## The Presidents Report

Dear Camden Cricket Club members,

Congratulations on another successful season both on and off the paddock, considering the delayed commencement to the season and impacts on us all due to Covid. We as a Club have been held in good stead for years with fantastic values and ethics that continue to build a wonderful Club culture, one that the Committee works tirelessly behind the scenes to enable our club to continue to grow and enjoy this great game.

Cricket Australia implemented all 3 stages of its revised junior cricket format - cricket for all, and it was great to see everyone enjoy the new formats.

To all our Coaches, Managers, Scorers and Volunteers for our 15 Junior teams, I'd like to pass on a very big thank you for not only taking an active role to help the Club, but offering skills, mentoring and valuable time to arrange team practise and co-ordinating players and umpiring on game day. It is a very large commitment but I am sure you all find it very rewarding to see the extent to which players improve from the start of the season to the end playing this fantastic game called cricket.

A successful Club should not be measured just by premierships. As a Club we try to balance the talent evenly across all teams. Well done to each team, coach, manager for their fine efforts throughout the season. It was fantastic to see so many families attend the CVI on the Sunday after junior grand finals were cancelled due to torrential rain and flooding - this once again shows how great this club is.

Thank you to all the Club Sponsors for once again showing support to the Club for this season, without your valuable contributions we would not be able to continually improve and develop the skills of our players and put back into grass roots cricket.

A special thank you to Sarah Howard and Toby Schofield for Co-ordinating the Woolworths Master Blast and Junior Blast Cricket Programs in partnership with Cricket NSW. Your efforts are invaluable for the Club.

In seniors we once again fielded 7 Teams for the season, 1st Grade, 2nd Grade, 3rd Grade, 5th Grade, 7th Grade, 9th Grade and a team in the One Day Competition. We hope you all had a very enjoyable season.

Thank you to all the Senior Captains for your involvement and taking the leadership of your teams and to all the players including a lot of Juniors and parents who contributed and filled the teams when playing numbers were short.

Thank you to the committee for your efforts arranging the Australia Day Rams v Lambs Club Function at Kirkham on Tuesday 26<sup>th</sup> January 2021, where a great day was had by all that attended.

Camden Council are continuing to progress with stage 1 of the Ferguson Land playing fields development with completion expected to be late this year. We as a committee are thoroughly looking forward to seeing it finalized and the 1st ball being bowled.

Finally, I would like to personally acknowledge and thank our current Committee for all their efforts, hard work and support throughout the 2020/21 cricket season, all of whom have been very busy, working tirelessly behind the scenes. Without their knowledge, commitment, energy and efforts, the Club wouldn't be where it is today.

## Under 10 Red Premiers

Coaches: Lachlan &amp; Tim Saunders

Manager: Julie Sutton

With only 4 teams in the competition, I told the team at the start of the season that we only needed to win 2 games – everything else we did on the field was about learning. And while we won more than 2 matches, the team nonetheless embraced that idea of learning, and improved out of sight across the season. Even more impressive was the outstanding teamwork and willingness to get behind each other that characterised the remarkable team culture built around this incredible group of players and families. Anyone who attended our grand final can attest to the strong sense of community and incredible level of support on display. Thank you to all the parents for making my job so easy and making this such an enjoyable, memorable season. A special mention to Nathan and Simone for their consistent scoring contributions, Tim for his assistance, and Julie for her tireless efforts as manager.

## PLAYER PROFILES

Sriyansh	Aitipamula	Mr Consistent. Sri is a man of few words but could always be relied upon to stand up when it counted. He regularly kept things tight with ball in hand, rarely straying from the stumps, and his economy rate of 2.7 was the only one in the team below 3. He became something of a specialist at batting at the end of an innings, forming crucial partnerships and producing intelligent, mature innings, albeit maintaining absolute silence while running. A runout expert, especially at backstop, producing 6 runouts – including 4 direct hits! A pleasure to work with.
William	Barrett	Broke the mould to win a grand final in only his first campaign! Will snuck to the top of the wicket-taking chart in the final game of the season, just reward for his consistency. It was usually too easy to forget that this was Will's debut season, so well did he match up to his more experienced teammates and opponents. Handy off his own bowling, and never one to shy away from a dive, either in the field or when running easy singles. Showed promise with the bat, especially at the top of the order. No doubt will be back looking to keep filling the trophy cabinet.
Milla	Bruce	Pure talent, blessed with a beautiful bowling action, rocket arm and excellent hand-eye coordination. Milla's outswing will no doubt produce plenty of slips catches with better opposition and more fielders, but her knack for hitting the stumps nonetheless shone this season. Her batting and fielding showed plenty of promise, and she showed just how much cricket is a mental game – she will only continue to improve as her confidence grows. A constant source of positive energy on and off the field, with a big future ahead, even if she doesn't recognise how good she is yet!
Oscar	Colliss	Oscar returned this year with his trademark flight and spin, and was unlucky not to pick up more wickets early in the season. Technical changes will see him enhance his consistency even further. He developed remarkably in the field, and his batting continues to grow, with quality shots all around the ground, while his defensive game improved so that by the end of the season he could be relied on to hold up an end. Already close to the best spinner in his age group, and likely to be a force to be reckoned with in years to come.
Archie	Dobbs	Archie earned himself a formidable reputation this season, arriving at the crease in the grand final with every fielder on the fence. His power-hitting was coupled with sensible partnership batting, netting him more runs than anyone else in the competition. He bowled with pace, accuracy and bounce, always difficult to get away and unlucky not to end up with more wickets. Also more than handy with the gloves when required. Huge rewards await in future seasons if he puts his mind to it!
Charlie	Farias	Perhaps the funniest kid ever to walk on a cricket field. A comedian-in-the-making, Charlie enjoyed having a quiet word with opposition batsmen, sledged his coaches at every opportunity, and produced countless gems throughout the season, including the introduction of "send it" as a call while running (it doesn't even mean yes!). His cricket also produced numerous gems, including some outstanding wicketkeeping, an unexpected 3/10, and the first of many boundaries. Having "found his hands" midway through the season, Charlie produced a strong run of form with the bat. With the foundations of a genuine cricketer, he will no doubt continue to develop his game while keeping all entertained.
Flynn	Salter	In a season curtailed by injury, Flynn made an immediate impact with bat and ball and to the team's mentality upon his return. Classy with the bat, capped off by an off drive for 6 in the final, and scarily good with the ball, his pace and ability to swing it both ways earning him the praise of umpires and opposition coaches. A cricket nuffy and an excellent listener, constantly looking to improve and always eager to learn more. An outstanding season that could have been ridiculous with more luck, but plenty of big things to come for this rising star!
Lily	Salter	Cheeky but mature beyond her years, Lily was an ever-reliable force with bat, ball and in the field this year. A gun in the field with the safest hands in the team, and a reliable bowler who revelled in bowling at the death. She became an expert at finishing an innings with clever batting, enjoying taking on the fielder's arm, especially when there was a chance to run her brother out. Took the reins in the final with aplomb, embracing the responsibility and wearing her heart on her sleeve. Sets high expectations for herself and her teammates, and she will only continue to grow as a leader.
Lawson	Sutton	Never afraid to show off his extensive vocabulary, Lawson is a diligent student of the game, always up for discussing skills and strategy, and he led the team well in the semi-final without a coach on the field! Lawson took on every bit of advice he could, and midway through what was a strong all-round season, it was easy to feel that he was a proper cricketer in the making. After putting his hand up to keep for the first time, he became a reliable presence behind the stumps, with 5 dismissals, and his batting improved out of sight as the year progressed. Having declared cricket his favourite sport, he's sure to be one to watch!

