cricket on a weekly basis. Equal third leading wicket taker with 6 @ 10.33.
Gibson	Humphreys	Backing up from 9th Grade last year, a natural disaster and a pandemic were not enough to restrict his appearances as a dislocated thumb in round 10 added to the disruption. Took 4 wickets at 9.5 with a best of 3/1 in four games.
Oliver	Humphreys	A solid all-round performer highlighted by taking 5/12 against Cobbitty Narellan and a high of 37no against Ingleburn. Another member of 9th grade from the previous season.
Skipp	Humphreys	Another of the 9th Grade brigade from the previous season. Desperately unlucky with the bat throughout the season but still able to tie up an end from time to time with his crafty darts.
Simon	Huntly	Struggled to put bat to ball early in the season but managed to get somewhat lucky towards the end. Took 11 wickets over the course of the season, courtesy of a 3-step run up and desire to target the ball at the stumps.
Hayden	Kaye	Right arm medium bowler who spearheaded the attack early in the season until soccer refereeing took precedence. Finished with 6 wickets in 6 games at a touch over 17.
Lucas	Metcalfe	A member of the 15's, he opened up the season taking 5 for 11 against Ingleburn when he opened the bowling with his father. Played 5 games throughout the season finishing with 6 wickets at 11.8.
Scott	Metcalfe	After being shown up by his son in round one, he took it upon himself to square up with the bat over the remainder of the season finishing with 231 runs at 38.5 with a high score of 70. Nearly hit more sixes (16) than fours (22). Nothing like the echo of leather on willow at Belgenny.
William	Stokes	Another of our Under 15's who filled in for a match. Handy medium pace bowler who was unlucky not to get a wicket and scored a handy 6 runs in his only stay at the crease.

Woolworths Junior Blasters

Camden Cricket Club ran another successful Woolworths Junior Blast Program this year, with 13 participants turning out on Saturday Mornings. A big thank you to Peter Fehrenbach & Tim Constantine for facilitating the program, along with our helpers Joel, Jack & Sophie, and also to all of the parents who helped co-ordinate activities throughout the season. Your assistance is very much appreciated, and programs like these simply cannot be successful without volunteers like yourselves. We hope all the kids had a ball, and will be back again next year, either in Junior Blast, or moving up to Master Blast.

Woolworths Master Blasters

Camden Cricket Club ran another successful Woolworths Master Blast Program this year, with 9 participants turning out for the 6th season of Blast in the district. Thank you again to Sarah Howard for facilitating the program, and also to all of the parents who helped co-ordinate activities throughout the season. Your assistance is very much appreciated, and programs like these simply cannot be successful without volunteers like yourselves. We hope all the kids had a ball, and will be back again next year, either in Master Blast again, or moving up to Junior Modified Cricket.