## Under 10 Green Semi Finalists

Coaches: Greg James & Brendan Pirie

The U10 Greens had a great first year playing cricket, finishing third and being very competitive throughout the season. The semi-final was a tight game and the difference was we lost a few more wickets than the other team. I am very proud of how the boys have played and they all have a great passion for the game which shows through every week. They will be even better next year! A big thank you to Brendan for umpiring many games and the other parents who helped with scoring, training and warming up the players, it was a good team effort.

## Under 10 White

Coaches: Scott Metcalfe & Nathan Tucker

A fantastic first season for Camden's All Girl's U10 White Team. Each game was played in the spirit of the game, with each player always looking to improve on their previous week's effort. Every player gained strengths in both batting and bowling, and were not only competitive in each match, but on the brink of winning most games. Improved communication when running between the wickets will see big scores and less wickets in 2021/22. Overall, a brilliant first season, with all keen to return for another shot at the title in the coming season!

A fantastic year for a young and inexperienced team. Firmly placed in the top 4 throughout the season and knocked out of the Semi Final by the form team of the competition. Jackson	Lane	Jackson showed some great all-round improvement in his game, and most noticeably has a batting technique that will set him up very well for future success.
Lucien	Sault	Lucien was fantastic for the team across the board, but particularly as our regular wicket keeper...always keeping the opposition on their toes with his glove work and match awareness.
Oliver	Sporl	Oliver showed real momentum in his play throughout the season. Particularly with his bowling as he found his rhythm, proving a real handful for opposition batsmen.
Aidan	Wilson	Aidan excelled in all aspects of his game this season from the outset. An all-round performance that meant he was a true triple threat for opposition teams.
Vedank	Yelamanchili	Vedank showed great development in his game this season and clearly put in a lot of work in his spare time. His left arm in-swing bowling was a highlight and will prove a tough task for opposition batsmen in the future.

## Under 11 Division 2 Undefeated Premiers

Coaches: Geoff Charlton & Adam Skvorc

Going a full season as undefeated premiers hasn't been without its challenges, with teams testing us at various stages, a few close wins could have easily ended up as losses but we bounced back well on a number of occasions, finishing up as pretty convincing competition winners. Special mention to all the parents who have helped out throughout the season and a very good group of young cricketers has made this season an enjoyable one for us as coaches.

## Under 12 Division 1 Premiers

Coach: Peter Fehrenbach

The team had a great season. The boys dominated the competition finishing on top of the table with most runs scored, most wickets taken, least wickets lost and least runs scored against. All players contributing in all aspects of the game, bowling equal overs and all batting at all parts of the order. Despite a washed-out GF, the team were deserved premiers. Thank you to the supportive group of parents, the best cheer squad in the competition. Also thank you to the parents that helped through the season at training, scoring and game day ground set up.

He also improved his control in bowling his leg spinners. Ryan finished as the team's top run scorer and top allrounder. Great work Ryan.
Giles	Consunji	A great team contributor and an understanding of the game saw Giles with the honour of Grand Final captain. A very busy batsman able to constantly turn the strike over with good running between wickets and an ability to score all around the ground. His wicketkeeping was exceptional, keeping up to the stumps for all bowlers putting pressure on batsman constantly.
Kynan	Eagles	Kynan contributed in all aspects of the game. A regular wicket taker and a batsman who can score all around the ground. He improved his defence and his shot selection as the season went on, becoming very hard to dismiss. The team's energy leader in the field and equal top catcher, contributed the fielding highlight of the season with an unbelievable diving outfield catch.
Joel	Fehrenbach	Joel improved his all-round game this season. He has become a top tier bowler, finishing second in the team's wicket taking list and in the top 5 bowling averages in the district. Improved batting also, particularly his off-side scoring saw him take part in the teams highest batting partnership for the season.
Riley	Jacobs	As an allrounder, Riley didn't score the runs he expected of himself this season. He certainly made up for it in all other parts of the game. He finished as the team's top wicket taker and second best bowling average in the district. He also finished as the team's equal top catcher. Another great season Riley.
Max	Langdon	Max finished the season as the team's second top run scorer. His big hitting, always likely to hit a 6 made him the team's entertainer. It was exceptionally pleasing to see Max's shot selection and the value he put on his wicket improve throughout the season.
Isaac	Searle	Isaac had another great bowling season. Always on a perfect line and length, the opposition never attacking him. In the district, he finished in the top 3 bowling averages and the second best economy rate. He also finished equal top catcher in the team and took part in the teams highest batting partnership. A great all-round contribution from Isaac.
Lachlan	Selby	Lachlan was a great team contributor. He contributes with the bat every week. As a bowler, while he didn't get the wickets he would have wanted, he plays the most important role to his coach. He's near impossible to score off and builds pressure on batsmen. This saw him achieve the best bowling economy rate in the district.
Luke	Vella	Luke is consistent contributor with both bat and ball and finished as the team's 3 <sup>rd</sup> top run scorer. The enthusiasm and passion he has for the game, along with the excitement and appreciation he shows for his team mates achievements or even their good decisions makes him the ultimate team player and a dream to coach.
Zane	Weston	Zane continued his big hitting form following on from previous seasons. He also made significant improvements in his bowling, slowing down and shortening his run up to get much better control to go with his extreme pace. His strong arm also paid dividends in the field executing the most run outs in the team from the field.

## Under 12 Division 2 Grand Finalists

Coaches: Thomas &amp; James Reid

Manager: Les Reid

After a strong season last year all the boys improved out of sight. We had 4 new players and they quickly became a part of the team and contributed in runs, wickets, fielding and overall sportsmanship. Unfortunately, the weather stopped us from proving the rest of the competition that we were the best in the comp. Can't wait for all boys to come back next year and make it one step further.

## PLAYER PROFILES

Thomas	Blachura	Thomas was one of our most economic bowlers. Despite his size, he could still dot up the batsmen and move the ball around in the air. Always the first person to put his hand up if we ever needed an opener or someone to keep against our big quicks.
Lachlan	Frost	Hard to believe Lachlan is only 11 years old due to his maturity and his good sense for the game. Very hard done by when it comes to taking wickets due to his relentless line and length, that is just too good for the opposition to find the edge.
Charlie	Geale	Every week at training and the game Charlie would turn up half asleep with his breakfast in hand! When it came to playing cricket Charlie would never miss a beat, taking wickets and screaming catches in the field.
Thomas	Geale	Our tall right arm fast bowler who would scare every batsman from the top of his mark and soon after sending them back to the sheds. Tom would put in every week at training and would even help all the other boys with their batting and bowling.
Ayaat	Hasan	Ayaat shows glimpses of a great cricketer every week at training and on gameday, whether it be smashing the top of off with his unique action or hitting the ball around the field. If Ayaat sticks to cricket he will become a well-known cricketer.
Thomas	Hyam	Big Tom would always be encouraging for the rest of the team after every ball. Every week he would be the first to training, always keen to improve his strange but effective bowling action. Can't wait to coach Tom again and watch him become a great cricketer.
Harry	Kirkman	A late inclusion in our team but from ball one he started to amaze James and I with his batting, and his ability to swing the ball with ease. Improved every game despite being a year younger than all the other boys. Really hope I see him next year for Under 13's.
Riley	Peterson	Riley is the most passionate 11 year old cricketer in the district. Always encouraging the boys and contributing with his handy medium pace. Riley was absolutely devastated with the result of this season but he will use that to make sure he holds up the trophy next year.
Matthew	Prior	Steady as a rock when it comes to batting and landing the ball right on that perfect length without even trying. Not a bad bone in his body, but when it comes to fielding, he is always greedy when it comes to taking screamers and cutting off those costly runs.
Lucas	Ryan	First year coaching Lucas and was absolutely stunned when he started the year off smashing fours all around the field and even smashing a six over mid-off. Started off a bit wayward with his bowling but by the end of the year he found his rhythm and starting claiming wickets.

## Under 13 Division 1

Coaches: Glen Tipping & Roger Cubitt

A tough season for the team, with several new faces stepping up to Division 1 this year. We started with a strong win in the first game, but then struggled for most of the season to put a full team performance together. There were flashes of brilliance from every player, but we could never seem to have everyone firing at the same time. A bit of self-belief and confidence from all, and the results will come next year. A big thank you to all the players and parents for their help and support throughout the season.

Ashlee	Cubitt	Ash didn't quite have the season she is capable of, but batted and bowled really well at times throughout the season. With a little more confidence and consistency, she will be back to her best next season. Always very solid in the field with a couple of catches and excellent ground fielding. Well done Ash!
Caleb	Gascoigne	Caleb opening the batting for most of the season and played a couple of fine innings which showcased his potential. Very solid technique and will score plenty of runs in coming seasons. Bowled well without much luck throughout the season and always solid in the field. Well done Caleb!
Khai	Hughes	Khai had a very good year with bat and ball. Khai was our leading run-scorer with 159 runs for the season including his maiden half century, making 58 against Ingleburn. Khai also bowled very well taking 9 wickets in an excellent all-round effort!
Siena	Latham	Siena is a fine young cricketer who bats, bowls and wicket keeps exceptionally well. Incredibly consistent all season only being dismissed 4 times, also taking 7 wickets, 2 catches and 2 stumpings in an excellent all-round display. Great season Siena!
Jake	Murray	Jake had a solid year with bat and ball. Some very impressive spells of leg spin bowling totally bamboozling opponents and was unlucky not to take more than the 7 wickets. Hits the ball very hard and played some important innings for the team during the season. Look forward to an injury free season next year!
Nathan	Salter	Nathan loves his cricket and is always in the action, whether batting, bowling or in the field. Bowled well all season taking 10 wickets, was our second leading run scorer with 115 runs as well as taking 5 catches in a fantastic all-round display. Always keen to work hard and learn, Nathan will have a great season next year!
Oscar	Saunders	Oscar is a very talented cricketer who bats, bowls, fields and wicket keeps at a high level. Probably didn't get the runs or wickets that he is capable of this season, but no doubt will capitalise next season. Opened the batting most of the year and received a few 'peach' deliveries. Oscar is always in the game and is a leader within the team!
Brianna	Tipping	Well done Bri on a very good season. Was deservedly the team's leading wicket taker with 12 wickets and bowled very well all season long. Bri's batting improves every season and with a little more self-belief she will score the runs that she is capable of. Great work Bri!
Jack	Writer	A solid year for Jack with bat and ball. Hard hitting left-hand batsman who played a couple of important innings when the team needed it. With hard work at training his bowling improved greatly throughout the season, and will go from strength-to-strength next season. Great work Jack!

Ahsan	Asad	Ahsan is new to our club this year and a great start to his career with Camden. Leading the run-scoring for our team and picking handy wickets with the ball throughout the season. Ahsan saved his best for last with his top score of 17 in the final round.
Ali	Asad	Ali also new to our club had a very good year with the bat. His best performance proved to be the highest individual score for our team this year, scoring 19 against the eventual premiers in round 10. A solid rivalry with his brother will do doubt bring improvement to you both. Well done Ali!
Mitchell	Corby	A consistent season for Mitchell this year in which he notched up his 50 <sup>th</sup> game for Camden. Always giving his best on the field and always managing to score a few runs with the bat. Morale at training is never low when Mitchell is around!
Sophie	Constantine	Steady improvement over the course of the season for Sophie with the bat with her highest score coming in the final round. This combined with plenty of mid-season wickets and a couple of catches behind the stumps made for a particularly good all-round season.
Hamish	Dobbs	Hamish had a good season with the bat especially in the first half of the year where he scored most of his runs. Very consistent with the ball in hand, proven by his team best 3/17 in round 9 helping him stay at the top of the wicket takers for our team. Good work Hamish!
Bailey	Ehlen	Bailey had a consistent year with the bat, also picking up a couple of wickets with the ball along the way. Reliable in the field, and obviously passionate about the game. Keep working hard and the results will come.
Emma	Evans	Emma also notched up her 50 <sup>th</sup> game for Camden this year and had numerous good starts with the bat, but some very tough opposition made it difficult to go on to bigger scores this year. Always puts in her best effort and is probably a bit too hard on herself! No-one works harder at training to improve their skills.
Ehan	Ford	Ethan made great improvements throughout the year with both bat and ball and in the field, a direct hit run-out in round 5 was a highlight. Often brave against tough opposition and extending our batting innings to give us a fighting chance. Well done Ethan.
Joshua	Heylin	Josh also played his 50 <sup>th</sup> game for the club this year and had a good season with the ball improving his pace and accuracy game after game. Often quite unlucky with the bat, but always come to training and works hard to make improvements with his game. Keep up the good work Josh.
Tobias	Power	This was Toby's first year of cricket. He showed good improvement throughout the year. Keep working at your skills Toby and you will keep improving. Toby's verbal support in the field is guaranteed to lift the team and put a grin on the coach's face!

## Under 14 Division 1 Blue Semi Finalists

Coach: Andrew Hreszczuk

Manager: Greg Franklin

The 14/1 Blues were a pleasure to coach this season with much talent shown by all. Most rewarding was watching 5 young ladies and 7 young men develop respect, friendship, trust and a greater understanding of cricket together. The hard work at training was balanced with a lot of fun which transferred onto the field where this great group of cricketers ended up finishing the season in the semi final with a tie. Congratulations and thank you to all of those who supported our children.

## Under 14 Division 1 Red Grand Finalists

Coach: Will Kendall

Manager: Anne Kelly

Camden Red had a season with considerable highs and lows and a lot of rain in between. With 4 brand new players to the cricket scene, each player grew in confidence and ability over the year and enjoyed the camaraderie that comes with team sport. After an incredibly exciting semi final we were presented with a place in the grand final. Unfortunately, the weather once again thwarted any chance of play on the day, leaving us in second place for the season.

Oliver	Kendall	Oliver was a well deserving recipient of the “Allrounder Award” this year. He was often effective with the bat, with his big hits and fast running between wickets. His season highlight was notching up his first century in the first game of the season.
Joel	Kontista	New to cricket this season, Joel produced great results with his spin bowling. He won the “Best bowling” award this season after a stellar performance against Cobbitty to get a hat-trick and match figures of 5/4. Outstanding work Joel.

Lucas	Metcalfe	Lucas was brand new to cricket this season and he is to be congratulated for his determination and consistency. He always gave his best each game and his fielding in the semi-final demonstrated the huge improvements he made over the season.
Amelia	Moroney	Milly led by example throughout the season and always demonstrated maturity and poise both on and off the field. She was effective with both the bat and the ball and always put in 100% week in week out. Great work Milly!
Dominic	Neville	Dom was our quiet achiever. Another new face to cricket in our team, Dom worked hard and is to be commended for his consistency and hard work with both the bat and ball. It was great to see Dom’s confidence grow during the season.

## Under 15 Division 1 Blue Grand Finalists

Coach: Matthew Saunders

Manager: Lisa Saunders

What a year it was! Whilst we unfortunately couldn't end the season as champions, each member of this team is a true credit to themselves and their families. They played their best cricket with a smile on their faces and a never-give-up attitude. More importantly they played as a team. To see them grow as individuals and collectively made them an absolute pleasure to coach! It would not have been possible without all the parents' support, Peter Giltrow, the world-renowned scorer, and Lisa, the best manager and Mum! Let's go get them next year!

## PLAYER PROFILES

Ryan	Carter	Limited by injury throughout the season, Ryan showed great spirit throughout the year. Playing in Under 16s, and a few games of senior cricket, Ryan's batting and game-awareness developed extensively. Ryan always looked to put a smile on everyone's face, and comfortably claimed the title of best sledge for the year. An absolute pleasure to coach you this year!
Hayden	Cross	Continued to develop his assortment of spin (and some pace!) deliveries, Hayden proved a valuable member of the team as always. Ever reliable with the bat, regardless of what situation he was put into, Hayden's spirited contributions were always appreciated.
Luke	Doria	At the top of the order with the bat, or opening the bowling with the new ball, Luke went from strength to strength this year. Luke has the ability to break the game open with his attacking intent, with a notable all-round performance in the semi-final. We haven't seen the best of him yet!
Samuel	Giltrow	A quiet team player always up for the fight. With bat or ball in hand, or in the field, Sam consistently proved he could change the game with a crucial breakthrough or contribution. When Sam bowled full and straight, he was unplayable, finishing with 7 wickets for the year. With more time and patience in the middle, Sam will continue to develop into a great all-rounder!
Kody	Hughes	Always willing to give it a crack, Kody came into his own with bat and gloves this year. Kody was unlucky to not score more runs this year, finding unimaginable ways to get out, however his 58 in the semi-final showed how he can stand up in important games. One of the best keepers in the competition, and more than capable with the ball, Kody's game will only continue to develop. Keep playing with a smile on your face mate!
Oscar	Mayer	A jack of all trades, when Oscar found shoes to wear, he was always able to contribute to the game with bat, ball or words of wisdom. A massive haul of 5-5 with the ball in the semi-final, and several crucial contributions with the bat throughout the year, Oscar's cricket went to a new level this year. He always brought a great energy and enthusiasm to the game!
Luciano	Padovano	The athlete. The influencer. The King of eBay. Gives 210% to everything he does. His bowling went to a new level this year, bowling some very handy spells and claiming some big wickets. With more self-confidence and patience his batting will only continue to improve. A privilege to coach!
Elliot	Power	The sheep-wrangler returned to cricket for the first time in four years, and when he got his opportunities, Elliot proved that he could mix it with the best. Unlucky to not claim a wicket, but his best knock, just 90-odd short of a hundred, gave a glimpse of Elliot's talent. A great attitude, and when he wasn't forgetting his belongings, Elliot was consistently improving his game. An awesome team member!
Patrick	Salecich	Pat always gave his best throughout the year, single-handedly winning a few games with the bat! Consistent with the ball, Pat was our leading wicket-taker this year, and backed it up with his fielding, pulling off the best run out EVER in the semi-final. A fine young man, who always plays with a smile. A pleasure to have in the team!
Timothy	Saunders	Tim led the team with great maturity and skill this year. Always reliable with the ball, and unlucky to not have more wickets this year. He proved himself a great finisher with the bat, finally clearing the fence a few times! A true club man, Tim launched his coaching career this year, and the lessons he learnt there showed in his game. Proud of you mate!
Patrick	Ward	Paddy! Always gave his all with the bat. The leg side is his favourite, and it most certainly got a work-out this year! A short stint with the gloves surprised us all, but his consistent line, length and scary pace did not. A few very important economical spells throughout the year. A true champion!
Special	Mention	A massive thanks must go to Thomas Robertson, Lily Hreszczuk and Oliver Kendall for filling in throughout the year. It's a daunting task to play up an age group, but they showed they could hold their own! Great club spirit!

## Under 15 Division 1 Red Semi Finalists

Coach: Paul Brewster

Thank you to the players, Mick and all the parents for another wonderful season. It was great to make the semi finals again. Considering during most games we played short and most of the team were playing up an age group, this was an impressive effort. Our bowling and fielding are equal to any team in the competition. However, as we struggled to score runs it meant we were not competitive in many games, including the semi final. I look forward to next season, where it will be many players last year as a Junior.

## Under 16 Division 1 Blue Premiers

Coaches: Derek & Jamie Warwick

Super effort from a bunch of guys who wanted to play for each other and have been a pleasure to coach & manage. Massive thankyou to the help of the U15s every week. A slow start as we got to know a few new faces, the team improved each week as a unit. Despite finishing 4<sup>th</sup> on the ladder, they knew they were capable of beating anyone. Defeating 1<sup>st</sup> place Magpies in the semi & then last year's winners Tahmoor in the final. A great way for these lads to finish their junior cricket and a credit to how they have conducted themselves & played all through the season.

## PLAYER PROFILES

Lachlan	Campbell	Great season from Lachlan scoring his first hundred, and again in the semi-final with 105no facing the first ball of the innings & the last, not to mention chipping in with a few wickets when he had the ball. A captain & teammate who reads the game well with his bowlers & field placements, but most importantly inspires his fellow players with his infectious love for the game, competitive nature & 110% effort.
Ryan	Carter	Ryan backed up from 15s every Sunday to play 16s. His first games on turf wickets and a massive addition to our side. Played with 100% effort every week and reliable cricketer. A great asset to any team. Thanks for being part of the 16 Blues Premiers Ryan.
Luke	Doria	Another of the 15s filling in who quickly became our regular opening bowler. Played a massive part in the team being successful, removing the Magpies best batsman early in his semi final innings with the ball of the season. Thanks for being part of the 16 Blues Premiers Luke.
Ryan	Emmerick	Ryan was new to Camden Cricket Club after moving into the area a few rounds in to the competition. A lovely lad and I sincerely hope you continue in seniors for the club next year. Ryan is an all-rounder who showed promise with the bat & tied plenty of batsmen down with his left arm off-spin. His cunning delivery in the final to have Tahmoor's best player caught on the boundary was a masterpiece!
Samuel	Giltrow	Another of the 15s backing up every week Sam quickly became another regular team member, chipping in wherever needed. A good all-round cricketer with a safe pair of hands and loving the game. Thanks for being part of the 16 Blues Premiers Sam.
Kody	Hughes	Yet another of the 15s playing in the 16s Kody's help was invaluable to our season. A talented batsman with great hand eye coordination, who is not afraid to play his shots. Thanks for being part of the 16 Blues Premiers Kody.
James	Hunt	James brings a positive energy to the playing group, always having something to say & encouraging others out in the field. A handy spin bowler and a batsman who will play his shots, James enjoys his cricket win or lose.
Riley	Kingsell	Riley returned from rep duties with an absolute bang, an explosive batsman scoring 120 & 141 in consecutive games which really gave the team momentum & belief they could be a force if they made the finals. Some outstanding slips catches and handy with the ball, Riley is just always in the game.
Jack	Losurdo	Jack is the definition of 'relaxed' and goes about his business with a calm approach. He has really improved as a batsman over the years and really stood up in the grand final with the game in the balance, delivered a valuable contribution of 29no to steer the side home & be the Umpires player of the match.
Lachlan	Rawnsley	A quiet achiever, Lachlan was a key player, chipping in with runs, & taking valuable catches. Always happy to do whatever is asked of him, performed solidly week in week out. A great way to finish.
Cameron	Salter	Another of our 'relaxed' players who with Jack, went out to the middle in the grand final in a pressure situation and delivered important boundaries to chase down the total. Cameron's all-round ability saw him nonchalantly score runs, take wickets & catches in a great season.
Timothy	Saunders	Tim came into the side after rep duties and was a vital addition in our bowling stocks quickly catching up to finish as the joint wicket taker in the team. Another great all-round cricketer, his contributions with the bat & some great pressure catches in the field, unforgettably at deep mid-on in front of all the supporters in the grand final to remove the opposition's best player. Thanks for being part of the 16 Blues Premiers Tim.
Luke	Stewart	Luke as per previous seasons, was again an important part of the bowling attack taking important wickets and always troubling batsman. A quiet achiever, he goes about his cricket well, and is a valuable team player.
Samuel	Warwick	Sam took on the role of regular opener for the team, with the season we've had weatherwise, the role has been a tough one. Not to be left out, took a more involved role with the ball, and was rewarded with some key wickets. Together with some great fielding and catching, Sam is a great all-rounder who competes to the end.

Honourable mentions go to Flynn & Jonah Williams & Jake Schofield who stepped up when numbers were down and helped us compete in the season.

## Under 16 Division 1 Red

Coach: Roger Cubitt

Manager: Wayne Harris

Overall, we didn't quite perform to our ability, finishing in 5<sup>th</sup> place and just missing the semi finals. While we didn't get the results on the field, the boys played the game with great spirit and got ourselves into a winning position in most games we played, but unable to finish it off when it mattered. Cricket aside, they are a fantastic group of young men who really enjoyed their last season of junior cricket, and hopefully continue into the senior ranks next year.

Jacob	Evans	Left hand bat, right arm swing bowler, keeper and the ultimate team man! We really missed Jacob on the field this year. Keep up the good fight and get yourself back to 100%, we are all with you. From everyone at Camden Cricket Club we are looking forward to seeing you back on the field next season. All the best mate!
Jack	Constantine	Jack was a true allrounder this season, batting, bowling and keeping wickets. Jack hits the ball very hard and while he didn't quite get going in the u16's competition, he showed how damaging he can be during the T20 tournament. Did the majority of our wicket keeping and kept very well, while also taking a few wickets with limited opportunities with the ball. Good luck in seniors Jack!
Joel	Cubitt	Joel captained the side this year and did an excellent job leading the team on the field. Like a few of the boys, he didn't have the individual season he was hoping for, and showed glimpses with the bat and ball. Was also excellent in the T20 tournament. Brilliant in the field with 7 fine catches. Well done Joel!
Cameron	Dodd	The ultimate team man that everyone wants to play with. Cam always has a smile on his face, enjoying playing cricket with his mates. Bowled really well all season, the highlight being 3-13 against Collegians and was very solid in the field taking 4 catches. Like a few of the boys was a little unlucky with the bat. Well done Cam!
Benjamin	Harris	Ben is another genuine allrounder who bowled really well taking 9 wickets at an average of 13. Opened the batting for much of the season and got himself 'in' a number of times, but didn't capitalise. A much more talented batsman than hits stats indicate, who will score plenty of runs in senior cricket. Good luck next season Ben!
Dylan	Langdon	Dylan had a solid season with bat, ball and the keeping gloves showing glimpses of his talent throughout the season. Dylan was our leading run scorer for the season and also chimed in with some key wickets, setting up a good win early on against Tahmoor. Wicket keeping was always of a high standard. Good luck in seniors Dylan!
Samuel	Lawrence	Sam had a very good year with the ball, taking 6 wickets and many of those at key times during games. Another who didn't quite score the runs that he is capable of, and will no doubt make up for it next season in senior cricket. Solid in the field and always looking to get involved in the game. All the best for next season Sam!
Oscar	Mayer	Oscar filled in for a few games before Christmas and soon became a key part of our team. An attacking off spin bowler with great control, taking 5 wickets in 5 games, while he was only dismissed once in 5 innings to average 49 with the bat. Great contribution Oscar, good luck for U16's next year!
Hunter	Nicholson	Hunter is a talented left arm orthodox spinner with a knack for picking up wickets almost every time he bowls. Our third leading wicket taker with 8 wickets at an average of 11.5, 3 catches and a couple of handy innings during the season. Hunter will enjoy senior cricket and I am sure will collect plenty of scalps in years to come!
Denzel	Prasad	Denzel had an excellent season - leading wicket taker with 13 wickets at an average of 11 and making a fine 51 against Collegians opening the batting. Denzel was also excellent in the field taking 6 catches, including a couple of beauties in the gully. Lead from the front all season. Congrats Denzel!
Declan	Quigley	Declan juggled soccer and cricket commitments during the season but in the 5 games he played he showed how valuable he is to the team. Got off to a start virtually every time he batted but couldn't quite find that big score. Very talented sportsman who will excel at whatever he puts his mind to. Hopefully manages to make his way into senior cricket in seasons to come!
Wyatt	Taylor	Wyatt shared the new ball with Denzel for most of the season and bowled beautifully to take 7 wickets at an average of 13. Didn't get the runs that he is capable of with the bat and with a little more self-belief will score plenty of runs in Seniors next season. Well done Wyatt!
Patrick	Ward	Like Oscar, Pat became a key part of our batting line-up for the second half of the season. Top order batsman with a very solid technique, was unfortunate to receive a few 'peach' deliveries. Pat loves the game, works hard and the experience this season will no doubt lead to a very successful U16's next season. Thanks Pat! Also a big thanks for helping us out through the season to Hayden Cross, Patrick Salecich, Ashlee Cubitt, Tanmay Mehta and Flynn Bradshaw.

## 1<sup>st</sup> Grade Semi Finalists

A frustrating year for this group which saw 22 players used. This group all have tremendous ability and will show this in the coming years with further experience. A special thanks to Jim and Noel who are a massive support to this group. Who are always lending advice and experience in and around the game to this team. I also want to thank Pinno, who made his first grade debut, and Hodgey, Strongman, Dodger, Richo and Wiggo for helping us out throughout the year.

Myles	Aston	Much of our early success was around Myles's bowling and the energy he brought. Started the year with a bang and unfortunately couldn't finish off the year the way he started. A good cricket brain that if he puts it all together will be a good first grade cricketer.
Matthew	Campbell	Matty C just does his thing week in and week out. A senior player that really steps up when needed and his stats reflect that. Doesn't mind a sneaky strangle either.
Luke	Eagles	Our best player week in week out. An awesome year for Lukey which put our team in winning positions off the back of his performances. Looking forward to him stepping up next year for another big year.
Wayne	Eagles	The king is always valuable to have around the team and demands the best when available. Always good for advice and to help the team when the motivation is down.
Hayden	Ferguson	Fergo is a good first grade cricketer who really has a bright future if he applies himself. Would be a regular top 4 bat in our team if he realises his potential and puts in the work.
Taine	Gilheany	Taineo is such a good cricketer and another one who when they realise their potential will play regular first grade cricket. A great guy to have around the group and I'm sure with one big performance will feel comfortable in this group.
Daniel	Gordon	Gordo always plays a part in this group. I think this has been in best season in some years, which has seen him fill in different roles throughout the year. A great team man and fines-master.
Lachlan	Kyling	Lachy has now realised his potential and through application will score 400 plus runs next year. A great opening combo with Kieran could see them open together for years to come.
Luke	Morgan	Morgs has probably showed everyone in our group what fighting for your wicket is really worth. Such a competitor who shows he belongs in this group and hopefully score many more runs for our club.
Simon	Neich	Neichy always does Neichy things. A great bloke to have around the group and challenge everyone to play their best. Thankful for his advice and leadership, plus all the work he put in in pre-season for the younger guys.
Hamish	Oxley	Ox is the best bowler in the comp and with a full year this year will see the results next year. A great laugh around the group and his experience around this group has been second to none.
Kieren	Ross	Rossy is a very good story for this group and has been a much-welcomed addition at the top of the order. He has cemented his spot for as long as he wants, if he works hard and shows the grit we know he has.
Matthew	Saunders	Matty has been a breath of fresh air for this group. Just loves the challenge and will always do his best. Energetic and just loves cricket. Special mention to him for coaching a junior side and I believe will captain this group in the near future.
Dylan	Scott	Dysh loves just being around this group, seeing hard work and persistence pay off and the watching the younger players show their ability. Had a great time being captain and will enjoy handing over the MyCricket responsibilities next year.
Hayden	Tipping	Tippo is our future opening bowler for many years. His progression this year has been awesome to see and when he grows into his body will take many wickets for Camden first grade. An awesome fielder with a great set of hands.
Jamie	Warwick	J Waz had a poor year by his standards but my belief in him is extremely high. I would love to see him back for another crack next year and get some enjoyment in playing the game he loves. A great fielder and a great team man.

Brody	Allen	Handy young wicket keeper who shows promise with the bat.
Ben	Clarke	Took us a few weeks to get him in our team but was very worth it when we got him. Great bloke.
Cooper	Davidson	Good year from Coop opening the batting, Big year next year for him.
Thomas	Pinnington	Has one of the best techniques you'll see but unfortunately couldn't turn it into runs this year. Next year.
Liam	Richardson	Best Batter. Best Bowler. Best Fielder. Best Bloke.
Kieren	Ross	He was our best bat this year and was a great help with the captaincy. Thanks for the help mate.
Tristan	Ross	Can't Bowl. Can't Bat. Can't Field. Terrible Bloke.
Matthew	Saunders	Only played 5 games with us but he sure did a lot in those games. It was hard to let him go to 1 <sup>st</sup> Grade.
Lachlan	Saunders	Had a good year with the ball when he got the opportunity.
Toby	Schofield	Good young bat, would've liked to see him fight his way back into the team.
Adam	Skvorc	Surprisingly Adam turned out to be one of our most valuable players with the ball and bat.
Luke	Swain	Swainey has the best pitch map you'll see. Lands all 6 balls in the same spot and they still couldn't hit it.
Hayden	Tipping	Great year for Tippo. His bowling was unreal, scaring a lot of old 2 <sup>nd</sup> graders that's for sure.
Toby	Whittington	Didn't have Toby for long but once we got him hje was very handy. Big year next year with him staying in 2's.
Ryan	Wood	Woodsy was hands down my favourite player this year. If you tell him to do something when bowling he did it which is a nice change. Big year next year.

Once again, it was an honour and pleasure to lead a great group of blokes. A disappointing year results wise. Whilst our bowling attack is equivalent to any team in the competition, our inability to score runs and create meaningful partnerships cost us dearly. If we want to be competitive at this level, some hard work needs to be done in the offseason.

A tough season where we just struggled to score runs week in week out, and as a result were unable to defeat a Top 4 side. There were flashes of brilliance with a couple of 50's from Rog, Robbo's 7 fa in the last game, and Woodsy throwing himself around week after week, letting through only 8 byes for the entire season, but just not enough for us to compete with the better sides. The most enjoyable thing to watch was the development of our young brigade in Jacob, Joel, Jake & Jack, and I look forward to seeing a strong season from them all next year.

Jack	Constantine	Started the season with a couple of early wickets, but then found his forte behind the stumps with the gloves, and was a great back up for Woodsy as the season went on. Struggled a bit with the bat was one of our best fielders all year, taking 6 catches.
Tim	Constantine	Can hit a long ball, as demonstrated by a couple of cameos throughout the season, but was the same as the rest of us, and just struggled to score runs week in week out. As one of the 'old fellas' who can actually still run, Tim spent many a Saturday afternoon going from mid-on to mid-on as a sounding board for our bowlers. Thanks Mate!
Jacob	Cubitt	Had a solid all-round season with bat, ball and in the field. Has the technique and potential to score a lot of runs, just needs a bit of patience and that one break out innings to believe. Was one of our best with the ball, swinging his medium pacers both ways. Our best fielder by a mile, taking out the Team Fielding Award with 8 catches.
Joel	Cubitt	A little bit like Jacob, has the potential to score a lot of runs, and hits the ball so hard, now just needs the patience to build an innings. Unfortunately, Joel missed half the season due to his rep soccer, because when he was available, he bowled good pace, troubling many a batsman, and picking up wickets regularly.
Roger	Cubitt	Our leading run scorer for good reason. I could sit and watch those cover and on drives all day! Unfortunately, playing on cow paddocks that haven't been mown for a month, are not very conducive to a technically perfect drive along the ground. Had we played on better fields, Rog could have easily knocked up another couple of half centuries.
Peter	Fehrenbach	Started the season well at the top of the order, getting a start nearly every innings up until Xmas, but just couldn't break out of the 30's to go on with it. On the few occasions Pete played up in 3's, we just looked lost at the top of the order.
Ben	Gunn	Our super sub, ended up playing half the season for us. Can bat anywhere in the order, swings the ball both ways at pace, and a machine in the field. Thanks again for helping us out Benny. Hoping to see you back full-time next year?
James	McFarlane	The other half of our opening partnership with Pete, and a similar story. Managed to get off to a few good starts, but just couldn't find a way to go on with it, but we always looked better with the 2 of them at the top of the order. Limited opportunity with the ball this year and when he wasn't injuring himself, was pretty good in the field.
Greg	Pinnington	The self-confessed allrounder had another solid season with the bat and ball, but probably not up to his own standards. He did however come up with one of the moments of the season when he politely asked the non-striker to 'be quiet' half way through his delivery stride, followed by an appeal in the same breath for an LBW!
Wayne	Robertson	One of the few of us that can actually say they had a good season! Robbo was an absolute workhorse this year and very good with the ball, finishing our leading wicket taker with 23 wickets, including 7/27 in the last round. Also scored a few runs early in the season and always solid in the field.
David	Schofield	Started the season off with a bang, scoring his high score for the year in the first game, before joining the rest of us on struggle street with the bat! The ultimate team player, and king of the dry one-liners in the field.
Jake	Schofield	Bowled extremely well this year and was probably very unlucky not to take more wickets. Good length out-swing at good pace missed the outside edge more often than not, and was just too good for the opposition. Jake is also very capable with the bat and had a couple of cameo innings early in the season.
Glen	Tipping	Can't bowl, can't throw, and only scored runs in the last 2 games of the season...Lucky I know how to score and enter match results into MyCricket! Was a tough year all round, but a few standout performances from the old fellas, and watching the development of the boys still makes it enjoyable and worth the effort. Thanks Gents.
Andrew	Wood	Another one who struggled with the bat this year, but had a cracking season with the gloves, taking 17 dismissals and only letting through 8 byes for the entire season in 460 overs behind the stumps. Was awarded the Senior Wicketkeeper of The Year for the Club and our Players Player. Congrats Woodsy, well deserved mate.

A big thanks to Mark Ciscato, Alex Faulds, Tanmay Mehta, Denzel Prasad, Lachlan Rawnsley & Peter Shortland, who all filled in for us throughout the season. Much appreciated Gents, especially to be involved in the Senior Club Debuts of Tanmay and Lachlan.

## 9<sup>th</sup> Grade

Captain: Steve Evans

It was a season of what could have been for the 9<sup>th</sup> grade side this year. We started and ended the season with some great wins including an outright victory to end the season, however needed some points in December and January to play a role in the finals. Exciting times ahead for the club with some outstanding juniors that will move up the grades after an outstanding year.

## PLAYER PROFILES

Joshua	De Martin	Josh contributed everywhere. Formed a fantastic opening pair with Scott at the back end of the season, bowled really well and was a great wicket keeper. Unsung hero.
Laurence	De Martin	Great first year with the team. A bundle of energy in the field and a safe pair of hands when the ball is in the air. Great to watch him playing cricket with his son this year.
Steve	Evans	Had a great time captaining this team. Would have loved to have had a better season with the bat always next season.
Steve	Faulds	Cracked the 1000 run mark for the club this year. Steve can always be relied upon to give his very best no matter what the game situation is.
Navida	Geeganage	Our leading wicket taker and such a lethal bowler. He is fast and accurate and had many a batter wondering where the ball that took their wicket came from. He can also hit a ball a long way.
Hish	Hamdan	Hish's first season with the club and his first season in a while. He has a great cricket brain and although he would have loved to have scored more runs they will come with more cricket.
Bruce	Hannaford	Started the year with a bang scoring a century in our first day of cricket for the year. A solid season and someone I could consult with on the field when needed.
Benjamin	Harris	Wow, what a season. Our top run scorer who over the last 18 months has found the secret to scoring runs consistently. To support that he bowled fantastically as well. Can't wait to see how far Ben can take his game in future years.
David	Howard	A real team man who loves playing every Saturday. Some good contributions with the bat and ball through the year.
Sarah	Howard	A shortened season this year with some exciting times ahead. Bowled probably the best I have seen over the last few years without luck.
Hayden	Kaye	Hayden had some great returns with the ball this year. His line and length bowling led to some key wickets for the team this year.
Scott	Metcalfe	First season with the club this year and will be a great clubman. Plays at a million miles an hour and just loves the contest. Can hit a very long ball and changed the season for the team when he went to opener.
Jacob	Ward	Another with a shortened season due to him starting Uni in country NSW. He had many contributions with both bat and ball. Hopefully he will keep playing some country cricket over the next few years.
Owen	White	A season of what could have been. Missed all of the middle part of the year due to a broken leg. A devastating left arm bowler who had batters wondering what had happened when their stumps had been hit. Gong to be a strike bowler for the club in future years.

A huge thank you to Ryan Carter, Jack Constantine, Thomas Robertson, Cameron Salter, Timothy Saunders and Ryan White for helping throughout the season. Each of you made great contributions to the team this year.

## One Day Competition

Captain: Simon Huntly

Our season began promisingly enough, winning 3 of our first 5 games. Unfortunately, the grind of a 20 week competition and some quality opposition saw us only win 5 matches for the entire season. Highlights included a team high of 223 against Cobbitty Narellan in Round 5, some big hitting by Peter McClelland in a range of rounds, and a 5 wicket haul by Oliver Humphreys in round 20 as we valiantly tried to defend 75, but just missed. All up, we used 21 players and the chance for fathers and sons to play with one another is a rare opportunity. Thanks to everyone for their efforts throughout the season, the benefits of which are not necessarily reflected in our results.

### Dismissals by a Wicket-Keeper

Name: Gibson Humphreys      Catches: 1      Stumpings: 1

## PLAYER PROFILES

Tom	Anthofer	One of five players from last season's 8th Grade team. Tireless opening bowler who bowled without luck. Top score was a swashbuckling 35. Was missed in the latter part of the season due to unavailability.
Nimesh	De Silva	A late call up who went onto play more than half the season. Electrifying fielder, crafty spin bowler and steadied the ship in the middle order. Loves a quick single and tested Skipp's hamstrings out on the odd occasion.
Gibson	Humphreys	Another of the 8th Graders from 2020. Took on the dual responsibilities of Wicket-keeping and keeping the tail end intact. Finished the season with fingers like Ian Healy.
Oliver	Humphreys	Promoted from 8th Grade, our most potent wicket taker despite missing a number of games through injury. Took 19 wickets at 8 (including a 5 for in our last game). Also had a top score of 56. Received Players Player award.
Skipp	Humphreys	Crafty all-rounder and another member of last year's 8th Grade. Averaged 13 with the bat, 20 with the ball and filled in as Captain and Keeper from time to time. All in between running the odd ultra-marathon (and the odd quick single with Nimesh)
Simon	Huntly	The final member of 8th Grade. Skills in technology and location to home ground saw him assume captaincy and opening the batting. Had a season high score of 46.
Dylan	Langdon	Club junior who filled in for one match. Took 2 wickets and top scored with 17.
Sam	Lawrence	Another junior who filled in for a game. Bowled well to take 2 for 10 off 3 overs.
Brodie	McClelland	A member of a new father/son combination for the season. Bowled well to take 7 wickets (unlucky not to have 7 more due to dropped catches) and channelled his dad to hit a massive six at Belgenny to get off the mark. A promising talent whose season was cut short by injury.
Peter	McClelland	A return to the game after a few years off to play with his son. Our leading scorer with 214 runs at 27, highlighted by some six-hitting on more than the one occasion. Acrobatic in the field, particularly prior to pulling a muscle. Experience and enthusiasm was a great addition to our squad.
Bob	Merlino	Club legend who helped out late in the season. Still showed his experience and skill with the gloves.
Scott	Metcalfe	Made a cameo from 9th grade and used his time to warm up for a top-scoring return the following round.
Hunter	Nicholson	Another local junior who filled in a couple of times. Tidy left arm bowler who took 1 for 14 off 5 overs.
Jackson	O'Grady-Shorten	With youth on his side, Jacko did much of the grunt work in the outfield. Showed some glimpses with the bat, top scoring with a 20, and also finished equal second highest wicket taker with 10 at 14.
James	Reid	Played most of the season before it was interrupted by a career in building. Second-highest runs aggregate with 157 including a top score of 34.
Tom	Reid	Only player to play every game. Third highest run maker (139 with a highest of 44) and equal second highest wicket taker with 10. Bowled without luck at times.
Tim	Saunders	Filled in for 1 game scoring 6 runs and taking 1 for 12 off three overs. Another very promising local junior.
Darren	Taylor	Another of our father/son combinations who made his return after a loooooong break. Accepted the challenge of opening and showed great resilience on many an occasion. A season top score of 32.
Wyatt	Taylor	Versatile player who bowled well without luck and sometimes kept the latter stages of the innings. Enthusiastic fielder and great contributor to the team.
Darcy	Weston	The final of our father/son combos. Another local junior who took 9 wickets at 29 and had a season high score of 45. Like everyone else under 40, worked tirelessly in the outfield.
John	Weston	A comeback season after a lengthy break to play with his son. A couple of middle order cameos with some lusty hitting saw him have a top score of 40. Also assumed the mantle of team historian with recounts of the glory days of the under eleven's grand final.

## Woolworths Junior Blasters

Camden Cricket Club ran another successful Woolworths Junior Blast Program this year, with 12 participants turning out on Saturday Mornings. A big thank you to Toby Schofield for facilitating the program, and also to all of the parents who helped co-ordinate activities throughout the season. Your assistance is very much appreciated, and programs like these simply cannot be successful without volunteers like yourselves. We hope all the kids had a ball, and will be back again next year, either in Junior Blast, or moving up to Master Blast.
